Mrs. Patrick Shovlin and family have removed from Sugar Notch to Washington street.

Miss Mary McGill, of Wilkes-Barre, spent yesterday with Freeland friends.

State Council Is Suspended.  
The state convention of the Junior Order of United American Mechanics came to a sensational end shortly before noon on Thursday. The national organization has revoked the state charter, after preferring charges of insubordination. Deputy National Councillor Robert Ogle, of Baltimore, put an end to the wrangle which had been going on between the two factions for two days, and divested the state organization of all power to do business. There had been a lively war waged among the delegates over the national per capita tax, and the climax was reached as above stated.

The state council is an incorporated body and can operate under the title of the Junior Order United American Mechanics without consulting the national council, and as the Pennsylvania membership comprises nearly two-thirds of the whole national body it is a question in their minds whether it is not advisable to remain independent.

Death of a Young Lady.  
At an early hour Friday morning Miss Bella O'Donnell died at the home of her mother, Mrs. John O'Donnell, on South Ridge street. The deceased had been ill but a few days and her death came as a surprise to her many friends in the community. She was aged 23 years and was highly esteemed by all her acquaintances. Besides her mother she is survived by two brothers, Edward and Thomas; a sister, Miss Maggie, and a step-brother and step-sister, H. A. Shovlin, Esq., of town, and Mrs. Daniel McGinness, of Kingston.

The funeral took place this morning, in charge of the Daughters of Mary Sodality, of which Miss O'Donnell was an active member. A requiem mass was read at St. Ann's church and the remains were interred in the cemetery adjoining.

Stockholders Now Have Hope.  
Hon. Josiah Adams, the Republican candidate for superior court judge, has been ousted from the position of receiver of the National Building and Loan Association, of New York city, by the Federal court. It was claimed that Adams' appointment was secured by collusion with the men who had wrecked the company and some of the Pennsylvania stockholders went to the United States court and Mr. Adams was removed. This is welcome news to the people of this vicinity whose money is tied up in the association.

Taking Care of the Young Men.  
The Upper Lehigh Coal Company has given the Upper Lehigh Social Club the use of a vacant dwelling house for club purposes. The organization was recently formed by the young men of the town and they propose to furnish the dwelling at once.

A committee of Ebervale young men was granted the same privilege by Superintendent W. H. Smith, Jr., of G. B. Markle & Co., last week. The Ebervale boys will also begin the work of furnishing their home without delay.

Organized Ladies' Auxiliary.  
Division No. 13, of the Ladies' Auxiliary to the Ancient Order of Hibernians of Luzerne county, was organized here yesterday by the county president of the organization, Miss Bessie Gearhart, of Wilkes-Barre. Miss Bid O'Donnell, of Coxie addition, was chosen president. The society starts out with a fair-sized membership and the promoters expect to increase it rapidly.

## MINES AND RAILROADS.

Sheriff Harvey is on guard at the Stevens colliery, Pittston, where the shooting occurred three weeks ago, and he has thirty deputies armed with revolvers and Winchester to aid him. The strikers have been threatening to make trouble of late, and the officials sent for the sheriff. The strikers, however, made no move to interfere with the work. The sheriff has had riot notices posted at the mine.

The Lehigh and Wilkes-Barre Company shut down the Lance colliery, at Plymouth, Friday, because the Dodson mine, adjoining, is being flooded to quench the fire which has been raging there and the officials fear the danger of the water breaking through into the Lance workings.

Firarms have been stored in the offices of the Susquehanna Coal Company at Nanticoke. The strikers there have been exceptionally orderly and quiet, and the action of the company in this respect is condemned by the people of that locality.

The Lehigh Valley road has closed a contract with the American Car and Foundry Company for 200 box cars and the Pennsylvania road for 1,000 forty-ton cars.

The strike of the miners at Morea was settled on Saturday by the employers granting the demands of the men. Work was resumed this morning.

It is said that G. B. Markle & Co. on Saturday paid out over \$55,000 to their Jeddo, Highland and Ebervale employes for work done in August.

In coal circles it is believed that the anthracite companies will add another 25 cents a ton to the cost of coal on October 1.

Firemen Elect Officers.  
At the annual meeting of the Citizens' Hose Company on Thursday evening the following officers were chosen for the ensuing year:

President—John J. Welsh.  
Vice president—George H. Hartman.  
Secretary—J. D. Myers.  
Treasurer—James M. Gallagher.  
Foreman of hose—Patrick Welsh.  
Assistant—Daniel McGarvey.  
Foreman of hook and ladder—Frank McBrearty.  
Assistant—Henry Luhman.  
Directors—John M. Powell, Hugh Donnon, Roger McNellis.

The name of James P. McNellis was selected to present to council as the company's choice for chief of the department.

President Welsh named the following standing committees:

Finance—Richard Scott, W. J. Slatery, Francis Mooney.  
Relief—Thomas A. Buckley, W. J. Morgan, George H. Hartman, Manus D. McLaughlin.

The Case of Clarence Bates.  
The case of Clarence Bates, who was charged with manslaughter, came before Judge Lynch on Friday. He was charged with shooting and killing a young boy named Lewis during a pigeon shoot at the county seat a few weeks ago. After the jury was called Assistant District Attorney M. J. Mulhall stated to the court that the prisoner was indicted for manslaughter which, in contemplation of law, means voluntary manslaughter, a felonious killing without malice, but that the facts of the case ascertained would raise the offense no higher than involuntary manslaughter, which is a misdemeanor. He, therefore, was satisfied that a verdict of not guilty would be rendered. This was done.

Mr. Bates then was rearrested on a warrant issued by Mayor Nichols on a charge of involuntary manslaughter. He was at once given a hearing before the mayor and held in \$300 bail for his appearance at court.

Two Murderers Convicted.  
Frank Newhart was on Thursday found guilty at Wilkes-Barre of murder in the second degree for the killing of his wife at Edwardsville. After testifying in a manner directly contrary to the line of the defense expressed in his lawyer's speech, it was thought there was no chance of a second degree verdict. The jury had a doubt, however, and after staying out all night and taking three ballots they agreed on a second degree verdict ten minutes before court opened.

The jury in the case of Charles Vargerson, on trial for murder, after being out for twenty-three hours, returned Friday afternoon with a verdict of voluntary manslaughter.

Greek Cross Dedicated.  
At the Greek Catholic church on the Hill a beautiful large cross was dedicated yesterday with imposing ceremonies. The cross is fully twenty feet in height and from its location shows up well. Previous to the dedication a street parade in honor of the event was held, in which societies of Freeland, Eckley, Hazleton and South Side towns participated. Music was furnished by the Citizens' band, Freeland; Junior band, Eckley, and Slavonian band; Hazleton. Over 1,000 men were in line.

## READ HIS FIRST MASS.

REV. DANIEL HERRON OFFICIATED AT ST. ANN'S YESTERDAY.

Was Ordained to the Priesthood in Philadelphia Cathedral on Saturday Morning—Will Remain at His Home Here for a Few Days.

High mass was celebrated at St. Ann's Catholic church yesterday morning at 10:30 o'clock by Rev. Daniel Herron, O. S. A., who was ordained on Saturday at the Philadelphia cathedral by Archbishop Ryan. This was the young priest's first mass and the large church was crowded with friends of the young man and his family.

Father Herron, as celebrant, was assisted by the following: Rev. B. J. O'Donnell, O. S. A., of Bryn Mawr, as deacon; Francis O'Donnell, of Drifton, as sub-deacon, and Rev. M. J. Fallhee, of St. Ann's church, as master of ceremonies.

At the conclusion of the mass the congregation received Father Herron's blessing. Previous to this an appropriate sermon was preached by Rev. Fallhee, in which the duties of a priest were ably pointed out.

Rev. Herron is the second of the many young men of town who are studying for the priesthood to attain the goal, and his success is a source of much satisfaction to his friends here. As indicated by his title, he is a member of the Order of Augustines, having pursued all his studies at the college of the order at Villanova.

For a few days he will remain with his parents, Mr. and Mrs. John Herron, on Front street. He will later be assigned to one of the churches in charge of the order.

Death of Mrs. Anna E. Kline.  
Mrs. Anna Eva Kline died on Saturday at 1:30 p. m. at her residence in South Heberton at the age of 74 years, 3 months and 20 days. Death was due to general debility. The deceased was in good health until a week ago, when her health began failing and she sank rapidly. She was the widow of the late Frederick Kline, who died about seven years ago, and was among the earliest residents of this vicinity, having resided at Jeddo some years before coming to Freeland. She was a native of Germany, and came to America on September 1, 1850. Mrs. Kline is survived by four sons, William D., president of Freeland school board; Daniel, president of Freeland borough council; Fred P., of Wilburton, Columbia county, and Samuel, of Michigan. She was a woman who was respected by her neighbors and acquaintances.

The funeral will take place Wednesday afternoon at 2 o'clock. Services will be held at the residence by Rev. J. B. Kerschner and Rev. J. J. Kuntz. The interment will be made in Freeland cemetery, beside the remains of her husband.

Miners Burned by Gas.  
Evan Phillips, Neal McNellis, of Lansford, and Richard Hogan and Francis Friscola were seriously burned in the mines at Tamaqua on Friday by the explosion of gas. Friscola is the most seriously hurt, he being burned from head to foot. The explosion was caused by a miner trying to blow out his lamp instead of smothering the light.

On a Scale of Grandeur.  
A presentation of unusual magnitude is promised on Wednesday evening, when Lewis Morrison's "Faust" makes its appearance here. We are assured that the scenic investiture is entirely new and the electric embellishments more startling and surprising than ever. The costumes will be on a scale of grandeur seldom heretofore witnessed and the company presenting this masterpiece is this season exceptionally strong.

Last Grand Excursion to Niagara Falls.  
The Lehigh Valley Railroad announces the last grand excursion of the season to Niagara Falls at \$5. Tickets will be sold from Freeland on October 7, good going on all trains on that date except the Black Diamond express, limited for return to and including October 9.

Consult Lehigh Valley ticket agents for further particulars.

"Better Than a Sermon."  
The new "Brocken" scene, that has been prepared for the farewell tour of Lewis Morrison's "Faust" this season, is pronounced to be the most weirdly beautiful ever placed upon the stage and not alone a masterpiece of the stage mechanic's skill, but a revelation also in the art of electrical effects. Never have there been unfolded such intricate and amazing surprises in electrical forces as are displayed in this scene. Owls hoot and flap their wings, vampire bats fit by in hideous silence, huge green slimy snakes float through space, monster dragons appear emitting fire from their dilated nostrils, myriads of scintillating fire-flies illuminate the chasm, satyrs sit in stoical silence, sirens sing seductive ditties and goblins gyrate in demoniacal revelry.

Mephisto in satanic majesty views with ghoulish glee this labyrinth of weirdness and from the summit of the "Brocken" huris thunderbolts at the poor mortals who have been banished to everlasting torment. This scene ends with the most novel and imposing pyrotechnic display ever presented on any stage.
