## CONFERENCE OR STRIKE

Substance of a Resolution Adopted by Miners.

Officers Given Authority to Declare a Suspension of Work if Operators Will Not Meet Them.

Contrary to all expectations, the convention of the United Mine Workers, before adjourning on Saturday, adopted a resolution demanding recognition from the operators and placing the power to declare a strike in the hands of the national executive board and the district officers. The resolution is as follows: "Whereas, We have on several occasions invited and implored the operators to meet with us in joint conference to mutually agree upon and establish a scale of wages and conditions of employment for the term of one year; and, "Whereas, They have repeatedly ignored our invitations and treated us with contemptuous silence, scorning our invitations and demands alike; and, "Whereas, We believe that we are entitled to much more consideration than we receive and are fully entitled to meet with those who employ us, and are our equals under the law and constitution of our country, and with them discuss and decide matters of mutual interest; therefore be it,

"Resolved, That we authorize our president, national executive board and officers of Districts 1, 7 and 9, to negotiate, if possible, for a joint conference of miners and operators, between this date and the first of April, 1901. In the event of their failure to secure a joint conference they may, by a majority vote, decide the policy of our movement, even if it is necessary to resort to a suspension of work to force the justice due us as producers of wealth equally with our employers."

The resolution was adopted by a vote of 345 for and 265 against. This was accomplished through the combination of Districts 1 and 9. The delegates from District 7 were opposed to the resolution, as were many of the delegates from District 9.

An effort was also made before the convention adjourned to consolidate the three districts into one, with Scranton as headquarters. This measure was vigorously opposed and was defeated by a large vote.

When interviewed before departing for Scranton, President Mitchell said that the entire matter now rested with himself, the district presidents and the national board. As yet no plan has been decided on by the board as to when the operators will be notified. This will probably be done today, as the board is now in session at Scranton.

Asking for a Receiver.

Troubles that have been long brewing in the Funeral Benefit Association of the Patriotic Order Sons of America will have an airing in Philadelphia court this morning, when the court will be asked to appoint a receiver for the association.

The court gave a preliminary hearing in the case on last Tuesday, when equity proceedings were brought by Joshua Hollingshead and other members of the association to have a receiver appointed to take charge of the body and manage its affairs. Counsel for the board of managers of the association did not oppose the application for a receiver, but joined in asking for such action.

The factions, however, did not unite upon the person to act in that capacity, and the court announced that further argument would be heard today, when the court itself expected to name the receiver.

Since September last, it was claimed by the petitioners for a receivership, a

large number of claims for death benefits have not been paid, and it was stated that in several instances the checks of the association have gone to protest. It was alleged that the association was involved in an indebtedness of about \$4,000, and had not been able to discharge its obligations. The trouble in the association has been of many months duration.

ST. PATRICK'S DAY.

Anniversary of Ireland's Patron Celebrated This Morning.

St. Patrick's Day was fittingly observed by the Irish Catholic societies of this vicinity this morning.

At 9 a. m. mass was celebrated at St. Ann's church by Rev. M. J. Fallishe, who delivered an appropriate sermon. The services were well attended by the members of the congregation.

Immediately after mass the societies formed in line at the church in the following order: Grand Marshal—Rev. M. J. Fallishe, Aides—Frank McLaughlin, John Branigan.

Clergy in Carriages. St. Ann's Parish Band. Young Men's C. T. A. H. Corps. St. Ann's Cadet Society. Shamrock Drum Corps. Division 20, A. O. H. Freeland Drum Corps. Division 6, A. O. H. Jeddo Drum Corps. Division 41, A. O. H. Liberty Drum Corps. St. Patrick's Beneficial Society. Greenmen.

The route of parade was from the church to Luzerne street, to Ridge, to Carbon, to Washington, to Chestnut, to Ridge, to South, to Centre, to Walnut, countermarch on Centre to Luzerne, to Ridge, where the parade was dismissed.

The societies turned out with full ranks, and the parade, while not so large as in some of the past years, was well conducted and reflected credit on the participants.

Band Entertainment.

Standing room was all that could be had at the Grand opera house last evening, the number of people who attended the entertainment given under the auspices of St. Ann's band filling every seat at an early hour. A pleasing address on St. Patrick, by Attorney John J. McCreary, opened the entertainment, after which the following program was rendered:

ROUND THE REGION.

Rev. E. E. Dixon, pastor of the East Stroudsburg M. E. church, preached a sensational farewell sermon yesterday. The preacher was severe on church members who had signed license applications and read aloud from the pulpit their names. He said these these men sign for burglary, murder and for the ruin of men, women and children. Prominent men of Stroudsburg and East Stroudsburg were held up in scorn for the part they played in helping liquor dealers get license. The courthouse, said Rev. Dixon, is the nest; the lawyers the hens and the license applications the eggs, which produce trouble.

Former chairman of select council of Scranton, Richard H. Williams, has made a complete exposure of a combination of eleven councilmen to look after the interests of a telephone company. Mr. Williams admitted that he received direct from the telephone company \$50 presents on several different occasions and then the eleven grew accustomed to going to a certain hotel about every two months, where they would find envelopes containing money awaiting them. The sums ranged from \$50 to \$75.

Prof. Ivison, of Lonaconing, Md., suffered terribly from neuralgia of the stomach and indigestion for thirteen years and after the doctors failed to cure him they fed him on morphine. A friend advised the use of Kodol Dyspepsia Cure and after taking a few bottles of it he says, "It has cured me entirely. I can't say too much for Kodol Dyspepsia Cure." It digests what you eat. Grover's City drug store.

Charles Koons, of Kingston, where he had resided all his life, committed suicide at Scranton by taking carbolic acid. Koons attempted suicide in a Kingston hotel a few weeks ago. He had been drinking heavily of late and this, added to domestic troubles, was undoubtedly the cause. Deceased was about 40 years of age.

Elsie, the five-year-old daughter of Mr. and Mrs. Joseph Helf, of Moosic, was playing with a key ring chain and accidentally swallowed part of it. The ends of the links became fastened in her throat and a physician was compelled to chisel off the child and cut the chain loose.

See that you get the original DeWitt's Witch Hazel Salve when you ask for it. The genuine is a certain cure for piles, sores and skin diseases. Grover's City drug store.

While driving across the Delaware and Lackawanna Railroad tracks at Wyoming Saturday morning, William Pine was struck by a passenger train and hurled a distance of seventy feet. It is thought he will die. The wagon was smashed, and one horse was killed.

The lingering cough following gripe call for One Minute Cough Cure. For all throat and lung troubles this is the only harmless remedy that gives immediate results. Prevents consumption. Grover's City drug store.

The jury in the case of Hon. W. H. Hines against the Susquehanna Coal Company Saturday morning gave a verdict for the company, after a five-days' trial. The case concerned the ownership of ten acres of coal land in Newport township, valued at about \$50,000.

E. Foster, a first-class barber who recently arrived here from New York, has occupied the barber shop of the late Rudolph Dimerio.

John Moran, while on his way home in the outskirts of Scranton, late last night, was attacked by footpads. They knocked him down, broke his leg and robbed him of \$3.30.

Hazleton's macaroni factory was destroyed by fire Saturday night.

"Martin Luther" Tonight.

Don't fail to see the wonderful production of sixteenth century events at the opera house tonight. This is probably the greatest entertainment ever come to Freeland, and no person who loves the intellectual and beautiful can afford to miss this treat. One will learn more in two hours with Mrs. Monroe than by two years of study.

This entertainment has been given in this country for twelve years, and heralded everywhere with delight. A delightful entertainment.—Phila. Ledger.

Highly religious, yet educational, instructive and of thrilling interest from first to last.—N. Y. Tribune.

Tomorrow evening the entertainment will begin at 7.30 o'clock; this evening at 8 o'clock.

Stage Line to Eckley.

George Fisher's stage coach will make two trips a day to and from Eckley. Stage leaves Freeland at 8 a. m. and 4 p. m. On Thursday of each week the stage will make a trip to Laurytown. Line will begin operation on Friday morning.
