Judgment Rendered.

The case of Cross Creek Coal Com-pany vs. Adam Hilderbrant, which was tried recently before Squire Shovlin, was decided on Wednesday in favor of

Mr. Hilderbrant. He was awarded judgment for \$256.97 for coal which was not loaded and sent to the breaker.

The company's officials conceded the amount of the claim, but refused to pay the miner for the coal until it has been loaded. As this may not be done for years, the miner properly brought suit for his labor and won the case.

There are a number of similar claims against the Cross Creek Company and the decision rendered will be gladly welcomed by the many miners whose money has been withheld.

The streams hereabouts are rapidly becoming depleted, and unless steps are soon taken to add to the supply the sport will in a year or two become a thing of the past.

The past season has proven conclusively that something must be immediately done, and if a hearty response is given to the call for this evening's meeting there is no doubt but that a remedy can be obtained.

The meeting will be addressed by members of the Luzerne County Sportsmen's Association, of Wilkesbarre, and others.
