DEATH CLAIMS TWO VICTIMS

Mrs. Jerry McCarthy and George A. Beisel.

Former Dies After Long Illness at Her Home on South Centre Street--The Latter at Hazleton.

Annie, the wife of Jerry McCarthy, is dead at her home on South Centre street. For many weeks past she had been a sufferer from a lingering illness and no hopes of her recovery were entertained for the past few weeks. Mrs. McCarthy was an estimable young woman who enjoyed the friendship of a large number of people and her death is regretted by all who knew her.

The deceased is survived by her husband and three small children, also by her mother, Mrs. Hugh McGroarty, and the following brothers and sisters: Frank, John, James and Hugh and Misses Mary, Maggie, Agnes and Katie McGroarty.

The funeral will take place tomorrow morning at 9 o'clock. A requiem mass will be read at St. Ann's church, after which the remains will be taken to Laurytown Catholic cemetery for interment.

George A. Beisel, a former resident of Freeland, died on Saturday evening at the home of his parents, Mr. and Mrs. Nathan Beisel, Hazleton, at the age of 31 years. A week ago the young man was brought to his father's home from Baltimore, where he was employed as a carpenter. He was suffering from consumption, but it was thought the change of climate would do him good; this, however, proved untrue and he rapidly failed.

Mr. Beisel was born in Butler township, but at an early age removed to Drifton and later to Freeland. A year ago he was married to Miss Maggie Farrell, of Coxe addition, who survives him. Besides his parents he is also survived by his brothers, John, William and Arthur, and his sisters, Mrs. Harry Yoch and Mrs. George Boyle, all residents of Hazleton.

The funeral will take place at 1.30 o'clock tomorrow afternoon. Carriages will convey the relatives and friends to Freeland, and the interment will be made in St. Ann's cemetery.

Foster School Board.

Directors Lesser, Keller, Doudt and Zeistloft were present at the Foster township school board meeting Saturday evening.

Principal Hoffman reported an itemized account of the pupils in each school in the township. The total enrollment in the day session is 1,035, while the night session has 112.

A communication from Joseph Handlong was read and created much merriment. At the last meeting Mr. Handlong had a bill for cleaning the school building at East Foster. Not having been authorized to do the cleaning, the secretary was ordered to notify him to

Wm. Wehrman, Watchmaker. Watches, from \$4 to \$25. Clocks, from \$1 to \$5. Centre street, below South.

POLITICAL.

The present promises to be one of the quietest February campaigns the town has had in several years. The Republicans, having no candidate for justice of the peace, which is the principal office to be filled, are not disposed to take much interest in the general result. In the wards the Democrats are unassailable in the Fifth and Sixth, while the Republicans have majorities in the others. Under the circumstances the voters will likely be spared the annoyance which has been given them in previous local campaigns.

Charles C. Boezkowski, who was given the empty honor of a Republican nomination for justice of the peace and who could not have his name printed on the ballot because the convention was held too late, announced himself on Saturday as an independent candidate for the office, but has since reconsidered the matter and has withdrawn.

Stanley Albright, one of the Republican nominees for council in the Sixth ward, states that his name was placed on the ticket without his consent and that he is still a Democrat.

Band Officers Elected.

St. Ann's Parish Band yesterday elected the following officers: President—Edward Brogan. Vice president—Frank McDonald. Recording secretary—Condy Johnson. Financial secretary—Frank McKinley.

Treasurer—Patrick J. Duffy. Leader—Leo McDonald. Teacher—A. P. Mayberry. Trustees—James Quinn, Thomas F. Welsh, Frank McKinley. Librarian—Frank Gallagher. Sergeant-at-arms—Leo Quigley.

Organization of Clerks.

The clerks of Freeland and vicinity perfected an organization yesterday afternoon at the Grand opera house ball. Officers were chosen and the new union starts out with a good membership and with prospects of increasing in strength. The promoters believe that with the aid of an organization such as they have formed that their hours of service can be shortened and their positions made more satisfactory than at present.

TO CURE THE GRIP.

Advice of a Famous Physician.

First and foremost, REST. Take care of yourself. Your already weakened nerves want rest, and must have it. If the attack is severe, go to bed and remain there. More fatalities result from neglect of this precaution than from any other cause.

Eat sparingly. Your digestive organs are in no condition to take care of large quantities of food.

Drink plenty of pure, cold water. It allays the fever, stimulates the kidneys to action and opens up the pores of the skin. Keep the bowels open with Dr. Miles' Nerve and Liver Pills.

Take three doses of Dr. Miles' Nerve per day, and if you cannot sleep take an extra dose at bedtime. To further control the fever, and to overcome the peculiar aches and pains of the grip, use Dr. Miles' Pain Pills. They act quickly and effectually, and no bad effects result from their use. These remedies have been thoroughly tested more than a million times, and their efficiency is thoroughly established. They never fail to give relief.

Dr. Miles' Remedies can be found at any drug store, and they are sold on a positive guarantee that first bottle or package benefits or money refunded.

ROUND THE REGION.

At the bedside of his dying mother, whom he had nursed for seven months, John Dinan, a soldier, was arrested at Wilkesbarre, placed in irons, and sent to Fort Slocum to stand trial as a deserter. Dinan, soon after joining the regular army last June, learned of his mother's serious illness, and asked for a discharge. He received no reply, and therefore deserted last October. Since his desertion Dinan has nursed his mother, and the physicians say she has suffered a severe relapse since the arrest.

Persons who suffer from indigestion can not expect to live long, because they can not eat the food required to nourish the body and the products of the undigested foods they do eat poison the blood. It is important to cure indigestion as soon as possible, and the best method of doing this is to use the preparation known as Kodol Dyspepsia Cure. It digests what you eat and restores all the digestive organs to perfect health. Grover's City drug store.

Edward Snell, of Weatherly, who took part in the recent Chinese campaign, has been honorably discharged from the service and returned home today. Immediately upon his return he was married to Miss Ella Flannagan, of Philadelphia, to whom he became engaged before he enlisted in the marines five years ago.

Paymaster Bernstein, of the Temple Coal and Iron Company, wounded John Dougherty with a revolver bullet, because, it is alleged, the latter tried to break into the office of the Harry E. Colliery, after having been refused pay which was not yet due.

Pepsin preparations often fail to relieve indigestion because they can digest only albuminous foods. There is one preparation that digests all classes of food, and that is Kodol Dyspepsia Cure. It cures the worst cases of indigestion and gives instant relief, for it digests what you eat. Grover's City drug store.

William McGarvey, Thomas Burns, James Early and James Gallagher, of Beaver Meadow, who struck at Evans' colliery last fall and who, it is alleged, interfered with workmen, were fined \$25 on Saturday by the Carbon county court, ordered to pay the costs of the suit and spend three months in jail.
