Owing to the disagreeable weather the audience at the Grand opera house on Wednesday evening was not as large as expected. The play, "Old Arkansas," pleased those present, and the receipts of the performance were turned over to the employees of the house.

The Halpin Manufacturing Company, in addition to building wagons, three of which are finished, for the Freeland Brewing Company, and filling regular orders of the Atlantic and Pacific Tea Company, is turning out delivery wagons for the Eckley and Hazle Brook stores and the Freeland Beef Company.

## School Board Meeting.

Principal Houch's report to the school board for the month of March, presented at the meeting held on Wednesday evening, contained some additional statistics beyond the usual report. The enrollment for the month was \$48, average attendance 680 and the percentage of attendance 90. The classification of the pupils showed the following results: English-speaking, 583; Austrian, 91; German, 88; Polish, 69; Italian, 35.

The question of having a case constructed to hold the exhibit received from the Commercial Museum was discussed at length. Prices for doing the work were received by the building committee from Contractors Lentz and Griffiths, the bids being \$47.50 and \$40 respectively. Owing to a lack of finance the matter was dropped for the present.

The treasurer's report showed \$98.60 in the treasury. The teachers' committee reported adversely on the matter of raising the salary of Edgar Schmidt. The committee is satisfied that the teacher has made a creditable record, but on the ground that it would be unwise to establish the precedent of increasing salaries during a term an unfavorable report on the application was made.

The following bills were ordered paid: J. M. Olecott & Co., \$3.50; J. L. Hanlin & Co., \$12.35; E. B. Shelhamer, \$7.05; Mrs. William Williamson, \$23; W. E. Martin, \$8.45; Electric Light Company, \$1.78.

The other positions in the bank were filled by the reappointment of the following: Cashier, B. R. Davis; tellers, John R. Leisenring, James W. Bell, John Dusheck, Jr.

The directors of the institution are Henry C. Koons, Thomas Birkbeck, Charles Dusheck, A. Rudewick, John Burton and John Shigo.

## Death of James Highams.

James Highams, a resident of this section for the past thirty years, died at his home in Sandy Run yesterday morning. The deceased had been ill for some time past, and his condition since Sunday had been considered hopeless.

Mr. Highams is survived by his wife, two daughters, Misses Maggie and Tillie, and one son, Vincent, who is employed as school teacher at Hazle Brook.

The funeral will take place tomorrow afternoon. Interment at Freeland cemetery.

## Held a Conference.

The officials of Coxe Bros. & Co., stepped down from their pedestal yesterday and condescended to receive a committee representing the locked-out employees at Oneida. A lengthy conference was held in Superintendent Kudlick's office, but what the result was will not be known until the committee makes its report to the union at Oneida.

## Cleaning the Building.

Workmen are engaged remodeling the Yannes building. A large force is employed in scouring and polishing the interior. When completed the new proprietor, Mr. Krell, expects to be able to accommodate the traveling public in city style.

## It Pays to Buy in Freeland.

The editorial "Buying Out of Town" in yesterday's Plain Speaker, has been the means of unearthing a parallel case in town. A Ridge street lady went to Hazleton and bought a suit for her boy at \$3.50. She spent 30 cents for car fare and 25 cents for lunch—a total of \$4.05. Imagine her surprise on returning home to find out that her neighbor bought a similar suit of the same material at Refowich's (Freeland) for \$2.75.

## ROUND THE REGION.

Joseph Cashoda, who was terribly burned in a mine accident yesterday, and taken to the Mercy hospital, Wilkesbarre, escaped from the institution this morning, by climbing through a window. He walked a distance of three miles, with nothing but his underclothing and a blanket. Cashoda was on a fair way to recovery, but since the exposure the doctors say he will die.

When asked to pay his rent, Paul Wastock, of Pittston, refused, and when ordered to move yesterday he set fire to the house which he was forced to vacate, and it burned down with a loss of \$1,000 to the owner. He was committed to jail to await trial on the charge of arson.

Gentlemen, for hats and caps go to A. Oswald. He has a nice variety.

The proprietors of disorderly resorts in Hazleton have been notified by Mayor Reinhart, who took office on Monday, to leave the city or get out of business in ten days, at the expiration of which all who fail to comply with his order will be arrested and jailed.

"I have been troubled with indigestion for ten years, have tried many things and spent much money to no purpose until I tried Kodol Dyspepsia Cure. I have taken two bottles and gotten more relief from them than all other medicines taken. I feel more like a boy than I have felt in twenty years."—Anderson Riggs, of Sunny Lane, Texas. Thousands have testified as did Mr. Riggs. Grover's City drug store.

Representatives of the textile workers of Paterson, Scranton, Forest City, Wilkesbarre and Pittston, held a conference yesterday to devise means to render financial aid to those who are yet out on strike. The girls seem determined to remain out until their demands are granted, while the operators are equally firm.

The employees of the Bartel brewery, at Edwardsville, went on strike yesterday because the management refused to sign a new scale for the ensuing year, in which an increase in wages over the regular union rate was requested. The trouble was adjusted last evening.

Skin troubles, cuts, burns, scalds and chafing quickly heal by the use of DeWitt's Witch Hazel Salve. It is imitated. Be sure you get DeWitt's. Grover's City drug store.

The painters and decorators of Wilkesbarre adopted a new scale of wages as presented by the master craftsmen and will hereafter receive \$2.25 for an eight-hour day, a reduction of two hours from the present time worked for the same wages.

The Free Bridge Association of Luzerne county has begun an active campaign for free bridges. Its members include prominent merchants between Sliekshinny and Pittston.

Spring coughs are specially dangerous and unless cured at once, serious results often follow. One Minute Cough Cure acts like magic. It is not a common mixture but is a high grade remedy. Grover's City drug store.

Jerry Hoover, of Wilkesbarre, has been appointed deputy revenue collector to succeed George Llewellyn, who has been made warden of the county jail.

After May 1, Hazleton barbers will charge 25 cents for hair-cutting. Charles Whitfield, a druggist, died yesterday after sixty-one years continuous residence in Tamaqua.

Unless the thirty men discharged at the Ashley shops of the Jersey Central Railroad are reinstated the other workmen will go on strike.

Those famous little pills, DeWitt's Little Early Risers, will remove all impurities from your system, cleanse your bowels, make them regular. Grover's City drug store.

## SCRANTONIAN HITS BACK

Conspiracy Charge Against Leaders of Union.

Editor of Condemned Newspaper Causes the Arrest of Officers of the Miners' Local at Scranton.

The recent convention of United Mine Workers at Hazleton placed a boycott on the Scrantonian, of Scranton, alleging unfair treatment. Union 861, of Scranton, later adopted resolutions along the same line and accusing the paper of "traitor-like actions." On Monday President John Mitchell caused the arrest of Editor Richard Little, of the Scrantonian, for criminal libel.

Yesterday Editor Little swore out a warrant for the arrest of the officers of Local Union, No. 861, charging them with conspiracy to injure his business and they were arrested and held in jail. The officers arrested are P. W. Toland, Oliver J. Nichols, Thomas C. Brown, P. F. Burke and D. F. Dempsey. This case will involve the interesting question as to whether or not the officers of a labor organization may be held legally liable for the declaring of a boycott.

## Look Out, Daughters!

The Daughters of the American Revolution must look out for themselves. They are getting a reputation which may make them unpopular and scatter their younger daughters. An Evening Staats-Zeitung man speaks of their somewhat tempestuous congress last month with sadness. What good German would take to wife a woman who hisses in public meeting when she is displeased and "says things" just as a man might do when she is displeased? "Who speaks now of the weaker sex?" says the Staats man. "Weak she is not when she has the courage to put off her womanliness and put on the armor of a man. Cupid, when he sees this, will gather up his arrows quickly, jump into his automobile and speed quickly away." The daughters really must look to their matrimonial chances. —New York Times.
