PUPILS' ENTERTAINMENT

CHILDREN OF THE PUBLIC SCHOOLS TO EXHIBIT ON JUNE 12.

Closing Exercises of the Borough Pupils Will Be Conducted in a Befitting Manner—Other Business Transacted at Last Evening's Session of the Directors.

The borough school board met last evening with all members present except Directors Johnson, Everitt and Ferry. Regarding the expense connected with the proposed closing entertainment of the schools, the secretary reported having inquired about the renting of the Grand opera house and had spoken to a member of the Electric Light Company, but had nothing definite to report. It was agreed that the general admission to the entertainment shall be 10 cents.

The secretary was ordered to notify the borough authorities in regard to the stagnant water which lodges at the Ridge street school building and also insist that sidewalks be laid on the north and south sides of the same.

A rising vote of thanks was tendered Director D. O. Krommes for furnishing trees for the school grounds and overseeing their planting on Arbor Day.

The building committee was authorized to have the trees properly boxed. The work is to be given to the lowest bidder.

The president and secretary were instructed to fill out papers for permanent certificates for Misses Tillie Lindsay and Kate Rogan.

The report of Principal Hanlon was read. He suggested that the entertainment be held June 12. He also reported that the rational method was a success. The average attendance for the month was 618.

It was decided to close the schools on June 9 and hold the entertainment on June 12.

Treasurer Schaub reported a balance on hand of \$1,702.27. The finance committee will meet the tax collector for the purpose of going over exonerations and report at the next meeting.

The following bills were ordered paid: Cross Creek Coal Company, coal, \$27.45; John W. Davis, hauling, 45c; Freeland Borough, excavating for trees, \$2.50; J. E. Griffiths, repairs, 67c; total, \$31.07. Orders were also ordered issued for \$3.40 for each of the seven directors who attended the convention at Wilkes-Barre. Total, \$23.80.

School Superintendents Elected.

The school directors of the several counties and cities of the state met on Tuesday and elected superintendents. Those of Luzerne county met at Wilkes-Barre. There had been a spirited fight for the place between the present superintendent, T. B. Harrison, who has held the office three terms, and Frank P. Hopper. As soon as Hopper's headquarters opened the directors flocked to him, and when the convention opened he marched at the head of the directors into the convention. The vote was: Hopper, 23; Harrison, 65; Weller, 41; Dewey, 19; Bierly, 15. The salary was increased from \$2,000 to \$2,500 a year.

The following resolution was unanimously adopted: "Resolved, That the school directors of Luzerne county in convention assembled earnestly protest against the proposed action of Governor Stone in his pronounced decision to interfere with public school appropriation for the next two years."

The results of the elections in other nearby towns and counties were as follows:

Joseph C. Gabrio, of Hazleton, was on Tuesday evening unanimously elected superintendent of Hazle township schools for a term of three years. His salary was fixed at \$1,500 per year. Mr. Gabrio is at present superintendent of Foster township schools, but the directors have agreed to abolish the office at the end of the present term.

David A. Harman was re-elected superintendent of Hazleton schools and his salary was placed at \$1,800 a year.

The directors of Schuylkill county held a very stormy session, and strong personalities were indulged. There were placed in nomination George W. Weiss, of Schuylkill Haven; C. H. Moyer, Port Carbon; W. F. Kutzer, Llewellyn, and I. G. Miller, Frackville. Professor Weiss was elected on the first ballot. This is his seventh consecutive term as superintendent of the county public schools. The convention before it adjourned passed strong resolutions protesting against any curtailment of the money appropriated by the general assembly for public school purposes.

A. S. Beisel, of Lehigh, was re-elected superintendent of Carbon county for the third term. A motion to increase the salary annually from \$1,500 to \$1,800 was lost. Mr. Beisel's competitors were J. J. Bevan, Mauch Chunk; G. W. Hemming, Weatherly, and P. H. McCabe, East Mauch Chunk.

J. C. Taylor was elected superintendent of Lackawanna county. His opponents were F. H. Green, of Abington, and R. N. Davis, of Dunmore. The vote was: Taylor, 189; Green, 15; Davis, 24.

In Columbia county J. K. Miller, the present incumbent, was re-elected without opposition. The salary was increased from \$1,075 to \$1,500 per year.

Professor J. W. Cooper was re-elected superintendent of the schools at Shenandoah.

Professor George Howell was re-elected superintendent of the schools of Scranton for the third time. He had no opposition.

Just 114 out of the 120 school directors of Monroe county were present to elect a superintendent. Horace L. Waller was elected on the third ballot. Resolutions were unanimously carried opposing any reduction in the school appropriation.

On Monday evening Chief of Police Daniel Miller and Special Officer George Hartman had a disagreement over certain matters connected with police affairs and hot words were exchanged. Later in the night the men met again and the controversy was continued. Finally it became so warm that a challenge from one to the other to settle their differences by fighting it out was promptly accepted, and together they started for the Public park. Upon their arrival there the chief refused to proceed with the fight, as arranged, and after a further exchange of words the officers separated.

Council will meet this evening. The police are responsible for their actions to council only. The taxpayers and residents of town await the outcome.

Roderick Appointed Mine Chief.
Robert Brownlee, of Lycoming county, was on Tuesday removed from his position as chief of the bureau of mines by Governor Stone, and his place given to James E. Roderick, of Hazleton. Mr. Brownlee was appointed by Governor Hastings, but he was marked for the slaughter early in the game, as he was not a Quay man. He was the first occupant of the office, and at once began to systematize matters so that the work of mine inspector was a reality instead of a myth. Mr. Roderick will assume the duties of his new office at once.

The new chief was at one time inspector of this district and has filled several responsible positions about the mines. His appointment is said to be due solely to his political influence.

MINES AND RAILROADS.

Cannon Exploded on Dewey Day.

A serious accident occurred in Mauch Chunk at 2 o'clock Monday morning by the premature explosion of a cannon, with which the advent of Dewey Day was being celebrated. The injured are all residents of Mauch Chunk. John McGee had his left hand blown off; Walter Conway, part of second finger of right hand blown off, also burned about the face and neck; Patrick Gillespie was burned on the face, neck and hands; John Sullivan, leg lacerated; John Garra, burned on the neck. McGee and Conway were sent to St. Luke's hospital, Bethlehem.

The young men started in shortly after midnight to celebrate in honor of Dewey. The cannon used was fired repeatedly; the boys forgot to sponge the weapon, and while tamping the charge into the gun it exploded. Dynamite and gunpowder were used.

Bogert's Case Continued.
The first business before the United States district court on Tuesday at Pittsburg was the application of Attorneys J. T. Lenahan and General W. S. McLean for a continuance of the case against E. F. Bogert, the former postmaster of Wilkes-Barre, on a charge of opening mail belonging to other persons. The application was based on the sickness of W. H. Bates, a material witness for the defense, who is said to be suffering from appendicitis.

United States District Attorney D. B. Heiner opposed the application. He said the case had once been continued and they had no assurance that the witness would ever be able to be present. Judge Buffington ordered the case to be continued to the term of court at Williamsport in September.

Death of Edward Furey.
At 11 o'clock last evening Edward Furey, a son of Mr. and Mrs. Condy Furey, breathed his last at the family residence on South street near Ridge. A few weeks ago he became ill and pneumonia set in. Since Monday he had been wavering between life and death, and his sufferings during this time were severe. The deceased was aged 34 years. He was a quiet, unassuming young man, and had many friends. Besides his parents he is survived by one brother, Daniel, and three sisters, Misses Ella, Annie and Lizzie.

The funeral will take place on Saturday. Interment will be made at St. Ann's cemetery. The hour which the funeral will leave the residence had not been fixed when the TRIBUNE went to press.

Died from Sulphur Poisoning.
Agnes, a little daughter of Patrick and Julia O'Donnell, late of Foundryville, died at her parents' home on Washington street on Tuesday. In some manner the child obtained possession of a box of matches and began sucking the sulphur off the sticks. Quite a number had thus been disposed of before her dangerous pastime was discovered. Immediately after the child became ill. Medical assistance was called, but the poison had already entered the system and in a short while the girl died in great agony.

Agnes was aged 2 years and 3 months. The funeral will take place this afternoon at 2 o'clock. Interment will be made at St. Ann's cemetery.

State Delegates Elected.
The delegates to the Democratic convention of the Fourth legislative district met at Hazleton on Tuesday afternoon and elected John Melly, of Freeland; E. P. Kissner, of Hazleton, and Hugh Gallagher, of Hazle township, to represent the district in the next Democratic state convention. Resolutions were passed endorsing Judge Lynch's candidacy for judge of the supreme court, commending the Democratic members of the legislature for their unflinching stand in the senatorial contest and praising the work of National Committeeman James M. Guffey in harmonizing and solidifying the party in the state.

To Fight License With Prayer.
The fight against the proposed big brewery at Stroudsburg has been renewed. The brewery people have applied to the state authorities for a license, and have hopes of succeeding. The East Stroudsburg Women's Christian Temperance Union asks that the members pray daily against the granting of a license by the state. No lawyer has been engaged, so far as it is known, to continue the fight against the brewery, and the women appear to be relying entirely upon prayer to defeat the project. The brewery is being backed by Scranton and Wilkes-Barre capitalists.

Died in the Hospital.
Mary, the fourteen-year-old daughter of Mr. and Mrs. Bernard McLaughlin, Ridge street, died in the Miners' hospital on Monday afternoon. The little one was taken to the hospital Sunday night and was undergoing an operation for appendicitis when death came. The funeral took place yesterday afternoon. Interment was made at St. Ann's cemetery. The funeral was attended by the pupils of the public schools and the children of St. Ann's Sunday school.

A large new engine is being placed in position at the silk mill.

COUNTY SEAT NOTES.

The book containing the verses and prose selections of the late Thomas P. Ryder, published by the Wilkes-Barre Press Club, is now in the hands of the bookbinder, and the first edition will be out next week. Mr. Ryder died in Chikamauga while acting as correspondent for the Wilkes-Barre Record.

The archdeaconry of the Protestant Episcopal Church in Pennsylvania is in session at Reading this week. Rev. J. P. Buxton, of Drifton, is attending the sessions.

Only His Horses Left.
From the Dallas Post.
Last Monday Morning Fred Ellsworth started to the valley with a load of hay. When in the neighborhood of Shavertown he noticed that his load was on fire. The flames could not be extinguished and in the course of a few minutes the whole load had gone up in smoke. The front wheels and tongue of the wagon were saved. These were placed on the side of the road and Fred drove his team back home. The loss will probably reach \$60 or \$70. How the fire occurred is unknown. It may have been that the wheels gathered some fire from a cigar stump or tobacco from a pipe that had been emptied in the road, and some are of the opinion that the friction of the brake on the wheel caused the mischief.
