CONFERENCE POSTPONED

Miners' Meeting Not to Be Held Until August.

Gathering Date Set Back Two Weeks Later to Allow Workers to Fully Discuss the Questions.

The date of the important joint conference of delegates representing all the union miners in the anthracite regions, which was to have been held on July 30 at Hazleton, has been postponed until August 13. The two weeks' extra time was desired in order to complete preparations for the meeting, and President Mitchell, of the United Mine Workers, has just issued his official call. In his call he instructs the secretaries of all local unions to call meetings for the election of delegates, and says that the convention is to be for the purpose of readjusting the wages of miners.

The care being taken in making the preparations for the convention is evidence of its importance. The two weeks' postponement was granted in order to allow the questions which are to be discussed at the meeting to be fully talked over in the local unions first, so that the delegates shall be fully in touch with the sentiment of the men they represent.

It is hoped to have an almost unanimous vote in favor of testing the strength of the organization on the four questions which were given in the Tribune recently. Unofficial reports of meetings held by the local unions in this district show the men to be almost a unit in favor of taking a decisive step and the reports from the other two districts are of the same tenor.

There is some talk also about the introduction of politics in the convention, but whether or not this will materialize it is impossible to say. The idea of some of the miners is that the entire organization of the United Mine Workers should agree to support a certain candidate who is pledged to their interest. They say that if this were done, if they were sure of their candidate and could be as sure of their organization, their power is sufficient to elect a congressman, a state senator, a judge and minor officials in this county.

Fishermen Organize.

The meeting called for Friday evening at the Grand opera house was well attended by the friends of fish, and a great deal of enthusiasm and interest was manifested in the proceedings. After an explanation of the purpose for which the meeting was called, to devise ways and means to stock and protect the trout streams of the region, the gathering reorganized the Freeland Game and Fish Protective Association and elected the following officers:

President—Hugh Malloy.
Vice president—E. J. Curry.
Secretary—Roger J. Dever.
Treasurer—Thomas Evans.
Directors—Griffith Jones, Jacob Sosnowski, Lewis Young, Thomas Roberts and E. J. Curry.

The club decided that one of the first matters requiring its attention was the rebuilding of the dam on Hayes creek, near White Haven. Hugh Malloy, H. C. Koons, Thomas Evans and Griffith Jones were appointed as a committee to solicit subscriptions for this purpose.

The club has taken hold of the matter in good shape and if successful in carrying out the plans the day is not far distant when trout fishing will be as profitable hereabouts as it was some years ago.

Married at Tamaqua.

Miss Annie McCarroll, of South Bethlehem, who has numerous friends in this town, was married on Saturday evening to Frank Bretz, of Delano, Miss Stella Gould, of Birkbeck street, was bridesmaid, and Walter McCarroll, a brother of the bride, was groomsmen. The knot was tied by the Reformed pastor of Tamaqua. After the cere-

mony the bridal party returned to Delano, where a wedding supper was served at the home of the groom's brother. The dining room was tastefully decorated with ferns and evergreens and a most sumptuous repast was served. Those present were: Mr. and Mrs. M. McCarroll, and daughter, Mable, of South Bethlehem; Mr. and Mrs. David Whitebread, of Hazleton, and Mrs. and Mrs. Thos. Gould and Miss Stella Gould, of Freeland.

FAMILY RE-UNION.

Leopold Shanno's Children and Grandchildren Gather at the Old Home.

The family of Mr. and Mrs. Leopold Shanno, including all the children and grandchildren, held a re-union yesterday at the family home on North Washington street. Every representative of the three generations of the family was present when dinner was announced and the capacity of the spacious home was taxed to its utmost.

Thirty-six people partook of the bounteous repast which had been prepared for the occasion, and seldom has there been a more joyous gathering in Freeland than was present during the meal.

The very best that the season affords was on the table and the company did justice to the spread.

After dinner a few hours were spent in pleasantly recalling the past and considering the prospects of the future.

Later in the day the family was grouped and a picture taken by Photographer Herbst.

In addition to Mr. and Mrs. Leopold Shanno and the sons and daughters who live at home, the following were present: Mr. and Mrs. August Shanno, and family, Wilkesbarre; Mr. and Mrs. Adam Sachs and family, Mr. and Mrs. Henry Hill and family, Mr. and Mrs. Leopold Shanno, Eckley, and Mr. and Mrs. John Shelly, Freeland.

Two Fingers Crushed.

Patrick X. O'Donnell, of Drifton, met with an accident in the Jersey Central Railroad shops at Phillipsburg, N. J., on Friday. While handling a heavy pipe it slipped from his grasp and crushed the two middle fingers of his left hand. The fingers were immediately dressed, but the extent of his injuries are not yet known.

Mr. O'Donnell is a student at the University of Pennsylvania, but during the vacation has been working at Phillipsburg. He is taking a course in dentistry and his many friends here hope that the accident will not hamper him in following his chosen profession.

Mean Act Committed.

A mean act was committed last evening at the home of a Birkbeck street family. While the people were absent, attending church, some one unlocked the gate of the premises and entered. Before leaving the miscreants smashed a number of decayed eggs about the back porch and walks, creating an awful stench. The damage was discovered when the family returned from church.

Certain parties are suspected of having committed the nuisance, and if sufficient proof can be obtained the matter will be more fully ventilated in one of the local courts.

Ready for the Outing.

The members of the Freeland Fishing and Hunting Club, a private organization recently formed in town, have all preparations made for a two weeks outing near Meshoppen, Wyoming county. They leave tomorrow and will spend the time fishing the Susquehanna river and other streams of that vicinity.

The outfit of the club consists of four large tents, mess tent, cots, oil stove, cooking utensils, etc., and all will be taken along on this trip.

James K. Boyle Injured.

James K. Boyle, of town, while at work on the new breaker at Coleraine, was severely cut about the head on Saturday afternoon by a wrench falling and striking him. The tool was accidentally dropped by another workman thirty feet above him. Mr. Boyle was taken to the Miners' hospital, where his injuries were found to be serious but not dangerous.

Attacked by Cramps.

Morris O'Donnell, a son of James O'Donnell, of Coxe addition, was attacked by cramps on Friday at Bayonne, N. J., where he is employed. His mother was called to his bedside on Saturday, his condition being considered critical. Yesterday a telegram was received by his father, announcing that the young man was out of danger.

Going to Montana.

Dominic Gallagher, of Birvanton, has resigned his position in the mines at Eborvale. He intends to take a trip to Butte, Montana, in search of more remunerative employment.

LISTLESS BALL GAME

Plymouth Defeated Tigers by Small Margin.

In a Poorly Played Game Yesterday the Visiting Club Won the Contest by a Score of 4 to 2.

The game of base ball yesterday between the Tigers and Plymouth club, was a listless exhibition that dragged itself out to an unsatisfactory finish for the home team. Both sides played like a lot of tired boys, who were doing some perfunctory work that was painfully laborious.

The Tigers had a shade the better of it in the early part of the game. Burke was the more effective pitcher, and at several critical times retired his opponents on strike-outs. He, however, finally made the error which gave the visitors the game.

With the score even at two, and a man on second base, the batter hit an easy grounder to Burke, who got ready to throw the hitter out at first. As he did this, the runner on second attempted to steal third. Someone called to Burke to put the ball to third. The pitcher threw, but the ball went about fifteen feet wide of its mark and rolled down into left field. The runner scampered home. A few more errors gave Plymouth another run.

The Tigers could not make up the lead in the last inning, although they were exhorted and encouraged by all the small boys in the park, who swarmed around the diamond and buzzed like a million of bees.

The score by innings was as follows:
Plymouth 1 0 0 0 1 0 2 x-4
Tigers 1 0 0 1 0 0 0 0-2

Miraculous Escape.

James Quinn, a young man of Highland, had a miraculous escape from death in No. 2 mine, at that place, Friday afternoon. While working in a gangway a sudden rush of coal caught him and made him a prisoner. The coal held him fast and piled about him in a threatening manner.

His fellow-workmen immediately went to his rescue. They built a barrier to prevent another rush, then began the work of extricating Quinn. After several hours' labor success crowned their efforts and the young man was saved, thoroughly exhausted, but uninjured.

His escape from death was marvelous, and his rescuers deserve credit for their ingenuity in bringing him forth alive from his perilous position.

Former Resident Dead.

John Stanton, a former resident of Freeland, Upper Lehigh, and other towns hereabouts, died in an hospital in Philadelphia on Saturday, aged 31 years. Death was due to typhoid fever. He is survived by his mother, and the following brothers and sisters, all residents of Stockton: William, Frank, Thomas and Herman, and Mrs. Wesley Boyer. The remains arrived at Stockton this morning and will be interred tomorrow in Freeland cemetery.

Camp 147, P. O. S. A., will hold a special meeting tonight to make arrangements for the funeral. The deceased was a member of the camp.

Will Attend Ordination.

John J. O'Donnell, of Wilkesbarre, a young man who enjoys an extensive acquaintance in Freeland and vicinity, will be ordained in the Catholic cathedral at Scranton on Wednesday morning by Bishop Hoban. Several of his friends here expect to attend the ceremony.

On Sunday next he will read his first mass in the Holy Saviour church, Wilkesbarre, and a large number of his relatives and acquaintances will be present.

St. Patrick's Officers.

At a meeting of St. Patrick's Beneficial Society, No. 103, of the I. C. B. U., yesterday, the following officers were elected for the ensuing year:

President—John H. O'Donnell.
Vice president—Patrick McElwee.
Financial secretary—John J. McGill.
