MEETING OF THE COUNCIL

Record of First Session in the New Building.

Considerable Business Transacted by the Members at an Adjourned Meeting on Monday Evening.

The first meeting of the borough council in the new Municipal building took place Monday evening with all members present, except Messrs. Keck, Kline and Sweet. Councilman DePiero was elected president pro tem and upon taking the chair announced that, as the new home was provided with every comfort, councilmen and others should respect the surroundings by refraining from smoking.

Treasurer Thomas reported a balance on hand of \$1,320.27.

The janitor's report was approved and salary of \$10 and meals to the amount of \$5.25 ordered paid.

Street Commissioner Davis reported \$37.64 expended on street work and \$32.72 on sewer. Councilman Drasher objected to the brewery sewer and would not sign the report until the territory was annexed to the borough. The report was approved by council.

Chief of Police Miller's report showed \$118.05 due officers, \$11.25 due burgess and \$32.59 due borough.

Burgess Boyle's report showed \$19 due officers, \$40 due borough and \$4.75 due burgess.

The matter of four arrests due on account of the silk mill strike was referred to the police committee and solicitor.

The secretary was ordered to investigate an arrest made by Officer Molik a year ago, for which he has not been paid.

The fire and water committee was instructed to have water placed in the building of the Fourth Ward Fire Company.

A communication from the Girard Machine Works in regard to the fire engine was read in which it was stated that they would not ship the engine to town but wanted a committee to examine it.

An offer of an engine for \$1,000 from the Hazleton Machinery and Supply Company was read. The secretary was instructed to communicate for terms. Castrion protection for corners of the fire room door was ordered to be procured.

The Citizens' Hose Company asked that they be allowed the use of a closet on the second floor for the storing of their property. Permission was granted. Keys to the station house were ordered given to proper persons, who will be obliged to deposit \$1.75 for the safe return of same. The janitor, being under bond, was exempt.

Messrs. Rute, Moerschbacher and Rudewick were appointed to draw up rules and regulations.

It was decided that the Citizens' Hose Company should remove its fire apparatus to new quarters and that all spare keys for the room be turned over to the firemen.

Officer Molik was present and desired a key to the station house, but no action was taken.

The janitor's salary was fixed at \$30 per month, dating from December 10 to the expiration of his term. He is to have entire control of building.

The following bills were read and ordered paid: Mrs. Grebey, cleaning, \$6.70; J. P. McDonald, furniture, \$36; Magargee Bros., toilet paper, \$6.50; John T. Davis, account of heating plant, \$200; J. E. Griffiths, lumber, \$15.36; S. Y. Fredrick, eight extra keys, \$14; John T. Davis, glass and pipe, \$12.03; T. A. Stuart Discharged.

Rev. Daniel C. Stuart, upon whom a warrant charging him with the murder of his wife was served a few days ago, after his discharge on the charge of having performed a criminal operation, was giving a hearing by Alderman Perkins, of Wilkesbarre, and was discharged from custody, there being not enough evidence to hold him for trial.

Dr. Beckwith, of Plymouth, gave the same testimony he gave at the habeas corpus hearing. Dr. Whitney, Druggist Bumby and Mrs. Griffith also gave testi-

mony, but nothing new was brought out. The only new testimony in the case was that of Mrs. Johns, the aunt with whom Stuart and his wife boarded. She said Stuart was good to his wife and that Mrs. Stuart once bought laudanum and he threw it away, fearing that she might take it.

At the announcement that the minister was discharged some of the audience, among them women, manifested their approval by clapping their hands and they gathered about Stuart and congratulated him.

Stuart stated that he would remain in Wilkesbarre for some time, but had no definite plans for the future. He says his arrest was due to a grudge against him.

Rev. Stuart is out in a public card today in which he severely criticizes his prosecutors. He is particularly severe on Constable Kuip, who arrested him.

Will Confer P. C. Degree.

A special convocation of the grand commandery of Pennsylvania, Knights of Malta, will be held at Hazleton on January 9, in the council chamber of St. Mark's Commandery, No. 7. A number of grand officers are expected to be present. The different commanderies have been requested to notify those companies who are entitled to the past commander's degree, and to see that they are provided with the proper credentials.

A large number of past commanders from Luzerne, Columbia, Carbon and Schuylkill counties will be in attendance, both to confer the degree in fitting style and to discuss the state of the order in this part of the state.

Lost Man Found.

Charles Oberly, who disappeared from his home in Jeddoo last August and for whom a futile search was made for several weeks, was located this morning at the home of his sister in Hobbie. He was given up as dead, but proves to be still alive. His health, however, is very poor.
