DEATHS OF THE WEEK

Former Residents Who Have Expired.

Daniel Kennedy Killed in the Mines at Wilkesbarre. Mrs. Boyle Dies at Bayonne, N. J.—Other Deaths.

Daniel Kennedy, of East End, employed in No. 2 D. & H. mine, was instantly killed Friday morning by the premature explosion of a blast. While lighting the squib a small body of gas was ignited and this in turn set off the blast.

Deceased is survived by his wife and eight children—Patrick, John, Edward, Daniel, Mary, Bridget, Katie and Maggie, all living at home; also by three brothers, Patrick, hotelkeeper of East Market street; James and John in Ireland, and four sisters, Mrs. Felix Boyle and Mrs. Patrick Gallagher, of Wilkesbarre, and Mrs. Patrick Kennedy and Mrs. Bernard Boyle in Ireland; and his mother, also in Ireland.

Deceased was a member of the following organizations: Emerald Beneficial Association, Branch No. 107, East End; Father Mathew Society, East End; United Mine Workers' Union, Local No. 1,463.—Wilkesbarre Record.

Mr. Kennedy was a brother-in-law to John and Con McCole, Mrs. Condy McLaughlin and Mrs. Denis Gallagher, all of Freeland, and was well known here, having resided in this section for many years.

The remains arrived from Wilkesbarre this morning at 9.30 o'clock and were taken to St. Ann's church, followed by a large number of the relatives and friends of the family. A requiem mass was read at the church and the remains were interred at St. Ann's cemetery.

DIED AT BAYONNE, N. J.

Mrs. Mary Boyle died at her home in Bayonne City, N. J., early yesterday morning. The remains will arrive at Drifton at 6.30 o'clock this evening and will be taken to the home of her daughter, Mrs. Condy Boyle, in that town. The funeral will take place tomorrow, but the hour has not yet been set. The interment will be made at St. Ann's cemetery.

Mrs. Boyle was a resident of Drifton for several years, and later resided on Front street and at the corner of South and Ridge streets, Freeland.

She is survived by the following sons and daughter: Edward, Michael, James and Manus, Bayonne City; Francis, California; John P., Houston, Texas, and Mrs. Condy Boyle, Drifton.

DEATH OF A BOY.

George Freas, aged 13 years, died yesterday morning at the home of his parents, Mr. and Mrs. Ezra Freas, in the Second ward. The child was a bright young lad and his death was a surprise to the friends of the family. The funeral will take place tomorrow afternoon at 2 o'clock. Interment at St. Ann's cemetery.

A LARGE FUNERAL.

The funeral of the late Mrs. Edward Brogan took place yesterday afternoon from the home of her daughter, Mrs. James Dennion, and was largely attended. The remains were taken to St. Ann's church, where services were held, after which the interment was made in the adjoining cemetery.

DEATH OF AN INFANT.

An infant son of Mr. and Mrs. Andrew Ruchlitz, of Chestnut street alley, near Centre street, died last evening and was buried this afternoon at St. Ann's cemetery.

Full Time This Summer.

It was given out from reliable sources on Saturday as coming from President Baer, of the Philadelphia and Reading Coal and Iron Company, that the collieries, thirty-nine in number, operated by that corporation will be worked full time this summer in order to make up the company's tonnage for the year.

The company's output per year averages 9,000,000 tons. It is said that it is

MISCELLANEOUS ADVERTISEMENTS.

The board reserves the right to reject any or all bids.
All bids must be marked "Proposals for Barn" and be in the secretary's hands before 6 o'clock p. m., May 14, 1901.

the intention to increase this output to 12,000,000 tons.

It is also said that the Wyoming region is falling off in its production and that the company will have to make up for this loss by working the Schuylkill region collieries to a greater capacity.

BASE BALL.

An old-fashioned game took place at the Tigers park yesterday between teams captained by John McGroarty and Charles Gallagher. The game was exciting from start to finish and so engrossed were the players that they almost forgot their suppers.

John Boner, of Drifton, on Saturday played his first game with the Chester club. Boner is second in the batting order of his team.

The Columbians defeated the Chesters, of Drifton, yesterday by a score of 10 to 6.

At McAdoo yesterday the Good Will was defeated by a score of 14 to 7.

Highland ball club defeated Eckley team on the latter's grounds yesterday.

Workmen will repair the fence at the Tigers park this week to prepare for exhibition games by several well-known teams the coming summer, among which will be the famous Cuban Giants.

After the Senate.

At Harrisburg on Wednesday delegations from the United Mine Workers and the Boards of Trade in the coal region will appear before the committee of the state senate which has charge of the bill taxing company store orders. A determined effort is to be made to secure the passage of the bill, which has been held up by orders from the operators who fleece their employes through the "pluck-me" stores.

The Mine Workers are also interested in a number of other bills and will demand their passage by the senate.

Ebervale Strike Ended.

The miners at Ebervale collieries, who struck on Thursday morning on account of one of their number being ordered to report at Markle & Co.'s office to answer an alleged infraction of the rules, met yesterday and decided by a unanimous vote to return to work.

In the opinion of many members of the union the strike was ill-advised and the decision to return to work was expected.

Both collieries resumed operations this morning.

Damage Suit Settled.

The suit for \$100 damages instituted by Editor-Burgess Maloy, of Lansford, against G. A. Blumenthal, manager of "Way Down East" Company, on account of the manager's refusal to honor press tickets presented by Mrs. Maloy and her children, was settled last week by W. A. Brady, owner of the show, paying the sum demanded and all the costs incurred.

Chartered in Jersey.

The Wilkesbarre and Hazleton Railroad Company was incorporated on Saturday at Trenton, N. J. It is authorized to construct and operate railroads and tramroads outside of New Jersey. The incorporators are D. Ufford Jennings, Benjamin H. Adams and Charles W. King, all of Jersey City.

Something for Buyers.

People who buy clothing, shoes, dry goods, etc., will find considerable interest on the third page of the Tribune today. A number of offers in the above lines are made which cannot fail to place money in the pockets of those who take advantage of them. The extraordinary bargains given in our columns on the third page should receive the early attention of every buyer in the region.

"I have been suffering from dyspepsia for the past twenty years and have been unable after trying all preparations and physicians to get any relief. After taking one bottle of Kodol Dyspepsia Cure I found relief and am now in better health than I have been for twenty years. I can not praise Kodol Dyspepsia Cure too highly." Thus writes Mrs. C. W. Roberts, North Creek, Ark. Grover's City Drug Store.

If people only knew what we know about Kodol Dyspepsia Cure, it would be used in nearly every household, as there are few people who do not suffer from a feeling of fullness after eating, belching, flatulence, sour stomach, or water brash, caused by indigestion or dyspepsia. A preparation such as Kodol Dyspepsia Cure, which, with no aid from the stomach, will digest your food, certainly can't help but do you good. Grover's City Drug Store.

PLEASURE.

May 30.—Annual picnic of Tigers Athletic Club at the Public park.

ROUND THE REGION.

The Mine Workers of Plymouth have expelled from their ranks two of the members who went to Harrisburg and opposed the mine bills before the legislature. A mass meeting of miners was held at Plymouth last night, and the action of the board in expelling the men was indorsed. Organizer Fred Dlicher made a speech, in which he denounced the traitors in the camp of the miners.

The first death of smallpox since the outbreak at Larksville occurred Saturday morning, when a ten-month-old child of Elias Trimble succumbed. One of the guards at the pest house visited Wilkesbarre Friday evening to have a check cashed and created great excitement. He was seen by a member of the Board of Health and ordered to return under penalty of being shot.

A committee consisting of Congressman William Connell, Colonel L. A. Watres and Major Everett Warren waited upon Vice President Roosevelt in New York on Saturday and secured from him his promise to attend the ball with which the new Thirtieth regiment armory at Scranton will be opened early in June.

In honor of his return home from the Philippines after two years' service with the Twenty-eighth regiment, Corporal Irwin Frantz was tendered a reception at Tamaqua Saturday night, all the patriotic, secret and civic societies participating in a parade.

Pottsville Union Traction Company has granted the carmen employed on its trolley lines their demand for increased wages, although the men had to make some concessions. Nine hours will constitute a shift and the men will be paid the day rate for over time.

Try Kelper's 5-cent cigar—best made.

While playing with a loaded revolver which he found in his father's chest, Salvatore Laske, of Hazleton, aged 7 years, accidentally discharged the weapon on Saturday and shot himself in the breast. He is in the hospital in a serious condition.

DeWitt's Little Early Risers search the remotest parts of the bowels and remove the impurities speedily with no discomfort. They are famous for their efficacy. Easy to take, never gripe. Grover's City drug store.

A piece of coal 6 feet long, 5 feet wide and 5 feet high was taken from Packer colliery No. 5, Schuylkill county, for the Pan-American Exposition at Buffalo. It is estimated that it has cost \$2,500 to get it out, not including the transportation.

The county commissioners have refused to purchase the bridges which span the Susquehanna river, stating that a new county court house would have to come before free bridges.

Origin of the Snowdrop.

An old legend gives the following as the origin of the snowdrop: After Adam and Eve had been driven from the garden of Eden Eve was disconsolate. One day as she sat silently grieving an angel appeared and sought means to comfort her. She longed for the flowers, but the fast descending snow was wrapping the barren earth in a robe of white.

As the angel stood and spoke words of hope to the weeping, repentant woman he caught a snowflake, breathed gently upon it and said:
"Take form, pure snowflake, bud and blossom and be a comfort to humanity now and forever."

In a twinkling the snowdrop changed into a beautiful flower, as white and pure as the snow itself, and when Eve beheld the new born blossom gladness and hope came to her heart, and she smiled through her tears.

Having fulfilled his mission of love, the angel departed, but where he had stood there immediately sprang up a circle of perfect snowdrops.

Boy Lost.
"Oh, where, oh, where is Tommy Tibbet? He's disappeared, we fear.
Boy lost!" the village crier droned;
Hark, and his voice you'll hear:
"Four years of age, with golden hair;
His dress a gingham frock;
His stockings full of holes; he was
Last seen at ten o'clock."

Oh, look, oh, look! Here's Tommy Tibbet;
Restored to us again!
"Now, Tommy, boy, where have you been
Since last the clock struck ten?"
"I wish you'd all leave me alone;
I'm playing hide and seek,
And I'd want to go and hide
It's mean of you to peck!" —W. R. F.

Whistling in Iceland.
Whistling in Iceland is considered as much of a sin as profanity. There are some parts of the world where those who whistle are fined and put in prison.

NOTICE TO THE PUBLIC.
