DESCRIPTION OF LUZERNE'S NEW HALF-MILLION ORNAMENT.

Has Given the Commissioners—Court Is Investigating the Job.

As stated in the TRIBUNE some time ago, the plans of Architect Osterling, of Pittsburg, were selected by Commissioners Hay and Jones as the best suited for the purposes of a court house of Luzerne county. Commissioner Guiney did not agree with this view, and he and the advisory board favored the plans of Architect Kipp, of Wilkesbarre. From the author's description of the proposed building, the following is a condensation and may help our readers in forming an As stated in the TRIBUNE some and may help our readers in forming an opinion of what they are to get for their

opinion of what they are to get for their money:

The author made a careful study of the locations and conditions governing the proposed building and designed the same so that the building will be of

The construction of the building generally street in the construction of the building generally street in the building the ground floor of the building has been arranged for an unobstructed public thoroughfare through the building has been arranged for an unobstructed public thoroughfare through the building from each corner of the lot, a construction at Deringer with k, it, it raise for west.

For the accommodate of passengers at any linear through the building in which two double state reasons and girders.

The first floor of the building contains the principal county offices, such as prothonotary, recorder, commissioners, controller, treasurer and sheriiff, each located in such positions as to be most convenent in their relations to each other. Intercommunication is had between all offices without entering the public rotunda.

NAULTS.

of wood and no copper or galvanized fron cornice work will be used.

The top of the dome and all figures will be of terra cotta, the same color as the stone. The entire roof of the dome and all figures will be of glass in metal frames.

All partitions for sub-divisions of fixes will be formed of two-inch steel angle iron, covered with metal lath and plastered solid with hard plaster.

All cerridors and the hallways in-

The customary practice of building massive brick vaults has been dispensed with in the plan submitted. On account of the building itself being fire proof, and with the modern file cases and steel furniture which are contemplated in this plan, the necessity of vaults is entirely eliminated, excepting the vault room required for the storage of papers, which has been placed in the basement or ground floor. Each office is provided with an independent basement vault or storage room with stairway leading to the same.

There are no back offices. The doorway of each of the storage for the storage of the country of the storage of the country of the dome will be of the sub-base of marble. All the glass throughout will be of the doorway of each of the storage for the storage of the country of the sub-base of marble. Two Splendid Souvenir Numbers.

were charged with accepting illegal votes at the late election, but the prosection failed to prove the alleged crime. The best authors and artists have been hard at work preparing two magnificent souvenir numbers of the Philadelphia Sunday Press, which will be published on April 23 and 30. The former will be a Grant Day souvenir and the latter a Dewey Day edition. The articles and illustrations in both will be appropriate to the occasion and most of the matter has been secured from special sources and has never before been published, either in a newspaper or magazine. Superb color pages will add to the artistic beauty of the both editions. The front page of the Grant number shows the splendid monment which will be decideated by President McKinley in Philadelphia, and the front page of the Dewy number is a reproduction of a magnificent painting of Dewey on the Olympia, showing him as he looks today. Be sure to get both these editions, which will be the hand-somest ever issued by a newspaper.

A Wise Republican.

The Wilkesbarre Record says that a Republican who has been prominently mentioned for the nomination of an important county office in Luzerne at the portant county office in Luzerne at the next convention, was asked the other day about his prospects. His significant reply was: "I am not making any efforts just how; if the legislature adjourns without electing a United States senator I will not go before the convention at all. I want at least about an even chance of being elected if nominated, and no Republican will have that if this Quay and anti-Quay fight is to go on, as A whale yields 48,000 pounds of oil.

A lady's foot should equal in length one-seventh of her height.

There are 40,000 native pupils in the Sunday schools of the Fiji islands.

There are more public holidays in Honolulu than in any other city in the world. Quay and anti-Quay fight is to go on, as it must on the state ticket. Such a fight will be death to the Republican

A Large Funeral.

A Large Funeral.

One of the largest funerals held in Freeland in a number of years was that of Mrs. George McLaughlin on Tuesday morning. The remains were followed to St. Ann's church by kundreds of relatives and friends, many of whom came from a distance to pay their last respects to the deceased. The floral offerings were numerous and appropriate. At from a distance to pay their last respects to the deceased. The floral offerings were numerous and appropriate. At the church Father Mack read the requiem mass and delivered a very touching sermon. The Daughters of Mary in sermon. The Daughters of Mary quiem mass and delivered a very touching sermon. The Daughters of Mary Sodality attended the funeral in a body.

Killed in Wilkesbarre Mines

Thomas Reed, a door tender at No. 3 shaft of the Lehigh and Wilkesbarre Coal Company at South Wilkesbarre, was crushed to death on Monday afterwas crushed to-death on Monday afternoon. He was caught by some runaway
cars and crushed against the side of the
gangway, dying in a few minutes after
being extricated. He was 16 years old.
The remains of the boy arrived here
at 9.33 o'clock this morning and were
buried in Freeland cemetery. He was a
son of Mr. and Mrs. George Reed, former
residents of Upper Lehigh.
