DEMOCRATS IN CONTROL

Political Revolution in Borough and Township.

Complexion of Freeland's Council and School Board Radically Changed--Five Wards Carried.

The Democratic candidates in Freeland borough won a most notable victory at the polls yesterday. The returns from the various wards were astounding to those who had failed to note the signs of a coming upheaval in the Republican party. So complete was the victory that some candidates who consented to stand only for the purpose of filling up the Democratic ticket in up-town wards were swept along by the irresistible tide and landed victors by handsome majorities.

The result of yesterday's voting shows that the incoming council will have eight Democrats and three Republicans, with a tie vote in the Second ward. The present council consists of eight Republicans and two Democrats. On the next school board the Democrats will have eight members, instead of two as at present, while the Republicans will have four, instead of eight.

Squire Shovlin, having no opposition, had a walk-over, only a few scattering votes being cast against him.

For borough auditor, Bernard Boyle, of the Fourth ward, has a majority.

Compared with the vote cast for president in the borough last fall, which is published in an adjoining column, the Democratic victory was the greatest ever accomplished in Freeland's political history, as it gives the winners undisputed control of both municipal bodies for three years.

In some of the wards the Republicans captured a few of the minor offices, but nowhere was a Democrat defeated who made an active contest.

W. D. Kline, of the Second ward, is the only Republican office-holder elected to succeed himself.

Many causes are being assigned today for the revolution.

Foster Township.

In Foster the fight was centered on the school directors, and the Democratic candidates are victors by handsome majorities. The party has also elected its two candidates for supervisors.

The contest was one of the most spirited the township has ever seen. The Democrats worked unceasingly from the evening the nominations were made until 7 o'clock last night, and when the polls closed their labor was found to not have been performed in vain.

In Foster the Democrats are in the minority, but under good leaders and by nominating good candidates they have gained complete control of the school board, which, after June next, will consist of six Democrats.

The complete vote for all the offices on the ticket could not be obtained in time for today's issue.

The Vote Elsewhere.

Hazleton elected William Reinhart, Democrat, for mayor; Henry Walsler, Democrat, for treasurer, and Harvey Lamont, Republican, for controller.

In Hazle township all the Republican candidates were elected, except Griff Pritchard for assessor, who was beaten by three votes.

The vote of the poor district is not yet known, but it favors the Republican candidates.

In Pittston the Democrats elected Corcoran for mayor by 400 and Joyce for treasurer by 200 majority. Smith, Republican, for assessor, was elected.
