HOW THE VOTERS VOTED.

REPUBLICAN CANDIDATES CARRIED LUZERNE ON TUESDAY.

Freeland and Parts of Foster Polled a Handsome Vote for Democratic Nominees, But Other Localities Failed to Stand by the Ticket—Williams Was Cut.

The Republican county ticket was elected on Tuesday, the Democratic congressional ticket won and in the six legislative districts the Democrats captured four and the Republicans two of the representatives. The net gains for the Democrats were one congressman and three representatives in the county. All the Republicans who won were elected to succeed Republicans, consequently they gained nothing.

The defeat of Congressman Williams shows that the people of the district intend to continue the rule in force since the Twelfth district was formed— to refuse to re-elect their congressman. Davenport ran ahead of his colleagues in all parts of the county and Williams was cut unmercifully by a certain element of his party. Money was freely used in his behalf on Tuesday in buying Democratic poll-men and floating voters, still he fell behind everywhere. His defeat was arranged for long ago. It is a hard blow to that faction of the party which he represents, and keen edges have already been placed upon the political knives of many of his friends.

In the adjoining columns the vote of Freeland borough is given complete, also the total vote of each locality in the Fourth legislative district and the total vote and pluralities of the successful candidates in Luzerne county. Complete election news of the state and nation will be found on the fourth page.

Legislative Districts.

Every Republican candidate was given a majority in the Fourth district, except Williams for congress, who was cut heavily throughout lower Luzerne. The sweep carried E. L. Snyder, legislative candidate, through by a majority far below that given the county nominees of his party. Sheridan failed to do as well as expected in Hazlet township, and his defeat can be placed to nothing else but the apathy of the Democrats there. Evans' vote was larger than expected, and while part of it came from the Democratic side the bulk was won by Republicans and had the Democrats went to the polls in Hazlet the party's candidate could have won. The independent Republicans did their work well, the Democrats failed to do theirs.

In the First district Representative Roberts was defeated by P. J. Boyle, Democrat, by 236 votes. This district is composed of the city of Wilkes-Barre, and its redemption from Quay rule is a great victory.

In the Second Representative Coray, an anti-Quay Republican and one of the most honest legislators in Pennsylvania, defeated his Democratic opponent, Mr. Chrisman, by 1,448.

The Third district is the home of Representative Miller, a Quayite, and his defeat by Democrat driver by 29 votes is a splendid triumph for the friends of honest government.

In the Fifth district ex-Commissioner Patrick Norton, Republican, lost to Thomas Tighe, Democrat, by 978. This was the only district in the county represented by a Democrat in the last legislature.

J. P. Andrews, of White Haven, has succeeded in bringing back the Sixth district to the Democratic column, defeating Quay's man, Representative Riley, by 97 votes.

On the whole the Democrats did exceedingly well in their legislative contests in Luzerne, losing only one candidate, Mr. Sheridan, through their own negligence.

The Local Vote.

The Democratic workers began with the intention of carrying Freeland borough for every candidate on their ticket, and they succeeded. The majorities given the candidates, ranging from 51 for McKinny to 105 for Jenks and 138 for Trickett, surpassed their expectations and astonished the Republicans. No efforts were spared to get the Democratic vote out and to vote the ticket straight. That the latter was done was shown in the count, the First ward returning 46 ballots voted in the Democratic circle, the Fourth ward 69, the Second district of the South ward 113. The Third ward was carried for the first time by the Democrats.

At no previous election was such straight voting done by the Democrats, and the Democrats of Freeland can feel that the defeat on Tuesday was not caused nor abetted by them.

In certain districts of Foster township, notably Woodside, Drifton, Highland and East Foster, good work was also done. The full vote was gotten out in these precincts and voted straight. Woodside, the home of District Chairman Richards, was swept 38 to 23 by the Democrats. School Director Brior's poll, Drifton, beat the Republicans nearly 4 to 1. In Upper Lehigh and Eckley, Foster, and in Jeddo and Drifton, Hazle, the Democrats lost votes, partly through apathy and partly through money influence.

BRIEF ITEMS.

A. Oswald sells three bars of grand-ma butter milk soap for the small sum of 5c.

Dancing school at Yannes' opera house Saturday evening by St. Patrick's band. Admission, gents 25 cents.

A gas explosion in the Schooley shaft, Exeter, on Tuesday, killed Anty, Bronica and injured several others.

Ex-Representative W. R. Jeffrey has secured employment in No. 4 mine, Hazleton, and will remove his family to that city today.

Caleb Burton, of Newark, N. J., spent a few days of this week with his parents here, and did some successful hunting during his visit.

John T. Lenahan, Esq., of Wilkes-Barre, celebrated the twenty-fifth anniversary of his admission to the bar on Monday evening.

A pipe line is being constructed to Rev. M. J. Palliser's residence from the water works which supplies the Coxes residences with water.

Entertainments under the auspices of the Mining and Mechanical Institute will be given on November 18 and 19 at the Grand opera house.

Thomas J. Mumford, who has been Lehigh Valley Railroad station agent at Amber Yard for several years, has been transferred to Mt. Carmel, where he will fill a similar position.

The jury empanelled to investigate the death of Christopher Hiltz rendered a verdict yesterday. The railroad company was exonerated, but the crossing is pronounced a dangerous one.

Washburn's Minstrels pleased a large audience at the Grand on Monday evening. The show is as good, if not better, than the average traveling troupe, and can always draw a large crowd here.

The bicycle path under construction by Eckley B. Cox, Jr., to the top of the Neseopeck mountain, is completed as far as the top of Butler valley hill. The driveway to the same point is also finished as far as Butler hill.

"Cernoknznik," a four-act drama, will be produced at the Grand opera house on Thanksgiving Eve by the Slavonian Dramatic Company for the benefit of St. John's church. The play is somewhat on the order of "Faust."

School Director George W. Koons, of Banks township, whose bail was recently forfeited in Carbon county, returned on Monday to his home. Next day he was arrested on a new charge of misappropriating \$100, preferred by Miss Curry, a teacher.

The funeral of the late John Brennan, who died Monday morning, took place yesterday. The remains were taken to St. Ann's church, where a requiem mass was read by Rev. Francis Mack, after which the cortege proceeded to Laurytown cemetery, where interment was made beside the grave of Mrs. Brennan.

Marie Drofna, the leading lady of the Charles B. Hanford Company that appears at Hazleton opera house tomorrow evening in Julius Caesar, is a most accomplished actress. She is in private life Mrs. Charles B. Hanford. The play is one which every lover of Shakespeare's writings should witness, especially after which the cortege proceeded to Laurytown cemetery, where interment was made beside the grave of Mrs. Brennan.

Another Volunteer Coming Home.

George Boyle, a son of Timothy Boyle, of Ridge street, will arrive home this month. His regiment, the Sixty-fifth New York, will be mustered out of the United States service on the 18th inst. This regiment was one of the heaviest sufferers from typhoid fever in the army, and at Camp Alger Mr. Boyle passed through a long struggle with the disease and has since been recuperating in the Buffalo Sisters of Mercy hospital. At present he is in good health and is awaiting the mustering out, which will take place at Camp Plume, near Buffalo. He will arrive here at 6:57 p. m. on November 22, with his wife, who has been with him since shortly after his arrival at Buffalo.

Warrants Out for Sports.

A week ago on Sunday a prize fight was held in Pitstion between a colored man from Wilkes-Barre and a white man of Pitstion. They fought twenty-three rounds, the colored man winning. The fight took place in a hall directly opposite the place in which Mayor Harding was sitting, and was largely attended. Mayor Harding found out about it, and a number of warrants were sworn out for the arrest of the leaving sports. More will be issued and it is expected they will be served tomorrow. Pitstion has been closed tight for several Sundays, even the cigar and candy stores being shut up.

Phillip Dickson Dead.

The old residents of town are passing away rapidly. This morning at 2 o'clock Phillip Dickson died at his home in the Third ward. For over thirty years he had lived here, coming to South Heberton before there were any signs of a town in this vicinity. He was aged about 80 years. The deceased was a quiet old gentleman who has been troubled with sickness for a long time past, and his death was momentarily expected during the past few weeks. The funeral will take place at 2 o'clock on Sunday afternoon. Interment will be made at St. Ann's cemetery.

THE LOCAL LEGISLATORS.

BUSINESS TRANSACTED ON MONDAY EVENING BY COUNCIL.

Several Committees Made Important Reports and Recommendations—Council Agrees to Accept a Proposition from K. of L. Land Trustees—Officials Report.

Monday evening's borough council meeting was attended by all the members, except Messrs. Zemany and Smith. A communication was read from the Board of Health, relative to compelling property owners to connect their properties with the public sewer along streets where sewers are laid. After a discussion of the question, it was referred to the borough solicitor and the sanitary committee. A bill for \$22.50 incurred by the Board in emptying a cess-pool on property of Patrick Cunningham, East Walnut street, was also referred to the same committees.

The street committee reported having had gutters placed along the north side of Walnut street, a distance of 322 feet. They were instructed to extend the same west as far as the alley dividing the lands of John W. Davis.

The question of sidewalks was taken up, and it was agreed to place sidewalks along the Donop and Brennan properties on west side of Ridge street, provided the solicitor finds there are no reservations for sidewalk in their deeds, and upon condition that they will make deeds to the borough of six feet of ground for such purpose.

The secretary was authorized to notify the Water Company to have a plug placed on Walnut street, near reservoir. The police and lockup committee reported that they had investigated the case of William Wehrman, who was fined by the burgess for having an unmuzzled dog running at large, and recommended that the secretary notify him to be present at the next meeting of council and have his witnesses with him. The recommendations were agreed to. They reported negatively upon the claim of Harry Neuberger, for refunding of a fine for violation of the bicycle ordinance.

The special committee who met the Knights of Labor trustees reported that they had met and recommended that the offer of the trustees be accepted.

The committee was continued with power to act in conjunction with the borough solicitor and have the transfer made as soon as possible, except as to change from three to six months in which to begin operations, and twelve months to finish.

The street committee was instructed to consult with the borough solicitor as to the propriety of constructing a sidewalk along the west side of Pine street, from Walnut to north side of Johnson street, and that they have the power to have the same done without referring back to council, provided the solicitor after having examined the title to lands on each side finds there is space enough without encroaching on the street, also to construct a crossing when sidewalk is laid.

A crossing was also ordered to be put down on Adams street, east and west at the intersection of Carbon street, provided that curb and gutters are laid on the properties on each side.

The street committee was instructed to examine the culvert at Walnut and Birkbeck streets and have the same repaired.

A proposition was read from the Electric Light Company, for the placing of arc lights, as follows:

1. To furnish forty arc lamps on a three years' contract for \$3,400, with free light for borough building, free power to a proposed fire pump on Hill.
2. Should the revenue of the borough decrease \$1,500 in any one year council to have the right to reduce the number of lights to thirty, at \$2,000 a year.
3. All lights over forty to be at the rate of \$80 each per year.

The matter was referred to the light and water committee with power to consult with other towns and ascertain what they are paying for light, the number of lights in use, candle power and duration of contract.

The secretary was authorized to draw an order on the borough treasurer for the \$45.47 of state insurance money in favor of the Citizens' Hose Company for the firemen's relief fund.

The burgess' report was read for October: Receipts, \$20; commission, \$10.60. Police expense, \$32.50. The report was approved.

Street commissioner Burton reported an expenditure of \$24.50 on streets for October. It was approved.

A motion to dismiss Officer J. P. McNelis from the force caused a discussion in which several councilmen and the burgess participated. Councilman DePiero accused the officer of using insulting language towards him. After a heated controversy the matter ended for the time being by passing a motion to suspend him until he can be tried on the charges preferred.

The following bills were ordered paid: John M. Powell, janitor, \$12.25; Electric Light Company, light, \$125; Wm. J. Boyle, concrete, \$16.65; John W. Davis, coal, \$4; George H. Schwabe, cement, \$5; Jacob Niecler, distributing disinfectants, \$3.75; J
