Saturday Evening's Enterisiament.

Saturday Evening's Entertainment.

One of the most successful entertainments given here for some time was the one rendered on Saturday evening at the Grand opera house. The program was carried out in the order published a week ago today, and the several persons who took part did their work in a manner creditable to themselves and the occasion. Prof. Mayberry's choir and the Davis quartette were unable to appear, due to illness in each of the organizations. George McLaughlin. Eaq., presided as chairman, and in the opening address paid tribute to the band on behalf of the community and spoke upon the great benefits derived from the cultivation of misic. An audience that well-filled the oper house was present, and applause was liberally bestowed after each number was given.

From the Wilkesbare Telephone.
P. M. Boyle, of Kingston, who for many years filled the position of inside superintendent for Coxe Bros., and who also held the office of borough engineer at Freeland, and later was superintendent for the Plymouth Mountain Coal Campany, has opened an office at his home, 34 Rutter street, Kingston, and will henceforth follow his profession as civil engineer. Mr. Boyle combines a practical with thereical knowledge of inside and outside surveying, and being familiar with all the details of coal mining his services will doubtless be in demand by the owners of coal properties throughout the valley.

throughout the valley.

Name of Band Changed.

At Saturday evening's entertainment the name of St. Patrick's cornet band was formally changed to St. Ann's Parish band, and the organization will hereafter be known by the latter name. This change has been contemplated since connection was severed with St. Patrick's Beneficial Society, as the society intends to continue in the musical business and two bands of the same name might cause both much inconvenience. St. Ann's band will remain under the tutorship of Prof. A. P. Mayberry, and St. Patrick's band will make its appearance in a short while under Prof. John J. Gillespie.

Death at an Extraordinary Age.

Mrs. Margaret Williams, colored, said to be the oldest woman in the state, died at Wilkesbarre on Saturday. She is said to have been Hi0 years old. The is said to have been Hi0 years old. The is said to have been Hi0 years old. The is said to have been Hi0 years old. The is said to have been hid well well and was sold as a slave when she was two years old. She had twelve children and ten of them were sold. She frequently spoke of the meteoric fall of \$10.30, and said she was fourteen years old that time. Her eldest living daughter, Mrs. Harriet Lyles, who is 65 years old, and has several children, the eldest of whom is 40 years old, was twice sold as a slave.

Twenty-two Hours in the Mines.

Patrick McHale, a miner of Pittston, was lost in the mines from 5 o'clock Friday afternoon until 3 o'clock Saturday afternoon. He failed to reach home by midnight and his family organized a searching party to enter the mine. Finally, after being lost twenty-two hours. McHale was found on an abandoned slope, unharmed, but weak for want of food and drink. He had taken a short cut from his chamber to the shaft, but his light went out and he lost his way.

"The World Against Her."

The Boston Globe says of "The World Against Her." "Standing room only" was the sign that hung on the outer wall of the Grand opera house last evening. Every seat was occupied and many were content to stand. "The World Against Her" was well received and the leading members in the cast were enthusiastically applauded. The piece is thoroughly melodramatic, and lovers of this class of stage productions can surely find in it plenty of features worthy of recognition. Agnes Wallace Villa assumes the leading role, that of the wrongfully suspected and finally divorced wife. At first she is winsome and loving, but when the clouds begin to gather she endows the character with forbearance that is noble and truly touching. There are opportunities in this play for splendid acting, and they were fully appreciated. There is also lots of comedy, and the dude dude and the dude

Why not be well?

If you are suffering with any disease of the Kidneys, Bladder or Urinary Organs, Dr. David Kennedy's Favorite Remedy will make you well again. It has cured cases that bordered on the miraculous.

It quickly cures men and women of inability to hold urine, and they are not compelled to get up often and make water at night. It removes the scalding sensation in passing it, and, when taken according to directions, it invariably cures pains in the small of the back. Favorite Remedy not only cures Stone in the Bladder and Bright's Disease, but prevents them from developing.

One case is that of JOHN J. NEILL, of 2011 North Eighth Street, Philadelphia, Pa. In 1859 he began to suffer indescribable miseries from Stone in the Bladder. An eminent physician said a surgical operation was necessary. If unsuccessful it meant death, and Mr. Neill put off the evil day as long as possible. While in this frame of mind he heard of Dr. David Kennedy's Favorite Remedy, and bought it. Before he had finished the third bottle the gravel was completely dissolved and his sufferings were at an end.

Favorite Remedy is a perfect Blood and Nerve medicine. It restores the liver to a healthy condition, cures the worst cases of Constipatica, and all diseases peculiar to females. It cures Scrofula, Salt Rheum, Rheumatism. Your druggist will sell you a regular full-sized bottle for \$1.00.
