Poor Directors Organize.

The poor directors of the Middle Coal Field Poor District met at Laurytown Monday and organized for the ensuing year. There was considerable rivalry for the secretaryship. Every director had a friend to whom he wished to give the place. Wilson Campbell, the newly elected member of this district, supported John Tosch, of Mauch Chunk, and succeeded in landing his man and had him elected secretary. The secretaryship pays about \$300 a year. The following officers were elected:

President—S. W. Gangwere.
Secretary—John C. Tosch.
Stewart—George T. Wells.
Matron—Mrs. Ida T. Wells.
Nurse—Miss Mary Moulder.

Boy Financier Is Caught.

Thomas J. Stewart, the Easton boy who is alleged to have taken \$1.713 from the First National bank of Easton on March 17, and who left with a young companion, has been caught at Denver, Col., by the police of that city. When captured the bank clerk had \$1.15s in his possession. Stewart was a clerk in the bank, and had been sent out to settle accounts with the Northampton National bank. The balance due the First National was paid in cash to the clerk, who then reported to his bank that the Northampton would settle on Monday, the 19th.

Saying he was sick, Stewart was given permission to go home. Half an hour later he and Clements boarded a train and left for the West. The theft was not discovered until the following Monday evening.
