TWELVE MEN DISCHARGED

Markle & Co. Inviting Trouble at Ebervale.

While the District Board of the Union is Seeking Ways of Settlement the Firm Increases Tension.

The relations between G. B. Markle & Co., of Jeddo, and their employees were further strained yesterday by the discharge of twelve men at Ebervale colliery. The only reason given these victims of the firm's ill-will was that they were not performing sufficient work—a reason which does not bear the stamp of truth when the amount of work they have been performing is compared with that done by others or with that done by themselves in the past.

The executive board of District No. 7, U. M. W., was in session at Hazleton, considering the grievances of Markle & Co.'s men, when the news of this wholesale discharge reached them. The board had been given authority by the firm's employes to effect a settlement, if possible, and were about to consider ways of avoiding further trouble. The action of the company naturally caused them to abandon almost all hope of gaining anything for their constituents through peaceful negotiations.

What action was taken has not been announced by the board, beyond the fact that the Markle troubles will be considered at the joint meeting on Saturday of the executive boards of Districts 1, 7 and 9.

Markle's employes are unable to suggest a motive for the firm's action yesterday. The only construction placed upon the discharge of the twelve men is that the firm is anxious to goad the men into a strike.

There is a further feeling among the miners that if Superintendent Smith, who is absent, were at home, an amiable settlement could be reached.

The Event of the Season.

Buffalo Courier, April 18, 1901.
The remarkable success of Miss Mildred Holland at the Teck theater this week really makes her engagement the event of the local season. To those who, prior to the present engagement, had never seen Miss Holland in emotional work such as is required of her in "The Power Behind the Throne," her acting is cause for astonishment. That she is gifted with talent and ability to a marvelous degree is patent after she has been on the stage but a few minutes, and as the play progresses this impression becomes stronger and firmer until, with the descent of the curtain on the last act, it develops into a settled conviction.

The role of Aria in "The Power Behind the Throne" is more pretentious than anything Miss Holland has heretofore essayed, and the dramatic fervor and intensity of her work are indications of the possibilities which the future holds in store for her. She is the

Lehigh Valley Improvements.

The improvements at the Lehigh Valley station at Washington and Scott streets, Buffalo, are well under way, and will be complete before the opening of the Pan-American Exposition.

Additional passenger tracks have been installed, and the capacity of the train sheds more than doubled.

The enlarged baggage room will be used solely for outgoing baggage; all incoming baggage being handled in an additional baggage room established on Scott street, adjoining the station building.

To facilitate the rapid unloading of excursion trains, a twenty-foot walk has been constructed to the north of the station, projecting over the Hamburg canal. This will obviate the necessity of having excursionists walk through the main waiting room.

A commodious parcel-room has been established, the space assigned to the ticket agent increased, and the improvements, now almost completed, will, it is thought, be ample to take care of the largely increased passenger business which this line expects to transact.

The total expenses of the alterations and enlargements will exceed twenty thousand dollars.

"I have been troubled with indigestion for ten years, have tried many things and spent much money to no purpose until I tried Kodol Dyspepsia Cure. I have taken two bottles and gotten more relief from them than all other medicines taken. I feel more like a boy than I have felt in twenty years."—Anderson Riggs, of Sunny Lane, Texas. Thousands have testified as did Mr. Riggs. Grover's City drug store.

MISCELLANEOUS ADVERTISEMENTS.

FOR SALE—\$900 for five-room dwelling and lot, 50x150 feet, on North Birkbeck street. \$1,000 for the John Dusbeck property, 80x150 feet, on North Washington street. \$1,000 for the Charles Shiffer property, 70x150 feet, on West Walnut street. For particulars apply to C. O. Stroh.

personification of Schiller's ideal, and there can be no doubt that there is no other actress on the American stage who could take this role and give a more nearly perfect interpretation of it.

Sports Out in Force.

The sporting fraternity of the coal fields is heading for Freeland today, and by evening all the prominent members of this class are expected to be here to attend the boxing carnival to be given at the Grand opera house under the auspices of the Sterling Athletic Club.

All the required preparations have been made to give excellent exhibitions of the art of sparring, and the reputations of the men engaged is proof that the carnival ought to be well worth the admission to all who take an interest in the sport.

The Philadelphia men have arrived in town and are the guests of Willy Dougherty. The Wilkesbarre men will arrive today and will be taken care of by John C. Boyle.

Although Mazanta and Burke, of Wilkesbarre, will spar only six rounds, there is a friendly rivalry between the men which promises to make their contest interesting.

Donohue and Cleary, of Philadelphia, who will give a ten-round exhibition, are well known boxers, as also are McGee and Ashton, who are booked for an eight-round battle.

The first bout will begin at 8.30 o'clock.

To Reward Heroic Miners.

In the legislature yesterday State Senator Drury, of Luzerne county, introduced a bill providing for the rewarding of miners or other persons for brave or heroic deeds in saving life and valuable property inside and around the mines. The bill provides that for all deeds of unusual bravery or heroism on the part of any person or persons in saving life or property in or about the mines, a gold medal of honor, to cost not less than \$100, shall be awarded to such person. If a life be sacrificed in the performance of such deeds \$2,000 in addition to the medal shall be awarded to the family or legal heirs of such person. The awards are to be made by the department of internal affairs.

Birthday Celebration.

The anniversary of the birth of J. P. McDonald was celebrated last evening at his home, corner of Centre and South streets. The following guests were present: Daniel Hart, Mrs. John Hart and daughter, Miss Gertrude; Mr. and Mrs. D. L. O'Neill and sons, D. L. O'Neill, Jr., Ambrose and Leon; Mr. and Mrs. Cannon and daughters, Laura, Nettie and Stella; Mr. and Mrs. P. H. Campbell, Mrs. Chas. McDonald; Colonel and Mrs. Lynch and daughter, Miss Ella; Mr. and Mrs. P. H. McGrovey, of Wilkesbarre; James S. and John McDonald, of New York; and Mrs. J. P. and Miss Mame McDonald, of Freeland.

To Prosecute Her Claim.

Mrs. Alice Richards has arrived at Wilkesbarre from New Jersey to prosecute her case against Abram Nesbitt, president of the Second National bank, for the recovery of \$84,500, on a judgment note. She denies the rumor that Mr. Nesbitt was being blackmailed. Abram Nesbitt yesterday again declared that the note was a forgery and says he believes the note was not made until after Mr. Richards' death. He asserts that Richards owed him \$40,000 when he died.

Stolen Goods Recovered.

A quantity of wearing apparel was stolen from a trunk in the Lehigh Valley Railroad's baggage room Monday night. The goods were recovered later in the coal shed at Highland school house. They were the property of two of the Coxie ladies at Drifton and were very valuable. The Lehigh Valley detectives were on the case yesterday but failed to capture the thief.

Returned to Hospital.

Michael Murrin, of Drifton, who was discharged from the Miners' hospital a few weeks ago after receiving treatment for injuries received in the mines, was re-admitted to the hospital on Monday. His leg is not healing as rapidly as it was expected it would and constant treatment at the institution will be necessary for two more weeks.

A. O. H. Smoker.

The members of Division 6, A. O. H., will have as their guests at the smoker to be held tonight at the Grand opera house the members of Division 41, of Freeland; Division 20, of Eckley, and Division 10, of Hazleton; also delegations from other divisions throughout the county.

NOTICE TO THE PUBLIC.

Beginning with Monday, April 15, A. Oswald will close his store at 8 o'clock every evening except Saturdays and the general pay nights.

ROUND THE REGION.

Today is expected to see the end of the Scranton silk mills strike. The girls employed at the different mills met yesterday, but refused the superintendents' offer on the grounds that it was verbal, but not written. They propose to grant an 8 to 12 per cent increase, a half holiday on Saturday and benches in the workroom to sit upon. A written agreement will undoubtedly be drawn up, and as "Mother" Jones is in favor of the promised concessions it will be accepted.

The Irish societies of Wilkesbarre and vicinity are preparing to receive Maude Gonne and Major McBride, who are now making a tour of America in the interest of Home Rule for Ireland. They are expected to arrive at the county seat May 12, and will make addresses in the morning there. A reception will be tendered the visitors.

You will waste time if you try to cure indigestion or dyspepsia by starving yourself. That only makes it worse when you do eat heartily. You always need plenty of good food properly digested. Kodol Dyspepsia Cure is the result of years of scientific research for something that would digest not only some elements of food, but every kind. And it is the one remedy that will do it. Grover's City drug store.

Richard D. Hunsicker, aged 29 years, a carpenter, died at Allentown yesterday after hiccupping for five days. Hunsicker had been suffering from typhoid fever, but was on a fair way to recovery when the hiccupping began. His wife is also critically ill with fever.

While playing "deaf and dumb" with several companions at Middleport, Schuylkill county, eight-year-old Annie Pollitt lost the power of speech. Physicians yesterday succeeded in restoring Annie's vocal powers, although she is very weak.

"Last winter I was confined to my bed with a very bad cold on the lungs. Nothing gave me relief. Finally my wife bought a bottle of One Minute Cough Cure that effected a speedy cure. I cannot speak too highly of that excellent remedy."—Mr. T. K. Houseman, Manatawney, Pa. Grover's City drug store.

Dr. Harry L. Falk, who was shot by Samuel Salsburg at Wilkesbarre recently, is in a precarious condition and may not only lose his arm where the bullet shattered the bone, but may have a hard struggle to recover. Salsburg was re-arrested yesterday.

The strike at the Baltimore colliery, Wilkesbarre, ended yesterday, the breaker boys being ordered back to work by the United Mine Workers. The men said the boys had no right to strike and throw all the miners out of work, and that the grievance committee would attend to the settlement of the trouble.

"I had piles so bad I could get no rest nor find a cure until I tried DeWitt's Witch Hazel Salve. After using it once, I forgot I ever had anything like piles."—E. C. Boice, Somers Point, N. Y. Look out for imitations. He sure you ask for DeWitt's. Grover's City drug store.

Thirty-five suits for divorce are on the list for trial at the coming term of court in Lackawanna county. This breaks the record. The argument list for February contained twenty-six divorce cases.

A large black bear, said to be the biggest ever seen in the lower end of Luzerne county, has made its appearance in the vicinity of St. Johns, in Butler valley.

Spring coughs are specially dangerous and unless cured at once, serious results often follow. One Minute Cough Cure acts like magic. It is not a common mixture but is a high grade remedy. Grover's City drug store.

Thomas J. Joyce, editor of the Mahanoy City Daily American, is about to start a Sunday paper. The paper is expected to make its first appearance in May.

A mule which Timothy Lyons, a driver, was whipping in the Pennsylvania mines at Pittston rebelled. It kicked out Lyons' teeth and injured him severely about the body. His condition is serious.

Those famous little pills, DeWitt's Little Early Risers, will remove all impurities from your system, cleanse your bowels, make them regular. Grover's City drug store.

The Mauch Chunk Water Power Company, capital \$1,200, has been granted a state charter.

National Organizer Fred Dlicher, of the Mine Workers, succeeded in organizing the Scranton newsboys and bootblacks last evening.

The town of Duryea has been made a borough by the Luzerne court, and a special election to choose the necessary officers for the new municipality will be held on June 25.

You cannot enjoy perfect health, rosy cheeks and sparkling eyes if your liver is sluggish and your bowels clogged. DeWitt's Little Early Risers cleanse the whole system. They never gripe. Grover's City drug store.
