## JAMES OUT OF THE UNION

Executive Board Member  
Tenders Resignation.

Having Cleared Himself of  
Charges, He Will Leave  
the Organization to En-  
gage in Business.

Benjamin James, of Jeanesville, a member of the national executive board of the United Mine Workers, on Saturday forwarded to President John Mitchell his resignation, to take effect July 1. The resignation includes his membership in the organization as well as his position on the executive board.

James has contemplated the move for some time past, but waited until such time as he could clear himself of the charges resting against him, which have been reported as being an attempt to use the organization for political purposes and attacks on members high in the order.

He will associate himself with a Wilkesbarre business firm and has already prepared to take up a residence in that city.

### Institute's New Instructor.

From the Lansford Leader.

Mrs. Cox applied to Lehigh university for an instructor for the Mining and Mechanical Institute at Freeland, and the authorities have given her the services of C. M. Crawford, our former assistant principal. The standard of the institute is to be raised and prepare students for Lehigh. The services of Prof. Crawford would not be given to the institute for an indefinite time, as Lehigh would not let him go.

We still have a recollection of a few men in this town who thought that Prof. Crawford did not fill the bill here, but he was so good that Lansford could not keep him. It would pay the Lansford board to get another man like Crawford and pay him a good salary, for he was and is an excellent instructor and his recognition as such by people who are in a position to know his merit is pleasing to his friends here and they are numerous.

### Last Night a Failure.

The Sawtelle Company closed its week's engagement at the Grand opera house on Saturday evening, and this morning the members departed for Hazleton. The company is one of the best repertoire organizations that has played in town and all the performances were pleasing to the patrons of the house, except that of Saturday night. On the latter evening the Grand was packed from bottom to top to see "Ten Nights in a Barroom." For some reason or another the actors, who had done so well in a variety of pieces during the week, were unable to do justice to the old melodrama and made a failure of the production. The attendance was a record-breaker on the last night and the disappointment which followed the company's unsuccessful efforts to properly produce the drama were keenly felt.

### Foster School Board.

All members of the Foster school board were present Saturday evening at the special session of that body. The auditor's report was read and accepted. President Johnson stated that it was necessary to publish the report and suggested the Tribune and Press, and Directors Keller and O'Neil suggested the Tribune and Speaker. On the latter the members voted: For, O'Neil, Keller and Johnson; against, Doud.

Dyspeptics cannot be long lived because to live requires nourishment. Food is not nourishing until it is digested. A disordered stomach cannot digest food, it must have assistance. Kodol Dyspepsia Cure digests all kinds of food without aid from the stomach, allowing it to rest and regain its natural functions. Its elements are exactly the same as the natural digestive fluids and it simply can't help but do you good. Grover's City drug store.

### POLITICAL ANNOUNCEMENT.

FOR RECORDER—

JAMES G. HARVEY,

of Hazleton.

Subject to the decision of the Republican primaries of Luzerne county.

Zeisloft and McHugh. The board then accepted Director Doud's suggestion of the Tribune and Press. It was carried by the votes of Messrs. McHugh, Zeisloft, Doud, O'Neil and Johnson, Director Keller voting no.

The bond of John O'Neil as treasurer, in the sum of \$30,000, with Hugh Malloy, James McHugh, Condy O. Boyle and William J. Brogan as sureties, was accepted.

The secretary was instructed to write a release for ex-Treasurer Doud's bond. Salaries were made the same as last year, viz: Secretary, \$250; treasurer, 2 per cent on all moneys paid out.

The tax rate was made the same as last year, 13 mills for schools, 13 mills for building and \$1 minimum occupation tax.

A bill of \$30 from the auditors, Geo. L. Shupp, T. J. Argust and Wm. Welliver, was ordered paid; also a bill of 35 cents from Silas Woodring for supplies for the auditors.

President Johnson apportioned the districts to the members.

Some of the directors wanted to elect a solicitor, while others desired that the matter lay over until the regular meeting. Director O'Neil's motion to elect was not seconded and the matter went over.

President Johnson suggested that the members report at the school building at 7 o'clock on regular meeting evenings to discuss matters for the welfare of the schools, and also to familiarize themselves with matters likely to come before the board.

### Tonight's Fistic Contests.

All arrangements have been made for the boxing exhibitions this evening. The members of the Sterling Athletic Club have gone to considerable expense in preparing for tonight's contests, and it is expected that their work will result in a large attendance of sporting people. The first bout will be between "Kid" McGuinn and Bill Young Marshall, both of Philadelphia, who will have a six-round go.

The next and last will be between Jack Bonner, of Philadelphia, formerly of Summit Hill, and Scaldy Bill Quinn, of New Jersey. The former is a favorite with Freeland people, but the colored man is not without admirers in town. His fight against Charles Johnson here some years ago is well remembered and won him many friends. As the contest is for fifteen rounds, both men will have all the opportunity desired to show their science and to work for the decision.

### Goose Settles a Lawsuit.

A goose decided who its owner really was, and so settled a dispute in Magistrate Thomas Loftus' court in Pittston on Saturday. Mrs. Ann McDonald charged Maxwell Connors with stealing the goose, and demanded that it be returned. Connors, who appeared in court with the bird, denied that it had been stolen, and had witnesses to prove that he had purchased the goose from a farmer.

The alderman finally decided that the only fair way to settle the dispute was to take the goose to the roadway near the home of both and be governed by the action of the fowl itself. The court adjourned to witness the test. The goose waddled to the plaintiff's house, and its decision was made the ruling of the court.

### Firemen Called Out.

The fire alarm sounded at 10.30 o'clock yesterday morning, a blaze having been discovered in the residence of Albert Kester, in the Second ward. The alarm was turned in from box 62, but the first few blasts of the whistle made it appear to come from box 24. The firemen started for the latter box, at Ridge and South streets, and had reached the corner of Main and Centre streets before the error was discovered. By the time the hose carts arrived near the Kester home the blaze was extinguished. The damage to the house is slight.

## ROUND THE REGION.

Harry Decker, a Lackawanna fireman, is recovering, at his home in Nicholson, from the injuries he sustained in rescuing his little daughter from death under a flying express train. Decker's train had run on a siding at Nicholson to permit the express to pass. His baby girl saw her papa and started across the tracks to him just as the express hove in sight. Decker saw her peril and ran for her.

Miss Lizzie Rose, of Shamokin, took an ounce and a half of iodine with suicidal intent. She would have died had not a doctor arrived and administered antidotes. About five weeks ago she declared she wanted to shoot herself and a young man whom she accused of jilting her, but she was disarmed by a policeman.

The telegraph and telephone linemen of Wilkesbarre and Scranton went out on strike at noon on Saturday for a shorter day and more wages. They want \$2.50 a day instead of \$2.25, and nine hours work instead of ten; and exchange men \$60 a month instead of \$50 and inspectors \$50 a month, or \$2.50 a day. The companies refused the demands.

Julia Kondrak, a non-union worker at Plymouth stocking mill, was followed to her home by a number of strikers who called her names and threw stones at her. She had eleven girls and two men arrested and they were given a hearing before Burgess Cox. The Burgess fined eight of the girls \$5 each and discharged the others.

The efforts of the Democratic factions of the county to harmonize their differences have failed again. The meeting which was to have been held on Saturday last by the Lenahan and Garman followers was declared off, owing to the failure of the Lenahan faction to appear.

The new armory of the Thirteenth regiment at Scranton, which has been erected by public subscription at a cost of \$200,000, was formally opened to the public Friday night with an entertainment and ball.

Richard Bowen has been arrested at Mahanoy City, charged with the abduction of his sweetheart, Bridget Stevens. Miss Stevens has been missing several days. Her father made the charge against Bowen. He denies all knowledge of the girl's whereabouts.

A young woman giving her name as Annie Nelson, of Philadelphia, attempted to commit suicide in Wilkesbarre station house on Saturday night by hanging herself. She was cut down by the sergeant in time and was sent back to Philadelphia.

At Scranton on Saturday Mrs. Josephine Bevelacqua was found innocent of the murder of Mrs. Mary Rose. Her counsel at once moved for the discharge of her husband, who was indicted as an accessory before the fact. Both were then discharged.

Joseph Kress, a bartender at Nescopeck, is missing. He was seen last in a boat on Nescopeck creek on Saturday. Yesterday the boat was found upturned, and it is supposed that Kress is drowned.

William R. Price, of Plymouth, a prominent citizen, was found dead in bed, having succumbed to apoplexy.

Chief of Police John Hassell, of Mahanoy City, was shot Saturday morning by burglars, whom he discovered trying to blow open the safe in the office of Swift & Co. He is still in a precarious condition.

Organizer Fred Dilcher, of the United Mine Workers, will locate permanently at Scranton. He expects to soon move his family from Nelsonville, Ohio.

Chester Kerbaugh, of Hazleton, is said to be slated for appointment as a deputy factory inspector.

Dr. Henry C. Amos, of Wilkesbarre, who served during the Civil war and has since been a physician at the county seat, is dead, aged 63 years.

Daniel Poust, a sawyer at Ruggles Mills, at Luzerne, had his right hand cut off by a circular saw.

## BASE BALL.

At Pottsville on Saturday the Tigers met defeat by a score of 16 to 6. The Freeland boys were somewhat handicapped in the pitching department, and to this is due their defeat. Pottsville scored ten runs in the third inning.

Drifton and Hazleton Athletics met yesterday in the first of the series of three games. The Athletics are no match for the Drifton club and were defeated by a score of 11 to 4.

The Tigers will play next Saturday at Berwick and today a week at Bloomsburg.

The Good Will defeated Andenried club in a game of ball at Drifton yesterday. Score: 14 to 3.
