TOWNSHIP NOMINATIONS

Democratic and Republican Tickets Named.

Both Parties Have Chosen Their Candidates for Offices in Foster--Borough Republicans Called.

At Woodside last evening the Democratic delegates of Foster township met and named their ticket. John J. McNelis, of Drifton, was chairman, and M. P. Campbell, Esq., of East Foster, was secretary.

For supervisors Patrick Cole, of Eckley, and Peter O'Donnell, of Woodside, were chosen, receiving 16 and 22 votes respectively, to 13 for Patrick McGuire, of Upper Lehigh.

For school directors John O'Neil, of Upper Lehigh, and Neil P. Johnson, of Sandy Run, were nominated unanimously.

For treasurer John Metzgar, of East Foster, was nominated.

For assessor Michael Carr, of East Foster, was named without opposition.

For clerk three were placed in nomination, and John Devenny, of Hazle Brook, received 19 votes to 8 for John Carlas, of Highland. Michael Middick, of Eckley, received no votes.

For auditor William Welliver, of Woodside, received 16 votes to 10 for John Carlas, of Highland.

The candidates will meet on Saturday evening to select a campaign committee and make other preparations for the election.

At the same place on Monday evening the Republican delegates of Foster township nominated the following ticket:

School directors—Julius Lesser, Upper Lehigh; James Lawson, Highland. Supervisors—August Baker, Hazle Brook; George Anthony, Sandy Run. Treasurer—James Boyle, Highland. Clerk—John Davis, Eckley.

Assessor—Joseph Myers, East Foster. Constable—John Mason, East Foster. Auditor—George Singley, Eckley.

W. L. Richards was chairman of the convention. The only contest was for the nomination for school director, the delegates voting as follows: James Lawson, 16; Julius Lesser, 14; Joseph Sarricks, 6.

The Republican borough convention has been called to meet at the Municipal building next Wednesday evening, the 30th inst. The call is issued by Chairman H. W. Haworth and Secretary S. J. Neuburger. Delegates to attend the convention will be chosen in each ward the previous evening. The convention will name candidates for justice of the peace and borough auditor.

Also on Tuesday evening a caucus will be held in each ward to name the ward tickets. The caucuses will be held at the polling places, except in the First, which is called for the Municipal building, and the Fourth, which will be held in the Fourth Ward Fire Company's rooms.

There is some dissatisfaction at the

late dates chosen for the conventions, and unless matters are smoothed over trouble will break out. In the Second ward a ticket has already been named, and its legality has been questioned.

The reason assigned for choosing late dates is to give the party leaders a chance to straighten out contests in the First and Fourth wards, where there are too many applicants for certain offices. The men in control are afraid to whip the not-wanted candidates in the ward caucuses, and hope that by holding back the time of making the tickets they can induce the warring factions to compromise and harmonize.

Special Council Meeting.

A special meeting of council was held Monday evening with all members present, except Messrs. Kline and Schwabe. The object of the meeting was to ratify the action of the committee which disposed of the Front street property to John Campbell, of South Ridge street. A resolution to this effect passed three readings.

Mr. Campbell was present, and in view of the rumors that a member of council threatens to take out an injunction to prevent the consummation of the sale, on the ground that a higher price was offered for the property, stated his willingness to relinquish all claims if council returns his money.

President Keck stated that no higher amount than Mr. Campbell paid had been offered for the buildings and lot and that the buyer's right would be fully protected by the borough. A verbal opinion from Solicitor Stroth to the same effect was also presented.

The property committee was authorized to purchase twenty-five more chairs from John Yannes for the public room, making 100 in all, which will provide sufficient accommodations for the present for the holding of meetings or conventions. The chairs cost \$1 each.

Married This Morning.

Thomas F. Welsh, of Walnut street, Freeland, and Miss Grace T. Kane, of Newtown, Wilkesbarre, were united in marriage at 11 o'clock this morning in St. Leo's Catholic church, Ashley, by Father Hearst. Miss Mary Kane, a sister of the bride, was bridesmaid, and Frank Gallagher, of Highland, served as best man.

Mr. and Mrs. Welsh will arrive in Freeland at 7:29 o'clock this evening and will proceed to the handsomely furnished home which Mr. Welsh has prepared for his bride on North Centre street.

The young couple have the best wishes of many friends for a successful journey through life.

Lattimer Strike.

The miners' strike at Lattimer is still on and neither side shows any signs of wavering. The men demand the reinstatement of the two steam-shovel helpers who were discharged, they claim, for being active in the union. The officials of Pardee & Co. claim the men were suspended in order to reduce expenses at the colliery and that their connection with the union had nothing to do with laying them off.

All the mines and strippings at Lattimer are closed and no effort has been made by the company to operate them.

Horses Ran Away.

A team of horses owned by Butcher George H. Hartman ran away this morning near the Lehigh Valley station. A bolt in the double-tree of the wagon broke and when the animals found themselves free from the vehicle they dashed across the lots below Carbon street. Upon reaching Centre street they ran into the telephone pole on the northeast corner of Carbon, badly damaging the harness and cutting one of the horse's mouths. Driver James Kessel had charge of the team at the time.

ROUND THE REGION.

Frank Janssen's violent temper was the cause of the burning of his home in South Scranton, his seven-year-old daughter perishing in the fire and his wife and her sister being seriously burned, the former so badly she may not recover. Janssen last night went to a masquerade ball, but before going his wife complained there was nothing in the house to eat. At 4 o'clock this morning he came home and quarreled with her because there was nothing for him to eat. In his rage he hurled a lighted lamp at the woman, setting her clothes and the house on fire.

"Grip robbed me of my sleep and I was nearly crazy with neuralgia and headache. Dr. Miles' Pain Pills and Nerve cured me."—Mrs. Pearl Bush, Holland, Mich.

The coal breaker of the Temple Iron Company, at Duryea, was destroyed by fire yesterday, together with the culm washery, entailing a loss of \$125,000, and throwing 500 men and boys out of employment. The insurance is \$110,000. The flames originated at the top of the breaker, presumably by a piece of cotton waste taking fire from the lamp of a breaker boy. The fire departments of Pittston and West Pittston were called to the scene, and attempted to save the washery, but the fierce flames from the breaker drove the fire fighters back.

This season there is a large death rate among children from croup and lung troubles. Prompt action will save the little ones from these terrible diseases. We know of nothing so certain to give instant relief as One Minute Cough Cure. It can also be relied upon in grippe and all throat and lung troubles of adults. Pleasant to take. Grover's City Drug Store.

Judge P. P. Smith, of Scranton, yesterday made his first appearance on the superior court bench after an illness of several months. Judge Smith has undergone a serious illness, from which at one time it was feared he would not recover.

The Lehigh Valley Coal Company has issued strict orders to all its driver boys that any of them known to be cruel to the mine mules will be discharged.

"When I was prostrated with grip and my heart and nerves were in bad shape, Dr. Miles' Nerve and Heart Cure gave me new life and health."—Mrs. Geo. Colie, Elgin, Ills.

The police of Duryea and Avoca are looking for a clever swindler who has entered many houses, representing himself as a health officer, and charged for making an examination of the premises.

Miss Anna O'Neill and James M. Boland, one of the foremost business men of Wilkesbarre, were married yesterday.

Mrs. E. I. Masters, at her home in Monitor, Ind., used Dr. Miles' Nerve and Pills to cure after effects of grip. Sergeant Robert F. Shuman, of Shamokin, 23 years of age, who enlisted at Hazleton July 21, 1899, sailing for the Philippines October 21, was killed at the battle of Imus, January 7, 1900.

Buried at Mauch Chunk.

The remains of the late Hon. John Leisenring, of Upper Lehigh, were buried this afternoon in the family plot in Mauch Chunk cemetery. The funeral took place from the residence of Dr. J. S. Wentz and was private, only the immediate relatives of the deceased attending.

The collieries at Upper Lehigh and Sandy Run are idle today out of respect to the deceased.

Small Fire Yesterday.

At 2:30 o'clock yesterday afternoon fire was discovered in the home of School Director W. D. Kline, on Johnson street. The alarm was rung up from box 42 and the fire apparatus was soon on its way to the scene. In the meantime neighbors succeeded in extinguishing the blaze. A couch and considerable carpet were badly burned, but no damage was done to the property.

Death of a Child.

A six-months-old son of Mr. and Mrs. Robert Stanton, of the Hill, died yesterday afternoon. The funeral will take place on Friday at 9 a. m. The remains will be interred at Rockport cemetery.

Persons who suffer from indigestion can not expect to live long, because they can not eat the food required to nourish the body and the products of the undigested foods they do eat poison the blood. It is important to use indigestion as soon as possible, and the best method of doing this is to use the preparation known as Kodol Dyspepsia Cure. It digests what you eat and restores all the digestive organs to perfect health. Grover's City Drug Store.
