MURDERED BY HIGHWAYMEN

Another Blot on the Record of Luzerne County.

James Ozipa, a Wilkesbarre Fruit Dealer, Clubbed to Death With an Iron Bar Near Pittston.

Another murder blot the record of Luzerne county and the details are of such a nature that the people of Pittston and vicinity are talking of organizing a posse to hunt down the perpetrators of the crime.

At an early hour yesterday morning James Ozipa, a fruit dealer of Wilkesbarre, was found unconscious in the woods near Pittston. Blood was flowing from his mouth and ears, and his skull was crushed in three places. Ozipa was taken to Pittston hospital in this condition, where he recovered consciousness long enough to say that he had been set upon by highwaymen who beat him over the head with an iron bar and took \$300 from him.

No Date for Convention.

Chairman Reese Lloyd refuses to make known the date when he will again call the county convention together for the purpose of announcing the nomination of Arthur Dick for controller. He says that after a careful recount he finds Dick got a few more votes than Controller Joseph Lloyd, the anti-machine candidate for the place. What the small majority is he will not announce. The reason for the delay and his reticence, it is alleged, is that he wants to give Joseph Lloyd time to cool down and restore harmony in the Republican ranks. This is not likely to come about.

Henry Krone, Auditors.

as the machine made many enemies by its course in the convention, and it is highly probable that Lloyd and Harvey, who were declared defeated, according to machine figures, will run independently. They have not announced themselves yet because they cannot until Chairman Reese Lloyd reveals the result of the vote and declares them defeated.

The Democrats are meanwhile arranging to take advantage of the disruption in the Republican ranks.

Election of Officers.

The Young Men's C. T. A. B. Corps yesterday elected the following officers: President—John J. McNelis. Vice president—Patrick Ward. Recording secretary—Patrick Collins. Financial secretary—Denis Gallagher. Assistant—Harry Gallagher. Treasurer—John McColis.

Following are the officers of the Stars Athletic Association: President—Hugh McMenamin. Vice president—John A. Gallagher. Recording secretary—Hugh Breslin. Financial secretary—Charles McGill. Treasurer—Joseph Ferry. Trustees—Charles Gallagher, Bernard McDevitt, Hugh Boyle.

The following officers were elected last evening by the Good Wills Athletic Association:

President—M. Johnson. Vice president—Peter McDevitt. Recording secretary—D. Gallagher. Financial secretary—Geo. Conahan. Treasurer—John G. Enay. Sergeant-at-arms—John McLaughlin. Guard—Edward Gallagher. Trustees—John Meehan, Patrick McDevitt, Hugh McMyer, James O'Neil and William Dugan.

Well Played Ball Game.

The second game of the series between Hazleton Athletics and Drifton Fearnots was played at the local park yesterday afternoon. The game was exciting and interesting from start to finish. The Drifton boys lead in the score in the early part of the game, but through errors and wild throwing permitted their opponents to tie the score at 3, where it remained until the eighth inning.

The ninth inning brought the score 4 to 3 in favor of Hazleton when the visitors ended their half. Excitement was intense as the Fearnots came to bat. Two runs were necessary to win, and it was hoped against hope that they would be had. McGeehan led off with a clean base hit. Gillespie followed with a long three-base drive, sending McGeehan home, which tied the score.

At this point the audience was exceedingly demonstrative. Marley was the next batter, and he knocked out a base hit which scored Gillespie and won the game for the Fearnots, 5 to 4.

Youthful Burglars.

Neuburger's store was entered last night by one of a party of three young lads whose ages range from twelve to sixteen years. The light from matches which he struck in the rear part of the store revealed the presence of the youngest of the trio. He had entered by a window and was trying to open the rear door. Harry Neuburger took him in charge and Officer Molek placed him in the lockup, where it was found he was a boy named Bonomo.

His companions, one whose name is Kane and the other who calls himself "Willie Shafer," made their escape, but warrants have been issued for their arrest.

Bought Six Collieries.

The Seneca Coal Company passed into the control of the Lehigh Valley Coal Company on Saturday. The Seneca Company has been owned and controlled by Edward L. Fuller, of Scranton. The transfer includes the Seneca breaker, the Twin shaft and Coxe shaft at Pittston, the Phoenix breaker and shaft, the Columbia shaft and washery at Duryea, and the Sioux colliery at Mt. Carmel. About 8,000,000 tons of coal remain unmined in the Pittston district alone. Wilkesbarre Electric Light Company has offered to grant the concession of an eight-hour day demanded by the firemen, provided the other companies will do the same thing.

Indefinite Suspension.

A notice, announcing an indefinite suspension of the colliery and the strippings, employing in all about 800 men, was posted by G. Pardee & Co., at Lattimer, Saturday afternoon. The cause of the suspension, which went into effect today, is unknown. It is said that the company took this course to forestall the Mine Workers in their determination to prevent over-production, while another report is to the effect that there is a dispute with the Black Creek Improvement Company on account of royalty.

ROUND THE REGION.

The court has been asked to settle a factional fight in the church of Krippelstein Christie, a Wilkesbarre German Lutheran church. Three members of the congregation, John Bergstock, Frederick Apple and Philip May, were granted a preliminary injunction by Judge Lynch to restrain Rev. Paul Rowalt, the pastor, and some of the trustees from putting them outside the church. They complain that the pastor has refused to allow them to enter, although they are regular members of the congregation.

Pottsville council has made an appropriation for a municipal hospital in which to treat smallpox patients, an epidemic of the disease being apprehended. The hospital was erected Saturday night. It consists of tents on the suburbs of the town. Gaspers Beardsel, an Italian patient, suffering with the worst form of the disease, was removed to the new hospital at midnight last night.

Isaac Hoffman, aged about 40 years, died at the Schuylkill county almshouse, actually having starved himself to death deliberately. Two months ago he was a prisoner in the county jail, when he started his fatal fast. He labored under the hallucination that his keepers were trying to poison him. Later he was removed to the almshouse, still obstinately refusing food. At death he was reduced to a mere skeleton.

William Griffith, of Plymouth, went to Wilkesbarre yesterday to take a train for the Pan-American Exposition. This morning he awoke to find that he had been given knock-out drops and robbed of \$100 and his watch. He remembered meeting a pleasant colored man at the depot and going with him to take a drink.

You can never cure dyspepsia by dieting. What your body needs is plenty of good food properly digested. Then if your stomach will not digest it, Kodol Dyspepsia Cure will. It contains all of the natural digestants hence must digest every class of food and so prepare it that nature can use it in nourishing the body and replacing the wasted tissues, thus giving life, health, strength and appetite. Grover's City drug store.

Martin Rasiewicz, a Poland, complained to the Wilkesbarre police that he had been robbed of \$1,500. He says he drew his savings from the bank, intending to go to Poland. He went into a saloon, got \$50 from the roll and bought several drinks. Some time after that he found his money missing. The sum represented his saving of a lifetime.

A. J. Ferguson, who owns a farm in Lake township, has before Alderman Dohohue instituted action to have Grant McNeal ejected from the land. Ferguson asserts that some time ago he hired McNeal to work for him and that now McNeal has calmly taken possession of the house, is living in it and pays no heed to the protests. A warrant was issued.

DeWitt's Witch Hazel Salve should be promptly applied to cuts, burns and scalds. It soothes and quickly heals the injured part. There are worthless counterfeits, be sure to get DeWitt's, Grover's City drug store.

The Lehigh fair will be held on September 17, 18, 19 and 20. The directors are endeavoring to make this year's fair the biggest event ever held there. They are at present erecting fifty new stables and the race track is in excellent condition.

Several Wilkesbarre merchants were arrested on the charge of violating the recent law of the legislature providing that no firecrackers containing any explosive other than the ordinary gunpowder shall be manufactured or sold.

It is easier to keep well than get cured. DeWitt's Little Early Risers taken now and then, will always keep your bowels in perfect order. They never gripe but promote an easy gentle action. Grover's City drug store.

Mrs. Mary O'Donnell, the mother of Carbon County Commissioner John O'Donnell, died on Saturday at Mauch Chunk. She had reached the age of 83 years. Mrs. O'Donnell was the widow of the late Mannus O'Donnell, one of East Mauch Chunk's earliest residents.

Crazed by heat, Mrs. Bernard O'Boyle, of Avoca, tried to suicide with laudanum yesterday. The dose was excessive and she will recover.

Theodore Stevens, of Wilkesbarre, who was caught with three pheasants on July 2, has been compelled to pay \$25 for each bird. He was prosecuted by the Luzerne County Sportsmen's Club.

Those famous little pills, DeWitt's Little Early Risers, compel your liver and bowels to do their duty, thus giving you pure rich blood to recuperate your body. Are easy to take. Never a gripe. Grover's City drug store.
