Christin Endeavorers.

London, July 10.—The original programme of the World's Christian Endeavor convention for yesterday was seriously interfered with by the delay in the arrival of the 600 American delegates. Again, however, the convention was favored with glorious weather. The Rev. Charles M. Sheldon addressed meetings and overflow gatherings at the Alexandra palace, everywhere being received with great enthusiasm. Mr. Peter Bilborn was also present. He has charge of the vocal music during the convention. Thus far all the meetings have been largely attended, and the inspiring strains of the Christian Endeavop hymns could be heard all over the ground until long after midnight. Indeed, soon after 3 o'clock Sunday morning the secretary himself, and many others resumed singling.
