MAY UMPIRE HERE.

Champion Jeffries Will Probably Precede at a Ball Game on June 3.

James J. Jeffries, champion pugilist of the world, is making a successful umpire of ball games, his decisions and judgment being accepted without objections from the players. He has umpired several games in the state this month, and the Tigers Athletic Club, always on the lookout for the latest popular novelty, is arranging to bring him here and umpire a game between the Allentown Athletic league club and the Tigers at the Tigers park on June 3. The arrangements are not yet completed, nor is it certain the game will be played, but the negotiations thus far entered upon are satisfactory to the interested parties and the closing of the contracts is expected to take place in a day or two.
Should this game prove that interest in the national sport is still taken by the people of town, several games will be arranged between the 'Tigers and Atlantic league clubs and Freeland will again take its place as the leading baseball town in the coal fields.

Death of Mary Mulhearn.

Mary Mulhearn, whose illness was noted in Thursday's issue, died at 9 o'clock Friday morning at the home of her parents, Mr. and Mrs. Thomas Mulhearn, South Washington street. Death was due to pneumonia, which attacked her the Sunday previous to her death. The young lady's end came so suddenly that it shocked her friends and acquaintances, of whom she had many. She was aged 16 years and was a remarkably bright young girl. She was a member of St. Ann's church choir, St. Cecilia's Mandolin Club and the Daughters of Mary Sodality.

The funeral took place at 9 o'clock this morning. A requiem mass was read over the remains at St. Ann's church, after which the internment was made in the adjoining cemetery.

Killed by Peculiar Accident.

William Hoffman, aged 27 years, of White Haven, met death near Bethlehem in a peculiar manner on Saturday. With Douglas Rute, of town, he was riding on a coal train and passed a point where men were blasting stumps of trees with dynamite. A blast was fired while the train was passing and the force of the explosion was so great that one of the stumps was raised high in the air and fell on Hoffman. His skull was fractured and he died a short while later in St. Luke's hospital, Bethlehem.

Rute escaped uninjured and arrived home late Saturday night.

Picnic on Wednesday.

The first picnic of the season will be held at the Public park on Memorial Day, Wednesday next. As in former years, it will be conducted by the Tigers Athletic Club. The members have arranged a number of amusements for the afternoon and evening, in addition to dancing, and no more suitable place can be found than the park to spend a few hours. The dance music will be furnished by DePioro's complete orchestra. During the evening half a dozen large arc electric lights will make the park as bright as day.

Base Ball Scores.

At the Tigers park yesterday two local clubs, the Good Wills and the Crescents, played a game of heavy hitting. The Good Wills won by a score of 29 to 15.

Drifton and Jeddo clubs crossed bats yesterday on the latter club's grounds. The game was well played and ended in a victory for Drifton, 16 to 8.

Street Commissioner John G. Davis and Nolea McCole, of Walnut street, had an altercation on the streets Saturday afternoon. Later Mr. Davis was arrested, charged with assault and battery. He waived a hearing and furnished bail before Squire Buckley to appear at court.

The opera-goers of town who remember the talented young actor and basso singer, C. Edward Dieken, who appeared here with Vogel & Deming's Minstrels last January, will be sorry to hear of his sudden death while acting with the minstrel show on the 18th inst. in Michigan.

Mrs. Boyle, of Lansford, has been granted a pension of \$12 per month for her son, James, the Rough Rider, who was killed in the battle of San Juan, Cuba, on July 2, 1898. Back pay amounting to \$211 was allowed.

Andrew Zeman has been appointed census interpreter for the Fourth legislative district. Mr. Zeman speaks several languages and will be of much assistance to the enumerators of districts where foreigners reside.

Charles Fox, of Hazleton, a tight-rope walker of considerable reputation, will give an exhibition of his ability to perform startling feats in mid-air on Wednesday. The exhibition will take place on Centre street.

Contractor Frederick this morning increased the number of bricklayers employed on the borough building, and the walls are expected to go upward rapidly hereafter.

Sandy Run Thief Captured.

John Williams, of Sandy Run, was arrested at McAdoo on Saturday by Constable Mollick on the charge of robbing a boarding house at Sandy Run. It is claimed he took \$87 that was not his own and decamped. Of the stolen money \$77 was owned by Babolis Sallinski, a boarder, and \$10 by Andrew Hudok, the boarding boss. Williams was traced on Thursday to Hazleton, where it was reported he purchased a ticket for Deuver.

Later it was learned that he was sporting himself on the South Side and Officer Mollick was sent after him, capturing his man at McAdoo. At a hearing before Squire Buckley he acknowledged having taken \$75. In default of \$300 bail Williams was taken this morning to the county jail. When arrested he had \$47 in his clothes.

Seven Men Guilty of Murder.

Murder in the second degree was the verdict reached on Saturday by the jury in the case of seven Lithuanians who were on trial charged with the murder of Joseph Rutkowski, of William Penn, Schuylkill county, last September. The case was closed after a spirited legal battle. The jury was out all night.

Rutkowski was murdered, it was alleged, as the result of a conspiracy of a secret society with which all the defendants were identified, while their victim was a member of a rival secret organization.

Rollas Bubnis has been convicted of the crime. The seven defendants in this case are held as accessories. At a trial last November all were convicted of murder in the first degree, but were given a new trial.

Up Against the Brewers' Trust.

The United Mine Workers of America have interested themselves in the attempt of the National Association of Brewery Workers to unionize the breweries that are in the trust known as the Pennsylvania Central Brewing Company. Instructions have been sent to every local union in Luzerne, Lackawanna and Schuylkill counties not to patronize the product of the Pennsylvania Central Brewing Company until union men are employed and union wages are paid by the trust. The boycott is a beginning of a struggle to bring about the granting of the above demand. It that doesn't prove effective other means will be employed to accomplish the purpose of the employees.

Will Charge Excess Fare.

Owing to the necessarily limited capacity of its Black Diamond express and its desire to comfortably accommodate all its passengers, the Lehigh Valley officials have determined to charge an extra fare upon this train. This addition, which will go into effect today, varies from 15 to 50 cents between different points. The Black Diamond is becoming daily more and more popular among the patrons of the Lehigh Valley, and its capacity has of late been sorely taxed. Its popularity is due largely to the magnificent and comfortable equipment of the train, which is always kept up to the very latest standards of excellence.—Phila. Record.

Decoration Day at Niagara Falls.

One fare for the round trip via the Lehigh Valley Railroad. Tickets will be sold from all stations, New York city to L. & B. Junction, inclusive, including branch line points, May 29, limited for return passage to May 31, inclusive, and will be good on any train, except the Black Diamond express.

For additional information consult Lehigh Valley ticket agents.

From beginning to end Pawnee Bill's performance is a genuine exposition of western life, which was highly enjoyed by the immense crowd which attended.—Star, Washington, D. C.
