LACK AESTHETIC TASTE.

Filipinos Imitate the Europeans With Ludicrous Results.

Of all the races peopling this mundane sphere not one has such an extraordinary spirit of imitation as that which inhabits the Philippine islands.

Anyone who has observed the Filipinos will have noticed that they have no ideas at all in regard to the proper combination of colors in their wearing apparel, as, in spite of their dusky complexions they select in their clothing the colors which are least suitable to them.

The reason why these people cut this ridiculous figure is that they see these bright colors on European women, and, without thinking of the effect which on account of their different complexion such hues are liable to produce, readily adopt them.

No sooner does a new fashion arrive from Paris, Vienna or Berlin in shoes, trousers, hats, shirts or neckwear, no matter how extravagant, than the Indian and the half-breed immediately adopt it.

The American troops had been in Manila only a few days with their brown suits before the stores on the Escolta were besieged by natives and half-breeds buying all the brown cloth obtainable, wool, cotton or silk, and in a few days they were all arrayed in suits of the same color as those worn by the army of occupation.

I believe that the Americans will have but little trouble in introducing here their usages, customs and language, as to that end the spirit of imitation which predominates in the native race will be a powerful factor.

Americans and Cubans.

It is difficult for the average American to understand fully the nature of the irritation caused by our military occupation, says The North American Review.

The officers of our army, generally speaking, in their dealings with the islanders, have adopted, as far as practicable, the Castilian form of courtesy; but this cannot be said for the men.

Accused of Wife-Beating. An edict has been issued by the Right Rev. Bishop Huntington suspending the Rev. R. Eugene Griggs, an Episcopal minister of Binghamton, N. Y., pending the investigation by an ecclesiastical court into charges of wife-beating and desertion made by Mrs. Griggs.

While Chaplain J. W. Comfort, of the Indiana Reformatory at Terre Haute, Ind., was appealing for sympathy and better reform measures for criminals who are exposed to the annoyance.

STAGES OF STARVATION.

Diary of a Young Woman Who Recently Died in New York.

These are extracts taken from the diary kept by Evelyn Adams, reader and vocalist, during her struggle to live in New York.

"There's a basket of fruit for you," etc. Good God, and not a sou in my pocket and they are worth a million.

"I have sent them a telegram. They will hardly send a favorable answer. Yet what a grand story it is."

"He doesn't like my writing; says I scrawl all over the paper. But I don't suppose he knows all authors do that."

"I don't know what they (the publishers) are waiting for unless it is to get my shroud to make into rag paper to print the book on."

PASSING OF A "TERROR"

An Episode of the Kansas Border in Cowboy Days.

A COMMON AMUSEMENT.

When a Texan Demands an Apology It Must Come in Blood—Some Reckless Shooting—How a Rollicking Rough Rider Became Gloomy and Prematurely Old.

Among the cowboys who were familiarly known in all Kansas border towns from Hunnewell west, fifteen or twenty years ago, were Johnnie Potts and Ben Franklin, riders on the "T 5" range, which stretched from the Eagle Chief to the Cimarron River.

"The Filipinos are not military by nature. They are rather domestic in taste and habits, peace loving and industrious. Nine-tenths of the people on the island will strongly favor peace."

An Interview With the Late General Lawton in Which He Says They Are Fine Soldiers.

In a recent number of The Congressionalist, of Boston, the Rev. Peter MacQueen, who has been in the Philippines for the past year in service with the army, quotes Major General Henry W. Lawton as saying:
