## MINERS WANT CONFERENCE

Anthracite Operators to Be  
Invited by the Men.

United Mine Workers Ask  
That a Fixed Wage Basis  
Be Arranged for the Entire  
Region.

In the national convention of the United Mine Workers, at Indianapolis, two resolutions have been practically agreed to by the entire scale committee, anthracite and bituminous. One of them makes it obligatory upon the national officers of the organization to invite the anthracite operators into a conference early in March, and the other aims at the establishment of a fixed wage basis for the entire region, and particularly for the Wyoming and Lackawanna valleys.

The action of the convention in extending this invitation excited considerable interest in the anthracite region. It is said that should the conference be held the miners will ask for a scale that will increase their wages over that paid now.

The leaders of the United Mine Workers, however, do not apprehend any trouble. They say the operators now recognize that the men are more strongly organized than ever and that the big coal companies would be the losers in case of a lockout.

It is also pointed out that the companies did not lose anything by the last strike. They gave the men a 10 per cent increase in wages and then added 50 cents a ton to the price of coal.

A partial report from the tellers at the national convention shows that there will be some change in the national executive board of this year, and that one additional member will come from the anthracite region. In the votes, so far counted, Fred Dilcher, of Scranton, who took a prominent part in the anthracite strike, is well down on the list.

### Directors in Trouble.

The supreme court has granted a rule upon John Brogan and Thomas McAndrew to show cause why an attachment for contempt should not be issued against them.

The matter involved is the election of school directors in Wilkesbarre township. The Luzerne quarter sessions court had, in a contest, declared Brogan and McAndrew elected, and from this decision an appeal and certiorari was

**MISCELLANEOUS ADVERTISEMENTS.**

taken to the supreme court and a rule granted, returnable February 2, to show cause why the certiorari should be a supersedeas, "all proceedings to stay in the meanwhile."

In a petition filed by William Smith and Peter E. Lyons, the other parties in interest, it is set out that after service of the rule and stay of proceedings Brogan and McAndrew disregarded the order and proceeded, with other school directors, to transact business.

### For a New County.

The Philadelphia Times this morning says that "if plans do not miscarry and enough votes can be mustered to do it, the state of Pennsylvania will have a new county, and it will be named after United States Senator Matthew Stanley Quay."

"The campaign, with this end in view, is in the hands of Henry W. Haworth, member of the state house of representatives from Luzerne county. Mr. Haworth is the chairman of the committee on counties and townships, and at present he is exceedingly busy preparing a bill, which he will introduce shortly, creating the county of Quay out of portions of Luzerne and Schuylkill counties, and making Hazleton the county seat.

"It will be remembered that during the session of 1895 a bill identical in character was passed creating a new county to be called Hazle. It was vetoed, however, by Governor Hastings, but it is said Governor Stone will sign Mr. Haworth's bill, if it is passed."

### Sleighting Notes.

It has been a long time since such an opportunity as is afforded at present for sleighing was to be had, and the present week will see parties of every description leaving town.

Two sleigh loads of ladies from Upper Lehigh enjoyed a trip to White Haven today.

A large party of young people went sleighing to Ed. Henry's in Connyham on Saturday night.

School children, boys and girls, had much amusement Saturday sleighing about town.

The young man who failed to engage a horse and sleigh before Saturday for use on Sunday had to do without, as none could be had.

### Eckley Church Fair.

The fair at Eckley Catholic church will close on February 22, Washington's birthday, on which date all the contests and drawings will terminate. All who have books are requested to return them to the fair committee on or before that date.

Rev. Thos. Brehony, pastor of the church for whose benefit the fair is being held, requests the Tribune to acknowledge the kindness of the late Hon. John Leisenring and his estimable wife in forwarding a check for \$50 to be placed to the credit of the fair. Rev. Brehony prays that God will reward him for his many good deeds during his comparatively short but active life.

### Meeting of Drivers.

A well attended meeting of the drivers employed by G. B. Markle & Co. was held yesterday afternoon at Japan school house. The grievances of the men, consisting principally of a claim for pay for as many hours as they are obliged to work, were thoroughly discussed. The men expect that the trouble will be promptly adjusted by their employers and deplore the rumors of a strike which gained circulation last week.

### Officer Appointed.

George Keler, of Beaver Meadow, has been appointed coal and iron police officer for Cox Bros. & Co., to succeed County Detective Richard Jones. Keler was one of the deputies at Onedia on October 10 last and was shot during the fight at that place. There were a number of applicants for the position. Keler's commission authorizes him to act in Luzerne, Carbon and Schuylkill counties.

This season there is a large death rate among children from croup and lung troubles. Prompt action will save the little ones from these terrible diseases. We know of nothing so certain to give instant relief as One Minute Cough Cure. It can also be relied upon in grippe and all throat and lung troubles of adults. Pleasant to take. ## ROUND THE REGION.

A new railroad from Williamsport, and touching Wilkesbarre at the base of the mountain, is talked of. Crossing the river, the route cuts across towards Ashley, and skirting the mountain, passes the eastern end of Wilkesbarre to Port Jervis.

A. F. Beltz, who for more than a quarter of a century ran a train on the Upper Lehigh branch of the Jersey Central Railroad, died at his home in White Haven yesterday. Death was caused by cancer.

Jacob Euth's grocery store and Wiseman's millinery store at Pittston were destroyed by fire yesterday morning, causing a loss of \$8,000.

The body of Michael Ryan, of Glen Lyon, was found on the Pennsylvania Railroad track near Nanticoke yesterday morning. He had evidently been struck by a train.

"Grip made me very weak and nervous with tightness of chest and headache. Dr. Miles' Pain Pills and Nervine gave me quick relief."—Mrs. Clarinda Butler, W. Wheeling, O.

C. L. Kingsley was on Friday appointed postmaster at Rhone, this county.

John Boner, a popular young man of Hazleton, died on Saturday evening from pneumonia after a week's illness. He was 28 years of age and was a brother of Charles Boner, of Oakdale. The funeral takes place tomorrow.

## POLITICAL.

The Democrats and Republicans of Hazle township held their primaries Saturday evening, and spirited contests took place in several districts. The Democrats will nominate James Kennedy, of Drifton, and James Helferty, of Cranberry, for school directors. The Republicans will renominate Directors Hinkle and Neilson.

The Republican ward caucuses in the borough will be held tomorrow evening. In the wards where the party has large majorities there are no lack of candidates, and the various aspirants for office are getting their forces in shape for the contest.

The Republicans of Freeland will hold their nominating convention at the Municipal building Wednesday evening. The offices to be filled are justice of the peace and auditor.

### "The American Girl."

"The American Girl" is a play that is exceptional in all that makes comedy-drama seizable and likeable in exciting incidents and intensely sustained interest, brilliant and varied scene pictures, character drawing on broad and human lines, scenes stirring and climaxed and able, spirited and uncommonly illusive acting, and with a vein of comedy prevailing throughout the entire piece. The plot is elaborate, but clear, swiftly moving and logical. The interest is eagerly enlisted and steadily maintained, and altogether the play is one of the most powerful, original and fascinating dramas of recent setting. Principal in the cast is George F. Hall, a rising comedian of great ability, as Ross Bolter, the American hustler. At the Grand opera house tomorrow evening.

### Notice to Taxpayers.

A penalty of 5 per cent will be added to all taxes remaining unpaid after Wednesday, January 30, 1901. This date is three days beyond the limit allowed by law, and no further extension of time can be granted to delinquents. Hugh Malloy, Tax Collector Freeland Borough.

Everybody says that J. W. Udy is looking splendid since his recovery from the grip at his home in Des Moines, Iowa. They all know that Dr. Miles' Nervine was what cured him.

### TO CURE THE GRIP.

Advice of a Famous Physician.  
First and foremost, REST.  
Take care of yourself. Your already weakened nerves want rest, and must have it. If the attack is severe, go to bed and remain there. More fatalities result from neglect of this precaution than from any other cause.  
Eat sparingly. Your digestive organs are in no condition to take care of large quantities of food.  
Drink plenty of pure, cold water. It allays the fever, stimulates the kidneys to action and opens up the pores of the skin. Keep the bowels open with Dr. Miles' Nerve and Liver Pills.

Take three doses of Dr. Miles' Nervine per day, and if you cannot sleep take an extra dose at bedtime. To further control the fever, and to overcome the peculiar aches and pains of the grip, use Dr. Miles' Pain Pills. They act quickly and effectually, and no bad effects result from their use. These remedies have been thoroughly tested more than a million times, and their efficiency is thoroughly established. They never fail to give relief.  
Dr. Miles' Remedies can be found at any drug store, and they are sold on a positive guarantee that first bottle or package benefits or money refunded.
