The borough council met in regular session Monday evening, with all members present except Messrs. Doggett, Meehan and Schnee. The following bills were ordered paid: Frank O'Donnell, coal, \$9; Stephen Drasher, salary and postage as secretary of Board of Health, \$30.38; Electric Light Co., \$277.33. A number of bills were returned for correction.

A communication from the Board of Health asking council to approve the election of Dr. Deardoff and Dr. Miers as members was accepted.

The notice of Anthony Rudewick that he would hold council responsible for damages to his land on Washington street was referred to the street committee.

Dates at the Public park were given to the following: Crescents, June 15; St. Ann's band, June 22, Good Wills, June 29.

The secretary was instructed to forward a copy of the ordinance to Daniel Heimbach, White Haven, as per his request.

Communications from several civil engineers were read, but council failed to engage any.

The confirmation of James J. Kennedy as chief of the Citizens' Hose Company was asked for and granted.

Council accepted the invitation of Maj. C. B. Cox, Post, No. 147, G. A. R., to participate in the parade on May 30 and appointed Messrs. McNelis and McLaughlin to make arrangements.

The report of Street Commissioner Shovin showed work to the amount of \$94.88 done during the past month.

The report of Burgess Boyle showed receipts to be \$31, and \$10 due the borough.

The report of Chief of Police O'Donnell was approved, and the bills attached, amounting to \$135, were ordered paid.

Janitor O'Donnell's bill for salary and feeding expenses, \$31.05, was approved.

The street committee was authorized to secure the services of a surveyor to work at their direction.

The question of a crossing at Pine street to the Public park was placed in charge of the street committee.

The light committee reported twenty lights out during April and stated that no reduction could be had unless the same light is out two successive nights. The committee also reported 433 poles of various corporations in the borough from which no revenue is derived.

It was decided to remove the arc light from Keck's alley on Walnut street to the intersection of North and Centre streets, a petition having been given the committee from property owners. The action was unanimous.

The police committee and burgess were authorized to call out the special officers when occasion demands.

Upper Lehigh Death.

Mrs. Annie Pierson, wife of Andrew Pierson, died at her home in Upper Lehigh on Monday evening after a brief illness. The deceased was aged 42 years and is survived by her husband and ten children. Mrs. Pierson was a resident of the town for several years and had many friends in this vicinity. The funeral will take place at 2 o'clock tomorrow afternoon. Services will be conducted by Rev. J. J. Kuntz, of St. Luke's church, and the interment will be made in Freeland cemetery.

Heard the Appeals.

The county commissioners held forth at the Central hotel yesterday and listened to the appeals of taxpayers who felt that they had been unjustly treated in the revising of the assessment of the borough. Several of the appeals were found reasonable, being based on errors and misunderstandings, and these were promptly rectified. A few of the requests for abatements were refused, the commissioners believing that there is no injustice in the rating fixed on the cases in question.

A Sudden Death.

In the saloon of Mike Kyska, on South Centre street, shortly after 2 o'clock this afternoon, Andrew Wascovitch, aged about 45 years, dropped dead. The deceased was a stone mason and resided on Adams street. He is survived by a wife and family in Europe. Heart disease is supposed to have caused his death.

When the body was taken to his home the boarding mistress refused to admit it and the remains are now in the basement of St. John's Slavonian church.

Won His First Game.

Bernard McFadden, of town, pitched his first complete game for Cincinnati National league team yesterday and his club won from St. Louis by a score of 4 to 3. Eleven innings were necessary to decide the contest and McFadden's pitching, according to the press dispatches, was superb.

Challenged the Horse.

From Today's Hazleton Standard.
The stallion that bit the nose off Frank Billman, at Freeland, on Sunday, is now the property of the gypsies, who at the present are encamped on Alter street.

On Monday evening Toney Deluce, a grocer of that street, visited the camp and was interested in the horses. One of the animals that attracted his attention was a pretty stallion. Toney who prides himself on being a judge of good horses went to the animal, and, as all horsemen do, proceeded to the horse's mouth to examine its teeth, to ascertain its age.

Toney did not get his hand as far as the mouth, for the stallion made a dive at his face, when Toney, with a quick move, took his face out of harm's way, but his chest was exposed and in reach of the little stallion. The stallion saw the fine opportunity and grabbed the coat of Toney. With the material in its mouth and a grip as firm as a vise, the horse began to shake Toney. Tiring of this in a moment, it reared on its hind feet and began to prance.

During this performance the poor grocer was in the air and at any moment might be under the feet of the irate animal, where with a jump the life would be crushed out. Several persons present noted the predicament of the man and went to his aid. After considerable difficulty, the grip of the animal was unloosed and the man freed.

After being freed, Toney raised his sleeves and stood off the distance required in a prize fight. He then asked the gypsies to let the horse loose, as he thought that he could defeat it in a fair fight. The crowd laughed, but Toney was in earnest and asked for a trial, but this was not given. To pacify the man it was arranged to have the man and the horse fight last evening. At the required hour Toney was at hand, as was also a large crowd of the Diamond residents, but the gypsy would not allow his vicious pony to fight.

ROUND THE REGION.

Mrs. John Nicholson, a resident of West Pittston, attempted to commit suicide by drowning in the Susquehanna last night. Under cover of darkness the woman left her residence and walked along the bank to a point where she could easily get beyond her depth. She was rescued just in time. Thomas Nicholson, a wayward son of the family, is under arrest. He is charged with stealing valuables from his own home. The mother, stricken with grief, attempted her life.

"Our little girl was unconscious from strangulation during a sudden and terrible attack of croup. I quickly secured a bottle of One Minute Cough Cure, giving her three doses. The croup was mastered and our little darling speedily recovered." So writes A. L. Spafford, Chester, Mich. Grover's City Drug Store.

Robert W. Taylor, of Mahanoy City, the druggist who was convicted of an attempt to poison, and afterwards broke jail, being at liberty for nearly two days, was sentenced yesterday for his last escapade. For the first crime he was already under sentence of seven years. Judge O. P. Bechtel added one year and nine months to his sentence. His removal to the Eastern penitentiary was ordered.

DeWitt's Little Early Risers search the remotest parts of the bowels and remove the impurities speedily with no discomfort. They are famous for their efficacy. Easy to take, never gripe. Grover's City drug store.

James Gannon, of Scranton, who seven years ago was sent to jail for contempt of court because he would not sign a deed which the court ordered him to sign, was released from custody yesterday. An act was passed by the legislature to suit his case, giving the sheriff power to sign a deed in a similar case. When brought before the court Gannon persisted in his refusal, the sheriff signed the instrument, and Gannon was allowed to go.

Skin affections will readily disappear by using DeWitt's Witch Hazel Salve. Look out for counterfeits. If you get DeWitt's you will get good results. It is the quick and positive cure for piles. Grover's City drug store.

Henry Blum, of Cranberry, received notice from the war department yesterday that his son, Jehn, has been drowned in the Philippines. He met death the same day as William Boyle, of Nanticoke, whose fatality was reported in Monday's Tribune. Both young men were members of the Twenty-eighth infantry and were expected home this month.

Mr. W. J. Baxter of North Brook, N. C. says he suffered with piles for fifteen years. He tried many remedies with no results until he used DeWitt's Witch Hazel Salve and that quickly cured him. Grover's City drug store.

Surprise was created in Pittston yesterday morning by the arrest of Louis Heineman, a butcher, on the charge of having violated the blue laws by having sold meat and transacted other business on Sunday. The announcement is made that hereafter everybody who desecrates the Lord's day will meet with the same treatment.

You are much more liable to disease when your liver and bowels do not act properly. DeWitt's Little Early Risers remove the cause of disease. Grover's City drug store.

Wilkesbarre Improvement Society has unearthed the astonishing fact that the county commissioners granted the use of the courthouse square for circus advertising purposes for fifty complimentary tickets to the show.

The least in quantity and most in quality describes DeWitt's Little Early Risers, the famous pills for constipation and liver complaints. Grover's City drug store.

Three more smallpox cases were reported at Larksville yesterday. All possible precautions are being taken to prevent a spread of the disease. The patients, ten in number, are closely related and live in two houses.

Trouble at Lansford.

The manager of the "Way Down East" Company got into trouble with Burgess Maloy at Lansford, Saturday night, and is now under bail to appear before a local justice and answer a charge of trespass. Editor-Burgess Maloy printed something in Saturday's Record that did not suit the theatrical manager. When the editor's wife appeared at the performance the manager refused to honor the "comp" presented. Burgess Maloy resented the act by collecting \$75 license money and suing for \$100 damages, alleging trespass. The case will be heard on Friday.

"I have been suffering from dyspepsia for the past twenty years and have been unable after trying all preparations and physicians to get any relief. After taking one bottle of Kodol Dyspepsia Cure I found relief and am now in better health than I have been for twenty years. I can not praise Kodol Dyspepsia Cure too highly." Thus writes Mrs. C. W. Roberts, North Creek, Ark. Grover's City Drug Store.
