Sweddish irde fills her pockets bread, which she dispenses to rone she meets on her way to the constant of the property of

A man isn't likely to enjoy hearing also wife talk with a woman who remembers him when he was a boy.

When a man shows a woman the inmost corner of his heart, she pokes around it and says: "Is this all!"

Some men don't discover that they are fond of their wives till their wives take got through being fond of them. Women seem to have an idea that because they haven't got a Greek face they have to frizz their hair all up with a hot iron.

Life is a sad riddle. There is, at st, only one way out—to give it up. A hog may act the part of a man thout knowing it. A man can never t the part of a hog without knowing

HAND IN HAND. 7:3

Before our pathways met, dear, True joy we did not know; Now we have no regret, dear, As hand in hand we go.

As hand in hand we go.

---Washington Star.

### THE VICTOR'S SPOILS

all the world to her, Helena-like, she lacked not words of company. The lacked not word to word the lack land almost lack labed the overflow of her affection for Lansing's was a cynle who observed his kind and told the result of his observations. Such are deservedly unpopular, but command appreciative audience that are the envy of the good hearted. It was to an audience of the some afternoon when the band had stopped playing and the invading hosfs from the town had scattered and left the post to its rightful owners. "Dorothy Terrence," he began, laying his saber across his knees and settling back to the temporary repose which alone can lit to the lot of the officer of the day. "Dorothy Terrence came up the walk. She had Lancaster wis how was looking happy. Miss Leeds—the bankers daughter, you know—came down the walk. She bestowed a sweet and transitory smill upon Miss Terrence, but Lancaster is not the best-looking fellow in the Presidio for nothing. If any of you happen to share my good fortune of knowing her, you will understand what, in the nature of things and of men, happened when she turned her eyes upon to share my good fortune of knowing her, you will understand what, in the nature of things and of men, happened when she turned her eyes upon to share my good fortune of knowing her, you will understand what, in the nature of things and of men, happened when she turned her eyes upon to share my good fortune of knowing her, you will understand what, in the nature of things and of men, have not been suited of the heavenly choir, and she brought it into play lat him and to the late of the development of the provided him that she must be going, but would be standing there still with Dorothy Involved the standing there still with Dorothy Involved was considered almost laced and the with a quizzed soil section of the provider of the pr

going to the hop to see things haster stood at the door of the igsroom and watched Miss Leeds he waited for Dorothy. He saw row back her gorgeous clonk and from her with the careless disfa celestial creature discarding emporary earthly garment. That on a chair and crushed other less id wrappings beneath it was a which escaped him. He watched is the budding feminine mass way for her at the mirror, and sod unchallenged, leisurely toucher glimmering brown hair and g a great white rose upon her er.

hig a great white rose upon her der, othy waited at his side for fully ninutes before he saw her. Then laughed mockingly up into his and wished that her laughter have been a blow. soon as he could leave her he running and sliding across the to where Miss Leeds stood at bay e a besleging group. She was di against the wall, and a sunof sables was just above her

sumption, are you? I have had men do a great number of things for me, but never quite that."

"I am not contemplating doing any of those. I may be a good deal of a fool, but not enough for a woman who cares nothing for me."

"Yet that has been done," she suggested.

"What I meant was—and what I intended to tell you when I asked you to come to-day was—that I am going to the war."

"That was to have been expected, of "That was to have been expected, of course. Is your regiment ordered?"

"Not yet. I am especially favored." When do you leave?"

"The day after to-morrow. And now I am going to ask you to promise me something."

They had refined in their horses by the dynamite guns and sat looking out over the whitecapped blue sea.

"So that It is something that I can promise."

"Not that. I shall leave that until I come back—if I do come back. If I am killed."—She gave a little shudder. He saw that she did and repented, "If I am killed."—She gave a little shudder. He saw that she did and repented, "If I am killed."—I shall leave orders that my most treasured possession shall be sent to you."

"Do you mean this mare?"

"I mean the mare. It would make me as happy as it would seem I meant to be to know that if I die you will have her and will ride her and be kind to her, for you are fond of her too."

Miss Leeds knit her brows and considered. "And if I should not?" she
