MINERS WANT LEGISLATION

Their Interests at Harrisburg Neglected.

Movement Is Under Way to Send Solid Delegations of Workingmen to the Next Legislature.

Seldom, if ever, has a session of the legislature received more attention from the miners of Pennsylvania than the present one. Notwithstanding the fact that the state is the greatest industrial commonwealth in the union, the number of laboring men holding seats in the senate and house is so small that the few who are there are powerless to shape legislation affecting the interests of workingmen. This has been demonstrated so plainly in the recent past, in the trouble experienced in having passed acts which 140,000 mine employes have asked for, that the miners have learned that to obtain the legislation they desire they must be represented by men chosen from their own ranks—by people who are qualified by experience to set forth the miners' claims for legislation in a manner which the public at large will understand.

Instead of pleading and begging for the passage of such legislation as they feel they are entitled to, the mine workers of the state propose to place men in the seats who will respond to their wishes in all things which are just and fair.

With this end in view a movement is now under way to induce suitable men in every district in the coal regions to seek legislative nominations a year hence. These candidates, it is proposed, shall be men whose honesty of purpose and sympathy with their fellow-workmen cannot be doubted, and with the anthracite and bituminous regions both represented by solid delegations of men chosen from the ranks of workers the miners of the state can expect to receive more consideration at Harrisburg than has been accorded them for years past.

Among the miners who have been approached to accept the legislative nomination in this district is Councilman Peter G. Gallagher, of town. After repeated solicitation on the part of his friends and those who believe their interests in the legislature would receive proper attention at the hands of such men as he, Mr. Gallagher has finally consented to become a candidate. The mine employes of Pennsylvania never fully realized how weak they are in controlling and directing legislation until they presented their requests at Harrisburg this year, and if their experience at this session counts for anything there will be many new faces from the coal fields in the next legislative body of the state.

Legislative Apportionment.

The Harrisburg correspondent of the Wilkesbarre Record reports that the plan for the legislative apportionment of Luzerne county, as agreed upon by Representatives Coray, Drum, Hartman, Mahon and Haworth, was handed to the apportionment committee last evening. The new division gives Luzerne

If people only knew what we know about Kodol Dyspepsia Cure, it would be used in nearly every household, as there are few people who do not suffer from a feeling of fullness after eating, belching, flatulence, sour stomach, or water brash, caused by indigestion or dyspepsia. A preparation such as Kodol Dyspepsia Cure, which, with no aid from the stomach, will digest your food, certainly can't help but do you good. Grover's City Drug Store.

MISCELLANEOUS ADVERTISEMENTS.

FOR SALE.—Healy property on South Centre street. Apply to Thos. A. Buckley.

POLITICAL ANNOUNCEMENT.

FOR RECORDER—

JAMES G. HARVEY, of Hazleton.

Subject to the decision of the Republican primaries of Luzerne county.

eight members with the least possible disturbance of the boundary lines of the present districts.

The First district, Wilkesbarre city, will elect two members and the Third district will also elect two members. Dorranceston has been taken from the Second district and attached to the Third district.

The Upper Lehigh district of Butler township has been taken from the Fourth district and attached to the Sixth district and Marcy township has been taken from the Second district and attached to the Fifth district.

This apportionment will give Luzerne the eight districts it is entitled to and will leave their political complexion the same as they are at present. Should the unexpected happen and orders be issued to pass an apportionment bill, Luzerne members will support it.

New County Bridges.

County Controller Lloyd is asking for proposals for building bridges at the following points in this end of the county:

Across Big Nescopeck creek, near Seybertsville, Sugarloaf township, appropriation \$1,000.

Across Little Nescopeck creek, near J. W. Smith, Butler township, appropriation \$300.

Across Gingerbread run, White Haven road, Bear Creek township, appropriation \$200.

Across Mill race of Heller mill, Conyngham township, appropriation \$200.

Across Crissy creek, near Keonapple's farm, Denison township, appropriation \$300.

Across Conaty's creek, between White Haven and Butler valley, Denison township, appropriation \$350.

Millions Involved.

The preliminary action was entered in Schuylkill county court yesterday a gigantic ejectment suit of Mrs. Elizabeth Albright and 330 other heirs of the late Burkhardt Moser against the Lehigh Coal and Navigation Company, which will be tried at Pottsville next week.

The Moser heirs allege that the defendant company is a trespasser and has no title to coal lands over which it claims ownership in East Tamaqua and Rahn township, in Schuylkill county, and to coal tracts in Carbon county, the total value of which to the plaintiffs, who claim ownership, aggregates from \$8,000,000 to \$10,000,000.

An Increase in Salary.

Official announcement was made yesterday by the postoffice authorities of the increases in salaries to be given postmasters for the coming year. Postmaster B. F. Davis is among the lucky mail-sorters, and his salary hereafter will be \$1,600 a year, an increase of \$100. The salary is based upon the business done, and the increase is a telling point in Freeland's favor. Population considered, the local postoffice does more business than any other office in the state.

The salary attached to the Hazleton postoffice has been increased from \$2,500 to \$2,600.

Will Probated.

The will of the late Mrs. Elizabeth Graham, of Sandy valley, was probated before Deputy Register Kuntz yesterday. To her daughter, Mrs. Matilda Moses, is left all the personal property with the exception of a horse, cow and farming implements, which are left to her son, Wallace. To her sons, William and Wallace, she leaves the farm. The estate is valued at \$1,500.

Found the Children.

Mrs. James Rhoda, of Upper Lehigh, is preparing to apply for legal possession of the two orphan children of Benjamin Davis, whose whereabouts were unknown until this week, when they were located. One, a boy, is living near Mahanoy City, and the other, a girl, resides at Pottsville. Mrs. Rhoda is the grandmother of the little ones.

The Lehigh Valley Railroad will sell tickets, good on day coaches of all trains, except the Black Diamond express, on May 29, to the Pan-American Exposition, at the lowest Pan-American rate in effect at points between New York and Athens, inclusive. "Our little girl was unconscious from strangulation during a sudden and terrible attack of croup. I quickly secured a bottle of One Minute Cough Cure, giving her three doses. Trouble in Drifton Shops.

Over twenty of the boiler-makers in Drifton shops struck this morning. They demand pay for every hour they work and for the time occupied in transporting them to and from other towns to which they are sent by the company. The men are frequently sent to Oneta and other distant places, but receive no pay for the extra hours in the morning and evening which they spend going and coming.

All the boiler-makers are members of Federal Labor Union, No. 8750, A. F. L., and a special meeting will be held this evening.

Remains Buried Here.

The remains of the late Samuel Klingerman, who lost his life in Silver Brook mine on Monday, were brought to town this afternoon and interred at Freeland cemetery. Mr. Klingerman had many friends here who regret his untimely end.

After taking one bottle of Kodol Dyspepsia Cure I found relief and am now in better health than I have been for twenty years. I can not praise Kodol Dyspepsia Cure too highly." Thus writes Mrs. C. W. Roberts, North Creek, Ark. Grover's City Drug Store.
