# Don't Give up the Ship.

When the demon of disease has persued you to the very brink of despair, don't give up the ship. When the long, sleepless nights of restless torture and the days of worry and care and pain have shut out the last ray of hope and your tired brain would welcome death as a grateful deliverer, don't give up. Others have fuffered as long as you and still have sound relief. Mrx lives Lessey, South Whitley, Indham, writes:

"I used to have numit spells that would last for hours; had pains all over mybody; had no appetite and my headpained me so that I thought I would lose my mind. After suffering this way for years my health was finally restored with a few bottles of the Dr. Miles' Restorative Nervine."
