## OF INTEREST TO WORKERS

**Joint Meeting of District Executive Boards.**

**Labor Bills Held Up in the State Senate--Important Bill Missing--Meeting of Markle's Employes.**

The district executive boards of the United Mine Workers of the anthracite region met at Hazleton on Saturday. The greater part of the morning session was devoted to a discussion of the many petty strikes which have occurred since last October. Several suggestions were made by which the strikes could be remedied, but no definite action was agreed upon.

At the afternoon session the question of the withdrawal of the loader and fire bosses from the union, in accordance with an order recently issued by the Reading Company, was brought up, but as the order effected only District No. 9, no action was taken in the matter.

Secretaries of Districts 7 and 9 were instructed to issue circulars to the various locals asking all contract and company miners to refrain from cutting coal, blasting rock, or doing any timbering on days when the collieries are idle. It was decided that no coal shall be loaded on idle days except by men engaged in repairing airways and railways, and no colliery shall work more than ten hours a day. The new order is to become operative on May 6, and shall affect all work done except slope and shaft sinking and tunnel driving.

LABOR BILLS MAY NOT PASS.

The prospect of the passage by the senate of any of the four anthracite mine bills advocated by the United Mine Workers is not very reassuring. The large operators are opposed to them and have succeeded in tying them up in the senate committee on mines and mining since they passed the house a month ago. They have agreed to support the bills on condition that the mine workers accept certain changes suggested by Factory Inspector Campbell. The miners insist that the bills pass without a single change, and a final effort will be made at Wednesday's hearing to effect a compromise.

The bills provide for the election of mine inspectors by the people instead of having them appointed by the governor; providing for the weighing of coal and its payment by weight instead of by the car; authorizing the miners to appoint checkweighmen, whose duties will be similar to the checkweighmen in the bituminous regions, and provide for the weighing of coal before it is screened. Attorney General Elkin has been asked by the mine workers' leaders to help pass the bills, but he has declined on the ground if they should become laws, he might be called upon to pass upon their constitutionality.

IMPORTANT BILL MISSING.

Powerful corporations throughout the state, are determined, if possible, to prevent the passage of house bill No. 21. This bill passed the house, but was "lost" in transmission to the senate. The measure would practically tax out of existence the company stores, against which labor organizations have for years battled in vain. The present law on this subject on the statute books is inoperative.

The bill was introduced in the house by Representative Ferrebee, of Schuylkill county, and places a tax of 25 per cent upon "all orders, checks, dividers, coupons, pass books or other paper representing wages or earnings of an employe or member of his family." In other words when a corporation issues a store order in lieu of wages it must pay to the state a tax of 25 per cent of the amount for which it is given.

MEETING OF MARKLE'S EMPLOYES. The union employes of G. B. Markle & Co. met yesterday at the Grand opera house. The Ebervale and other grievances which threaten to cause trouble were discussed, but none of the business transacted was given out for publication. It is understood that the grievances are on a fair way of being settled.

**Total Abstinence Movement.**

An address on the benefits of total abstinence was delivered at St. Ann's Catholic church last evening by Rev. J. J. Curran, of Wilkesbarre, president of

POLITICAL ANNOUNCEMENT.

**JAMES G. HARVEY,** of Hazleton.

Subject to the decision of the Republican primaries of Luzerne county.

the Scranton C. T. A. Union. A large number of people were present and were favorably impressed with Father Curran's remarks on the subject. He exhorted the people of this vicinity to join the total abstinence movement and to give it their earnest support, and made a special appeal to parents to have their boys become members of the cadet society.

At Jeunesville yesterday the quarterly meeting of the representatives of the Fourth district societies of the union was held. Father Curran also addressed this body and predicted that the next convention's report of membership of the union would show an increase of from 2,500 to 3,000.

The reports of increase in membership from the societies of this district were as follows: Jeunesville T. A. B., 12 members; Jeunesville Cadets, 13; Beaver Meadow Cadets, 5; Audenrold Cadets, 12; Audenrold Ladies' T. A. B., 2; Young Men's, Freeland, 21; Harwood T. A. B., 9; Harwood Cadets, 3; Beaver Meadow T. A. B., 16; Freeland Cadets, 27; Hazleton Ladies' T. A. B., 3; Hazleton T. A. B., 14; Audenrold Pioneers, 10; Hazleton Cadets, 55. Hazleton Cadets, having the largest increase since the last convention, were awarded a picture of Father Mathew.

**Two Aged Residents Dead.**

Frank Gallagher, a well known resident of town, died at his home on Main street at 8 o'clock Saturday morning after an illness of a few weeks, and at 3 o'clock yesterday morning he was followed by Edward Brogan, of Ridge street, who expired from the effects of an attack of pneumonia. Both men were for many years residents of this section, and their death is regretted by their many friends.

Mr. Gallagher is survived by his wife and the following sons and daughters: Hugh J., of Colorado; John F., Freeland; Thomas, Highland; Mrs. James Brennan, Oneida, and Mrs. Mary McHugh, Freeland. The funeral will take place at 9 o'clock tomorrow morning. A requiem mass will be read at St. Ann's church and the remains interred at St. Ann's cemetery.

Mr. Brogan is survived by his wife, who has been dangerously ill for some time, and the following sons and daughters: Patrick, William, James, Edward, Mrs. John Gallagher, Mrs. James Denison and Miss Annie. The funeral will be held tomorrow afternoon at 2 o'clock. Interment at St. Ann's cemetery.

**No Doctor for Smallpox.**

Hon. Stanley W. Davenport and George B. Butler, directors of the Central poor district of this county, have been endeavoring to secure a physician for the past few days to attend a man named Lyons, who is suffering from smallpox at Larksville, but thus far they have been unsuccessful. They have offered \$10 per day to any medical man who will attend the case. The young man has had no medical attendance since the nature of his complaint became known.

Dr. Louis Edwards, who has a number of patients in that vicinity, gave the guards about the house advice as to what nourishment would be best for the young man and instructions as to the treatment of the corpuscles on the face, but outside of that he has had no treatment whatever.

The family owns three dogs, which are confined in the house, and the guards have been notified to shoot them as soon as they venture outside. All other necessary precautions are being taken to prevent the spread of the disease. Children of the vicinity are being vaccinated by the score.

**In the Borough Lockup.**

Toney Dohat, of Lattimer, was arrested at that place yesterday by Constable Welsh on the charge of assaulting a young girl several weeks ago. The accused had been missing for some time. He was placed in the lockup and will be given a hearing before Squire Shovlin tonight.

George Yurish is serving a five-days' sentence on charges preferred against him by George Shonowsky, of Ridge street. Yurish struck him with a plate and was later arrested by the police. He was given a hearing by the burgess and fined \$5 or five days in the bastille.

At East Mauch Chunk on Saturday Daniel Burke, aged 25 years, was fatally injured while at his work in the Jersey Central Railroad yard. His foot became fastened between rails and he was run over. He died a few hours later in Easton hospital.

"I have been troubled with indigestion for ten years, have tried many things and spent much money to no purpose until I tried Kodol Dyspepsia Cure. I have taken two bottles and gotten more relief from them than all other medicines taken. I feel more like a boy than I have felt in twenty years."—Anderson Riggs, of Sunny Lane, Texas. Thousands have testified as did Mr. Riggs. Grover's City drug store.

## THEATRICAL.

The Scranton Tribune of December 1, 1900, in reviewing Mildred Holland's performance, said: "As Aria, Miss Holland had a role which offers her splendid opportunities and none of them go begging. In the first and second acts, she is the tender trusting maiden, devoted to her parents. She has attracted the love of a man of a higher social scale. To save the life of her father, and to rescue her mother from tortures, she allows herself to be made a wanton in the eyes of the man she loves, and in the scene of the duchess' palace, when she has been humiliated and disgraced past endurance, all that is strong and pure within her rebels at the suffering that has been inflicted upon her. She has been good too far, and like a tigress, she turns upon the despicable duchess and paints her picture as she is beheld by virtuous women. It was a fine scene and capably acted by Miss Holland. The fourth act has also emotional scenes for the star which were enacted with an absence of heroics that was admirable. The staging of the play is presented in an exceptionally fine manner, the first and third acts being particularly beautiful." The principal members of the cast are Lillian Norris, Frances Brooke, Rita O'Neal, Frederic Ormonde, Frank Drew, S. A. Rose, L. D. Wharton, Leonard Walker, Florence Renner and many others.

Stetson's colossal dramatic and scenic production of "Uncle Tom's Cabin" comes to the Grand tomorrow evening. This production far surpasses that of last season in every particular. Special attention has been given to the staging of the piece, and several scenic effects are magnificent. One of the largest organizations of white and colored artists ever gathered together in one combination has been engaged by Mr. Leon W. Washburn for this season, everyone of whom was selected for his or her adaptability for the part assigned. A clever lot of colored people add materially to the production by a number of high-class specialties. The street parade has two bands of music, a number of gorgeous chariots, tableaux wagons and little carriages built at a large outlay of money, making it the finest free street pageant ever given by any similar organization.

In order to make connections with the Lehigh Valley Railroad, so that the scenery can arrive here at 9.30 o'clock Wednesday morning and be placed in position properly at the Grand opera house, the performance of "The Power Behind the Throne" will begin tomorrow evening at 7 o'clock at Cortland, N. Y. Part of the run from Cortland will be made on a special train.

**ROUND THE REGION.**

A number of the congregation of the Italian Catholic church at Hazleton are dissatisfied with their pastor, Rev. Peruzzi, and the church was closed yesterday by the trustees. Sheriff Harvey and Hazle township constables were present to prevent a clash between the factions.

You will waste time if you try to cure indigestion or dyspepsia by starving yourself. That only makes it worse when you eat heartily. You always need plenty of good food, properly digested. Kodol Dyspepsia Cure is the result of years of scientific research for something that would digest not only some elements of food but every kind. And it is the one remedy that will do it. Grover's City drug store.

The body of Private William Price, who while a member of Company M, Seventeenth United States Infantry, lost his life in the Philippines by drowning, last July, arrived on Saturday at his home in Tamaqua and was buried with military honors yesterday.

"Last winter I was confined to my bed with a very bad cold on the lungs. Nothing gave me relief. Finally my wife bought a bottle of One Minute Cough Cure that effected a speedy cure. I cannot speak too highly of that excellent remedy."—Mr. T. K. Houseman, Manatawney, Pa. Grover's City drug store.

The thirty-five laborers who struck for an increase of 15 cents a day at the Vulcan Iron Works, Tamaqua, have lost, new hands having been hired at the old rate.

"I had piles so bad I could get no rest nor find a cure until I tried DeWitt's Witch Hazel Salve. After using it once, I forgot I ever had anything like piles."—E. C. Boice, Somers Point, N. Y. Look out for imitations. Be sure you ask for DeWitt's. Grover's City drug store.

Fire in the Bennett building, Wilkesbarre, destroyed the stock in two stores and the books and papers of several attorneys.
