The United States turns out annually 185,000 pounds of plug tobacco, 12,000,000 pounds of fine cut, 14,000,000 pounds of snuff, 4,000,000 cigars and 5,000,000,000 cigarettes.

Milkweed, commonly believed to be poisonous, is used as food in some parts of the Tyrol.

man." Mrs. Serimp's Gardening. Old Friend—"Did you have much of a garden this year?" Mrs. Serimp (of Serimpville)—"No, it didn't amount to much. In che spring I gave a grand garden digging tourna-ment, the young men who dug the most to have the pick of the girls for the evening, and it worked very well, but it cost me 'most two dollars for re-freshments. Then I had a planting bee, and that wasn't so expensive, only the planting wasn't half done. Later on I tried to get up a weeding festival, but somehow the young folks sort o' host interest, and I gave up gardening in disgust."

## A Letter to Mrs. Pinkham Brought Health to Mrs. Archambo.

Health to Mrs. Archambo. LETTRE TO MRS. PINEHAM NO. 45.353] "DEAR MRS. PINEHAM NO. 45.353] that some days I could hardly go around the house. Backache and head-ache all the time and my food would not digest and had such pains in the womb and troubled with leucorrhosa and kidneys were affected. "After birth of each child I grew weaker, and hearing so much of the good you had done, I wrote to you and have taken six bottles of Lydia E. Pinkham's Vegetable Compound, one box of Lozenges, one box of Liver Pills, one package of Sanative Wash, and to day I am feeling as well as I ever did. When I get up in the morning I feel as fresh as I did when a girl and eat and sleep well and do all of my work. If ever I feel weak again shall know yourmedicine cured me."—MRS. SALINA ARCHAMBO, CLARLEWORT, MASS.

The present Mrs. Pinkham's experi-The present Mrs. Finkham's experi-er o in treating female ills is unparal-leled; for years she worked side by side with Mrs. Lydia E. Finkham, and for sometime past has had sole charge of the correspondence department of her great business, treating by letter as many as a hundred thousand ailing women a year. All women who suffer are invited to write to Mrs. Finkham at Lynn, Mass., for advice, which will be promptly given without charge.

> ments, but when we see an article advertised month after month and year after year, we know that it must be a good thing.

> will find that the claims for it are moderate.

A Rainy Day. It is not until we take the rainfall in the built that we can realize what a stupendous quantity of water showers down in Great Britain and Ireland in one year, and even when we have the figures before us it is difficult to realize their magnitude. To say, for instance, that 9,282,370,000,000 cubic feet of rain on an average fell annually in the same amounts to 258. 126,550,000 tons, except for a feeling of thankfulness that it did not fall oo our toes all at once, we are only con-rion of making these latter figures look mail we will merely say that the tota-weight of the rain that falls no rain we will merely say that the tota-mail we will merely say that the tota-mail we lith are for the weight of on-platry aquare mile of the earth for the are to the surface to the center of fac, from the surface to the center the trace.
