## A NEW FIRE COMPANY.

### PERMISSION GIVEN BY COUNCIL TO ORGANIZE ANOTHER.

**Fourth Ward Citizens' Petition to Become Fire Fighters Is Granted—\$100 Appropriated to the Old Company. Other Business Transacted by Council.**

The borough council met Thursday evening in regular session for the month of May. A petition from citizens of the Fourth ward was read praying for the privilege of organizing a fire company. The petition was accepted and acted upon later. Council accepted the invitation of Maj. C. B. Coxo Post, No. 147, to participate in the Memorial Day parade.

A communication from the Holiness Christian Association asking the privilege of erecting a tent in the Public park to hold church services, from July 29 to 30, was granted.

A complaint from Niece McCole stating that water from the street runs into his cellar was referred to the street committee.

James Bohlin appeared before council and asked for an extension of the sewer to permit him to drain his property. The matter was referred to the sanitary committee to investigate.

The resignation of Alfred Marshman as a special policeman was read and accepted and the councilmen of the second ward were permitted to name his successor, which was done by Councilman Rudewick naming Benjamin Hontz, who was sworn in by the secretary.

The report of the chief of police was read and also the report of the burgess. The reports were referred to the police committee to report this evening. The salary of Daniel Miller and Charles Kulp, \$40 each, was ordered paid.

A list of owners of dogs in the borough, 220 in all, was read, being compiled by High Constable J. H. Shovlin. It was referred to the solicitor, council claiming that he had no authority to do the work.

The report of Treasurer DePiero was read and accepted, showing a balance on hand of \$3,729.44.

The opinion of Solicitor Strohm in regard to the pay of special policemen on March 17 was read. It stated that the borough was not liable for the fees.

Street Commissioner Dinn reported an expenditure of \$183.34 on the streets.

It was decided to pay the balance of \$325 due on the stone crusher.

The report of the park committee, recommending the erection of a pavilion, placing of seats and filling of the gutter on north side, was read. They were ordered to confer with solicitor and get prices on the work.

The report of the finance committee showed that at the end of the year council will most likely have obligations outstanding to the amount of \$1,000 on running expenses alone, not counting on park improvements, fire pump or other matters calling for an outlay of money.

The report of the fire and water committee was read and objections to the organization of another fire company were made. An appropriation of \$100 to the Citizens' Hose Company was recommended. It was signed by Messrs. Mulhearn and Schwabe. A minority report by Mr. Rute was read favoring the new company.

A ballot on giving the new company permission to organize was taken. The privilege was granted by a vote of 7 to 3.

The appropriation of \$100 was voted unanimously to the Citizens' Hose Company.

Councilman Keck, as secretary of the committee negotiating for the purchase of an electric pump, stated that he had submitted figures to the pump company, having obtained them from a mechanical engineer, in regard to how best to get the required number of revolutions on a motor to run the pump. Some members thought that \$1,200 would purchase pump and also a suitable building to house the same.

A discussion on the fire alarm system took place and the committee was instructed to inquire into the cost and confer with the solicitor with a view to issuing bonds.

A report from the light committee was read and was laid over until this evening, when a petition will likely be presented for the return of the light at the corner of Ridge and Front streets.

The following bills were ordered paid: Electric Light Company, street light, \$266.66; William Johnson, coal and hauling, \$3.50; C. D. Rorbach, supplies, \$1.05; Tower & Lyon, police equipment, \$28.40; Joseph Birkbeck, supplies, 65c; W. R. Flad, printing and publishing, \$70.80; Owen Fowler, publishing, \$61.20; Frank Hontz, supplies, 90c; John Shaffer, keys, 50c; George Filby, janitor and feeding, \$13.75; T. A. Buckley, one hearing, \$1.25; George Hartman, one arrest, \$1.50. The bills of Morris Ferry, labor, \$9, and James E. Griffiths, repairs and supplies, \$2.83, were laid over.

The Young Heroes defeated the South Hoberton club in a game of ball on Saturday by a score of 24 to 21.

## A Brick for His Teacher.

Miss Maria O'Day, a teacher in Wilkes-Barre public schools, was placed on trial on Friday charged by Mrs. Rosa O'Donnell with assaulting Patrick O'Donnell, her son, a pupil in Miss O'Day's room. The boy testified that Miss O'Day struck him twenty times with a pointer and knocked him down. He acknowledged in the cross-examination that he had taken a brick into the schoolroom the day before the whipping for the purpose of "soaking the teacher" with it. He was in the act of throwing the brick at the teacher when some one prevented him. The day of the beating he brought along three stones, with which to defend himself, as he termed it, but the teacher made him throw them into the stove.

Miss O'Day testified that the boy was bad, disobedient, very unruly and mischievous; that she found the stones in his desk; as well as the brick, and took them away from him; that she notified his mother about his actions, but no notice was taken of it; that she wanted the principal to chastise the boy, but he refused, as he was afraid the boy's mother would have him arrested; that she chastised the boy, but not any more severely than he deserved, not too much; that City Superintendent Coughlin commended her for her action, and that she is still a teacher in the city schools.

The verdict was not guilty and the costs were put on the prosecutor.

## Nanticoke Hotel Man Filmmanned.

August Eichum, a Nanticoke saloon-keeper, was filmmanned out of \$40 the other day by three swindlers, who played a very sharp game. Two men drove up to his place in a carriage, had a few glasses of beer, called for a deck of cards, began playing, flashed money and made Eichum believe they were game sports. Another man then drove up in a carriage, addressed the saloon-keeper familiarly as if he knew him well, said he was a collector for Stegmaier and called all hands to have a drink.

The two card players turned to dice and bet \$50 they could tell what spots would turn up. The fake collector pulled out \$10, saying it was all he had and induced Eichum to loan him \$40. One of the gamblers took all the money and both left and drove away in their buggy.

The fake collector made more fuss about losing his \$10 than did the saloon-keeper. He called the police and kicked about the matter until the others got a good start, when he jumped into his carriage and drove away in the same direction, under the pretense of following them to make an arrest. None of them has been seen since.

## Henry Convicted of Murder.

The jury in the case of William J. Henry, of Hazleton, on trial at Towanda since Wednesday morning for the murder of George Rutledge at Sayre, on the morning of January 13 last, on Saturday afternoon brought in a verdict of murder in the second degree. Motion was made for filling reasons to set aside the verdict and sentence will not be passed until this week.

Henry is 24 years old and during a portion of 1898 boarded in the Rutledge family. He and Mrs. Rutledge became infatuated with each other, and for a period of three months previous to the killing he was her companion. Rutledge protested against their actions, and was murdered by Henry at 5:30 o'clock in the morning. Hazleton members of the J. R. O. U. A. M. contributed liberally to the murderer's defense fund and sent Attorney Bigelow to assist in defending him.

Both men worked in the Lehigh Valley boiler shops at Sayre. Rutledge was 47 and the woman is 37 years old.

The lifeless body of Michael Koznik, of Edwardsville, was found hanging from a tree within thirty feet of his home Friday night. His neck had been broken. The tragedy occurred on Main street. The body was discovered by the wife of the victim and the frenzied woman cut the rope and allowed the body to fall to the ground.

The Wyoming Classis of the Eastern Synod of the Reformed Church in the United States will conclude its sessions at Hazleton today. Among the delegates elected to the synod at Lancaster next October were Rev. J. B. Kerschner and S. F. Wenner. The next meeting of the classis will be held at Daaville.

The Freeland correspondent of the Plain Speaker this morning says: "The friends of William Ripple and Miss Mary Kuntz will be agreeably surprised to learn that they were married a year ago. The matter was kept secret until Saturday, when their marriage was made known to the public."

Owing to an error in the previous order of court appointing mine foremen examiners, the following have been re-appointed on the board of this district: James Roderick, Robert Monroe and Patrick Kelly.

Manns Conahan, Sr., is idle on account of a severe cut on the knuckles which he received in the mines last week.

## COUNTY SEAT NOTES.

The courthouse plans were given another airing before the court committee on Friday. The cost of the proposed new building was inquired into. A number of architects, contractors and experts throughout the county submitted opinions, and with the exception of Osterling, the favorite, and two other Pittsburg men, all were decided in their belief that the building cannot be erected according to Osterling's plans for the sum appropriated. Another hearing will be held on Wednesday.

The question of dividing the diocese of the Protestant Episcopal Church of Central Pennsylvania will be discussed at the annual convention in Wilkes-Barre next week. Two years ago the question of the division was considered but a canvass made at that time disclosed the fact that but about one-fourth of the parishes were willing to consider the matter. However, the sentiment for a division is much stronger now.

Judge Lynch has appointed Hon. D. L. Rhone, Hon. George Stegmaier, District Attorney T. R. Martin and ex-District Attorney John McGahren as his delegates from the First district to the Democratic state convention. The judge will be a candidate for the nomination as justice of the supreme court.

Catherine McCloskey, the guardian of James and Frank Rogers, of Wilkes-Barre, has brought action against the Delaware and Hudson Company for \$10,000 damages for the death of Edward Rogers, who was killed by a train near Pittston a few months ago.

Edward A. Morgan, the well known druggist and ex-county auditor, died at his home in Wilkes-Barre Thursday morning from the effects of an attack of pneumonia. Mr. Morgan was about 33 years of age and is survived by his wife and three children.

General Superintendent Walter Gaston, of the Hazard Wire Rope Manufacturing Company, has tendered his resignation, to accept a similar position with a steel company of New York city. The new position carries with it a large salary.

John Slovinski, a Plymouth saloon-keeper, charged with selling on Sunday, was convicted on Friday. Judge Halsey on Saturday sentenced him to three months in jail, pay a fine of \$250 and the costs of the case.

County Commissioner John Guiney has given notice that as soon as his term expires he will retire from political life, which he says is not to his liking. He has a good business and will devote his attention to it.

Big preparations are being made by the camps of the P. O. S. of A. in the Wyoming valley for the state convention of the order, which will be held at Wilkes-Barre in August.

## MINES AND RAILROADS.

The coal that was left in breasts in Tomhicken mines at the abatement of work about four years ago will shortly be removed and taken to Derringer, where arrangements have been made to run the coal through the breaker. The coal will be conveyed to Derringer by the D. S. & S.

Orders have been placed by the Lehigh Valley Company for 2,000 gondolas, 1,000 of sixty tons capacity and 1,000 of eighty tons, 1,000 to be built of steel and 1,000 of wood. By the 1st of July all "jimmies" are to be off the road.

The Lehigh Valley will remove its machine shops to Weatherly. This will close the machine shops at Hazleton and Delano, and increase Weatherly's population considerably, as 380 skilled mechanics are employed.

The Easton Express says that eighteen extra brakemen employed by the Lehigh Valley Railroad in that vicinity have given up their positions in the last two weeks because of not being given sufficient time to make a living.

It is authoritatively stated in Philadelphia that the anthracite trust has fixed upon 9,000,000 tons as the production for the three months period covering May, June and July.

The Reading Railway Company is discharging employees all along its line against whom it obtains proof that they indulge in intoxicating drinks while on duty.

## Slavonian Orphanage Land.

Michael Zemany, who is the owner of a large tract of land in Butler township, above the Honeyhole, has had a number of surveyors at work during the past week surveying the same. The party completed their labors on Friday, and on Saturday Mr. Zemany and wife executed a deed for 100 acres of land to the trustees of the Slavonian Evangelical Society of the United States, for the purpose of erecting thereon an orphanage.

At a convention of the society held at Wilkes-Barre, in June, 1897, the question of erecting such an institution was taken up and a tax was levied upon all its members throughout the United States. A committee was selected to locate a site. Mr. Zemany, who is treasurer of the organization, at that time made a proposition to donate 100 acres, and it was accepted. The land is in a fine locality, within easy access to a public road and is traversed by three good streams of pure water.

The societies have now nearly \$3,000 collected for the orphanage and will begin the erection of the building in a short time. The cleaning of the ground will take place next fall.

The land is known as the Burger tract and comprises 365 1/2 acres. The society may obtain possession of the whole tract in due time.

Rev. Karl Houser, of Freeland; Mike Matty, of Wilkes-Barre, and Vendelin Klein, of Bridgeport, Conn., are the trustees. They will now be prepared to present to the national convention, which meets in Wilkes-Barre on June 6, a clear deed for the 100 acres, as the same was signed and acknowledged by Mr. Zemany on Saturday.

## Great Ball Playing at Villanova.

In the greatest and most brilliant game of base ball ever witnessed on Villanova field, Cornell university team went down before Villanova's star aggregation on Friday. The Cornell men played great ball, but Villanova played even better. Villanova began the scoring in the first inning, as also did Cornell. Brilliant playing characterized every inning, and the rosters of Villanova yelled themselves hoarse. The score at the end was 11 to 1.

Captain McFadden was a great hero, and his magnificent pitching was the principal feature of the day. McFadden had the Cornell batsmen at his mercy and only five hits were made off his delivery. In the seventh McFadden drove the ball for a home run, one of the longest hits ever made on the field. The other local players, Boner and Broderick, also did wonderful playing.

## Lower End Jurors.

The following citizens of the lower end have been drawn to serve as jurors: June 5.—George Fear, A. P. McNulty, Foster; William McGinty, Hazle; Andrew Fritzing, Solomon Santee, Butler.

June 12.—Gilbert Smith, Freeland; George Ripple, Roger O'Donnell, Neil Gallagher, Foster; Thomas Nesbitt, Hazle.

June 26.—Solomon Tranter, Edward Haulon, Albert Goepfert, Freeland; C. C. Collins, Harvey Hoffman, John J. McGill, Patrick McGuire, J. P. McDonald, Jos. P. Sweeney, Foster; Peter J. McMonigle, Jeddo; Charles Brighthaupt, Butler.

## Temperance Convention.

The annual convention of the Catholic Total Abstinence Union of Scranton diocese will be held at Hazleton on the 17th, 18th and 19th of this month. The union has upwards of 150 societies and a membership of about 7,000. A number of questions of importance to the societies and members will come before the convention to be acted upon.

President Con J. Johnson and Patrick Collins were chosen yesterday to represent the Young Men's Corps in the convention. They have been instructed to secure the next general parade, to be held on Father Mathew Day, October 10, for Freeland.

## Pittston Workings Caving In.

At 3 o'clock Friday morning a loud rumbling noise was heard in the vicinity of the old workings of the Newton Coal Company, in Upper Pittston. Houses shook as though disturbed by an earthquake. The earth over the old workings of the mine had caved in. An alarm was given, and the people living near spent the rest of the morning in the streets. About an acre in a thickly settled area is affected. The bottoms of wells dropped out and there are great fissures in gardens which had just been planted.

## Failed to Use Revenue Stamp.

William Marazas, of Minersville, had a hearing before United States Commissioner C. H. Wolsten at Pottsville on Saturday evening on the charge of making a lease without putting a government stamp on it. Marazas pleaded not guilty. He was bound over in the sum of \$300 for his appearance at the United States district court at Philadelphia to answer the charge preferred against him.

William Distelhurst died on Thursday at his home in Conyngham at the age of 87 years.
