ELECTION.

Not for many years past has there been a more quiet election in Freeland borough than that held yesterday. The day was an ideal one for political purposes, the sun shining brightly until evening.

The Republicans felt confident of polling their usual vote, and in this they were not mistaken. With two Freeland candidates on their ticket, they came voluntarily to the polls and cast more straight ballots than they have been doing for many elections past.

With the Democrats the circumstances were the reverse. Few of the party men took more than a passing interest in the election and no effort was made to poll the regular vote. In fact, at some of the polls of town the Democratic vote fell off over 40 per cent.

The huge ballot also bothered the average Democratic voter, and as straight voting would not give a vote for the nominees scattered in other columns, many ballots contained marks for but few of the candidates.

The election passed off remarkably quiet, and even in the evening, when the national results came in, but little feeling was manifested, the Republicans accepting the verdict as a matter of course and the Democrats showing very slight disappointment.

Freeland gave Reese Lloyd, its townsman, a majority of 457 in a total vote of 896 for clerk of courts. This is a flattering tribute to the esteem in which Mr. Lloyd is held by his fellow-citizens.

The total vote cast in Freeland for all candidates is given in an adjoining column, and the results in the nation and the several states are published on the fourth page.

COUNTY.

The entire Republican ticket is elected in the county by majorities estimated from 4,000 for Palmer to 11,000 for Ferris. Many election boards did not complete their work of counting the votes until this morning.

The Workingmen's ticket polled a heavy vote, Hines for judge apparently leading Martin on the Citizens' ticket.

The estimated majorities at noon today are:

President—McKinley, 4,500.
Congressman—Palmer, 4,000.
Senator—Drury, 3,500.
Judge—Ferris, 11,000.
District attorney—Jones, 10,000.
Prothonotary—Jackson, 8,000.
Clerk of courts—Lloyd, 9,500.
Jury commissioner—Thrash, 10,500.
The contest for minority jury commissioner seems to lie between Mulderig, Price and Gibbons, with chances favoring them in the order named.

LEGISLATIVE.

The legislative contest in this district between Messrs. Haworth and Sweeney was the closest in the county. The Freeland candidate, however, was given a plurality of 170 in town, and this assured his election. Mr. Haworth's plurality, with all districts heard from, is 210.

Hartman, R., defeated Boyle in the First district by 1,590.

Coray, R., was re-elected in the Second district by a majority of 2,900 over LaFrance, D.

Mahon, R., won in the Third over Gruver, D., and Hendershot, C., by 1,000.

Burke, D., is elected in the Fifth over his opponents, Tighe, D., and Strange, R., by 300.

Drum, R., defeated McCormick, D., in the Sixth; majority will be small.

Council Meeting.

All members of the borough council were present at the regular meeting Monday evening except Mr. Rudewick. The president announced that by the death of Thomas E. Davies the position of treasurer of the borough was vacant. By a motion of Messrs. Rute and Kline, George H. Thomas was unanimously elected, and the finance committee and solicitor ordered to examine the accounts of the ex-treasurer.

A communication from the Board of Health relative to a nuisance on property on Ridge street was referred to the street committee.

John M. Carr, Esq., representing the Freeland Silk Mill Company, addressed the council in relation to the trouble at the mill and asked that council appoint special police for night duty and place the present night force on during the day to preserve order.

Solicitor Stroth also addressed council on the condition of affairs in town during the past week and Monday noon. He advised that council act to suppress disorder.

Councilman Kline introduced a resolution which passed three readings by the vote of Messrs. Kline, Schwabe, Rute, Smith, Sweet and Keck; Messrs. Meehan, Moerschbacher and DePiero voting against it. It provided for the appointment of Frank DeJohn, John Shelly, Jenkin Giles, William Marshall, Patrick McLaughlin, Jr., and Oliver Mason as special policemen, and applied to the people to assist in preserving law and order. Another resolution permitting the special officers to take oath of office before the burgess or a notary public passed by the same votes as above.

The committee on resolutions on the death of Treasurer Thomas E. Davies reported by reading the same, which were accepted, and the provisions carried out.

Council adjourned to meet tomorrow evening.

A delegation of about 150 United Mine Workers marched to the council room Monday evening and arrived after the adjournment. A majority of councilmen being present, they were called into the building and council resolved itself into a committee of the whole. The Mine Workers asked that a committee be appointed to try and have the deputies on duty at the silk mill removed; that the borough officers not make arrests, but use good judgment in making arrests; that Officer Hontz be suspended pending an investigation of his conduct on Monday.

The demands were granted and the police committee will hear testimony in Officer Hontz's case this evening and report to council tomorrow evening.

The Mill Strike.

The mill strike is still on and many people gather on Birkbeck street every morning, noon and evening. Yesterday at 5 o'clock upwards of 500 people were assembled in the neighborhood of the silk mill. The striking girls had a drum corps present, and when the employees came out the crowd followed the workers homeward.

The gathering created a great deal of excitement in town. During the trouble, Chief of Police Miller and High Constable Shovlin became involved in an altercation and the high constable was placed under arrest. He was fined \$3.50 by Burgess Doyle.

It is hoped that the strike will soon come to an end.

Lock-Out at Drifton.

Nearly all the employees of No. 1 colliery, Drifton, were suspended this morning because they left the mines yesterday afternoon in time to vote.

When the remaining employees heard of the suspension of the men they quit work and returned to their homes.

At noon the company ordered all work at the collieries and breaker to cease and sent all employes home.

What the next move will be is not known.

RESOLUTIONS.

Account of Death of Borough Treasurer Thomas E. Davies.

Preamble. Inasmuch as the borough of Freeland has, during the past month, been called upon to mourn the loss of its esteemed borough treasurer, Thomas E. Davies, whose death leaves a void in our community which cannot be filled, casts a gloom over our entire body, which has heretofore been brightened by his presence, and takes from us an object of admiration and respect, leaving but a memory of his virtues and usefulness.

Whereas, It has pleased Almighty God, in His all-wise jurisprudence, to remove from among us our worthy and honored borough treasurer, who was a faithful and honest officer, and

Whereas, The intimate relations held with him in the performance of his duties both while a member of this body and while borough treasurer makes it eminently befitting that we should record our appreciation of him; therefore be it

Resolved, That while we bow in humble submission to the Omnipotent Being, whose handiwork we are, we mourn his death as one of the greatest losses our people could have been called upon to bear, as there has gone from our midst a good and faithful officer, one whose advice was often sought and counsel accepted, one who was noted for his perseverance, unceasing in his efforts for the betterment of the community, charitable towards his fellow-men, a kind and loving husband and father and a man who was true to all that was noble and good in this world.

Resolved, That in his death our council has lost an earnest worker and our community has suffered a bereavement which deprives it of one of its most respected citizens, one who was endeared to all by his untiring efforts to promote the welfare of humanity and, although he has gone to that Supreme Deity who has called him, he leaves behind him many pleasant remembrances that shall not be forgotten.

Resolved, That we tender to the bereaved family our heartfelt sympathy in this hour of their great sorrow, on the dispensation with which it has pleased Providence to afflict them, realizing that their great affliction, will be borne by them while time or memory endures.

Resolved, That a copy of these resolutions be spread on the records of our council, that they be printed once in the Freeland Progress, the Freeland Press and the Freeland Tribune and a copy be forwarded to the bereaved family.

Geo. Sweet,
B. F. Rute, } Committee.

Railroad Men Restless.

The employees of the Jersey Central Railroad are becoming impatient over the delay of the company in making an answer to the list of grievances presented to the officials for adjustment. On Sunday evening representatives of the engineers, firemen, conductors, trainmen and telegraphers met in Ashley and spent several hours discussing the situation. The men were very patient and would make no statement of the position they will take should the company refuse to grant the concessions asked.

The grievance committee recently met the committee appointed by the company to confer with the men, but the result was unsatisfactory, it is said.
