MINE WORKERS' CONVENTION

**Thomas Duffy Re-Elected
District President.**

**Movement to Raise a Fund
to Purchase a Home for
President Mitchell Endorsed
by Lehigh Region Men.**

The adjourned session of District No. 7, United Mine Workers of America, was held at Hazleton on Saturday. Every local union in the Lehigh region was represented, and considerable business of interest to the organization was transacted. The election of officers resulted as follows: President, Thomas Duffy, McAdoo; vice president, Andrew Matty, Stockton; executive board, William Harrit, Jeanesville; Patrick Smith, Milnesville; Daniel S. Gallagher, Hazleton; William H. Dietrie, Nuremberg; P. G. Gallagher, Freeland; Charles Gildea, Coaldale.

President Duffy will open an office in the Hotel Washington, Hazleton, the latter part of this week. In other districts offices have long since been opened.

The officers are making extensive preparations for the holding of the conference with the operators next month. President Mitchell and the national executive board, with 400 delegates from the three anthracite districts, will be in attendance.

Resolutions were adopted agreeing with other anthracite districts, to subscribe toward a fund for the erection of a home for John Mitchell, favoring the organization of junior locals, to be composed of breaker boys; requesting the mine workers to remain away from the collieries in the Panther Creek valley until the strikers who were discharged from those workings are re-instated; advocating a reduction in the terms of mine inspectors from five to three years, and that the inspectors be elected by the people; instructing the district president to attend each sitting of the mine examining board and to report all violations of the law to the district attorney.

Official Census Figures.

The official figures of the late census in Luzerne county have been made public. The population of the county, 257,121, and of all towns and cities having over 2,500, has been published by the Tribune, but the number of people in the townships and smaller towns was not known until Saturday. The figures of the districts hereabout, excepting those given in these columns some months ago, are as follows:

Butler township, 1,661, loss of 323 compared with figures of 1890; Conyngham township, 1,373, gain of 74; Denison township, 796, loss of 177; Foster township, 4,497, loss of 3,093; Hazle township, 15,143, gain of 649; Jeddo borough, 1,632, gain of 1,274; Sugarloaf township, 1,500, loss of 384; White Haven borough, 1,517, loss of 117.

MISCELLANEOUS ADVERTISEMENTS.

ELECTION NOTICE.—Notice is hereby given that at the election to be held on the third Tuesday in February, 1901, being the nineteenth day of the month, the following of the Middle Coal Field Four District are to be elected to wit:

One person for director to serve three years from April 1, 1901, whose residence must be in that part of the district known as the Weatherly or Middle district.
One person for auditor to serve from April 1, 1901, whose residence must be in that portion of the district known as the Mauch Chunk or Lower district.

S. W. Gangwero, }
Wm. S. Lieb, } Directors.
Wilson & Campbell, }

ship, 4,497, loss of 3,093; Hazle township, 15,143, gain of 649; Jeddo borough, 1,632, gain of 1,274; Sugarloaf township, 1,500, loss of 384; White Haven borough, 1,517, loss of 117.

The figures of Freeland are the same as previously announced, 5,254, a gain of 3,724 over 1890, divided as follows among the five wards which existed when the census was taken:

First ward,..... 826
Second ward..... 830
Third ward..... 560
Fourth ward..... 999
South ward..... 2,039

The claim repeatedly made by the Tribune that the South ward was being treated unfairly by having no more representation on the school board and council than the small up-town wards is proven by the census. This injustice has been partially rectified since by dividing the South ward and forming the Fifth and Sixth.

KILLED TODAY.

**Patrick Gallagher, of Freeland, Meets a
Sudden Death in the Mines.**

Patrick Gallagher, employed as an engineer on one of the air-motors in No. 5 colliery, Jeddo, was killed instantly shortly before noon today.

With a train of cars behind the motor, he was coming down one of the "runs" in the mines at a rapid pace. In some unknown manner the motor left the track and plunged sideways against the rib of the gangway, crushing Gallagher between the motor and the side. Death was instantaneous.

What caused the motor to leave the track has not yet been ascertained, but it is thought that some part of the machinery became deranged.

At 1 o'clock the remains were brought to Freeland and taken to the home of his parents, Mr. and Mrs. Denis Gallagher, corner of Adams and Carbon streets.

The deceased was aged 22 years and was a respected young man. He was a member of the Good Wills Athletic Association and Local Union, No. 1499, United Mine Workers. Besides his parents, he is survived by four brothers and one sister.

No time has yet been set for the funeral.

Russell Uhl Acquired.

The case of Russell Uhl, charged with selling oleomargarine for butter, came to a close in court on Saturday afternoon with a verdict of not guilty. The State Food and Dairy Commission was the prosecutor. Ex-Judge Davis made a two-hour argument in favor of the defense.

He said that one of the provisions of the Pennsylvania statute on the subject made the act nonsensical, inasmuch as it was intended only to regulate the sale of oleo, yet practically prohibited its manufacture by preventing its makers from using coloring ingredients and anything not contained in the genuine dairy product. There was no standard color of butter until oleo was manufactured, and now the dairy product is being supplied with the coloring ingredients used and originally made and paid for by the oleomargarine manufacturers.

Judge Ferris sent the case to the jury with binding instructions to return a verdict of not guilty.

Death of Young Man.

Frank Ward, of Hazle Brook, a well known young man of that town, died yesterday from pneumonia after less than one week's illness. He was 16 years of age and a son of Mrs. Owen Ward, who died suddenly a few weeks ago. The young man is survived by the following brothers and sisters: Mrs. Patrick O'Donnell, Highland; Mrs. Patrick Craig, Philadelphia; James, Nanticoke, and Misses Mary, Kate, Nellie and Condy, John, Patrick, William and Bernard, Hazle Brook.

The funeral will take place tomorrow morning. A requiem mass will be read at St. Ann's church and the remains will be interred in St. Ann's cemetery.

Mine Workers' Ball.

The ball given by Local Union, No. 1499, United Mine Workers, on Friday evening, was a success in every respect. The attendance was large and a pleasant evening was spent by all who were present. The grand march was participated in by over 100 couples, and was led by Master of Ceremonies John M. Gallagher and wife, of Ridge street, assisted by Sheriff James G. Harvey and Miss Annie Welsh.

Common Pleas Jurors.

The following citizens of this vicinity have been drawn to serve as jurors in common pleas court on the dates preceding their names:

March 11.—Peter Gallagher, Daniel Mulroney, John B. Hanlon, M. H. Hunsicker, Freeland; Patrick Brogan, Foster; G. E. Jones, Butler.

Tobacco of all kinds at Kelper's.

THEATRICAL.

The Reading Telegraph, of the 5th Inst., says: "The hit of the town last night was 'Hogan's Alley' at the Bijou. The show was a laugh from start to finish. 'Hogan's Alley' is full of strong specialties and everything is new and bright. The principal comedian, Joe Kearney, late of the 'Belle of New York' company, deserves praise for his work as Mr. Hogan. The balance of the company is up to the standard. A chorus of pretty women in handsome costumes helps to make the show a success."

At the Grand opera house on Friday evening.

"Lessons From a Great Life" is the title of a lecture which Dr. Wayland Hoyt, of Philadelphia, will deliver at the Grand opera house under the auspices of the Mining and Mechanical Institute on the evening of Washington's birthday.

"Quo Vadis," the book, has been translated into all languages from the original Polish, and has been read by many millions, who have pronounced it as one of the classics of the nineteenth century. The wonderful popularity of the book insures the success of the dramatic adaptation of it, which will soon be presented for the first time in Freeland. So successful has Mr. Chase been in dramatizing this work, that the actors are described as breathing exponents of the wonderful types of character just as great Sienkiewicz drew them in his immortal masterpiece. It is a play satisfying alike to player and auditor, not only because it entertains and instructs, but because it uplifts and edifies. Aiden Benedict has provided a most excellent company, beautiful and appropriate scenery and wardrobe and a first class performance can be looked for.

BREVITIES.

The church people of Ashley, headed by the Rev. Borvin Custer, have opened war on the saloons of the town. Nine hotel and saloonkeepers were arrested Saturday afternoon charged with violating the liquor laws. The defendants were given a preliminary hearing before Burgess Thomas, who withheld his decision until today.

For the weakness and prostration following grippe there is nothing so prompt and effective as One Minute Cough Cure. This preparation is highly endorsed as an unfailing remedy for all throat and lung troubles and its early use prevents consumption. It was made to cure quickly. Grover's City drug store.

Prosecuting Attorney Charles L. DeWaele, who has passed the three-score milestone, had a time with the grip; but when seen at his home in Roscommon, Mich., the other day, he said Dr. Miles' Nerve was what cured him.

Thomas Hurst was found frozen to death yesterday morning at Hazleton. He started home about midnight and when near his house fell exhausted. Hurst was a famous pigeon shooter.

The Lattimer strike will probably be settled by Wednesday or Thursday of this week.

Reports show a greatly increased death rate from throat and lung troubles, due to the prevalence of croup, pneumonia and grippe. We advise the use of One Minute Cough Cure in all of these difficulties. It is the only harmless remedy that gives immediate results. Children like it. Grover's City drug store.

"I had grip three months; could not sleep; pain all over and headache very bad. Dr. Miles' Nerve, Pain Pills and Liver Pills made me well."—Mrs. E. C. Bowly, Waterloo, Ind.

Foster Politics.

The quiet campaign in Freeland borough has led those of this section who take an interest in political matters to look elsewhere for excitement, and in Foster township they find an old-fashioned contest going on. The Democrats, while in the minority on party issues, went into the campaign in earnest this year.

Their first step was to nominate a ticket which commanded the respect of the voters of all parties. This, coming after a mistake made by their opponents in turning down some worthy Republicans, brought them support from unexpected quarters, and at the present time the race between the two tickets is neck and neck.

The Democrats in every polling district are receiving the open support and assistance of several Republicans, and their lines appear to be invincible. On the other hand, the factional fights among the Republicans are disrupting the township organization, and to this is added dark rumors of treachery which cause the various candidates to eye one another most suspiciously.

The township contest for supremacy is an interesting one and will continue to attract attention from the many people of town whose thirst for excitement cannot be gratified by the listless contests in the borough.

TO CURE THE GRIP.

Advice of a Famous Physician.

First and foremost, REST. Take care of yourself. Your already weakened nerves want rest, and must have it. If the attack is severe, go to bed and remain there. More fatalities result from neglect of this precaution than from any other cause.

Drink plenty of pure, cold water. It allays the fever, stimulates the kidneys to action and opens up the pores of the skin. Keep the bowels open with Dr. Miles' Nerve and Liver Pills.

Take three doses of Dr. Miles' Nerve per day, and if you cannot sleep take an extra dose at bedtime. To further control the fever, and to overcome the peculiar aches and pains of the grip, use Dr. Miles' Pain Pills. They act quickly and effectually, and no bad effects result from their use. These remedies have been thoroughly tested more than a million times, and their efficiency is thoroughly established. They never fail to give relief.

Dr. Miles' Remedies can be found at any drug store, and they are sold on a positive guarantee that first bottle or package benefits or money refunded.
