

# FREELAND TRIBUNE.

VOL. XIV. NO. 9.

FREELAND, PA., FRIDAY, JULY 19, 1901.

TRI-WEEKLY

## IN A FEW MORE DAYS.

EVERYTHING WILL BE CLOSED OUT IN A SHORT WHILE.

The big semi-annual clearance sale inaugurated at Refowich's famous Wear Well Clothing, Boot and Shoe House several weeks ago has been a great success. Never before has a sale in Freeland caused such commotion and excitement. At times the big establishment was so crowded with eager buyers that it was impossible to wait upon all.

Everything has been marked down, for it is a rule of this store that no goods shall be carried over from one season to another. Every article must go, regardless of cost.

The stock now consists of several broken sizes and lots, in which you will find many extraordinary bargains. Save money by attending this sale. What is still left must be disposed of at once, as we will soon prepare to receive the large stock of fall and winter goods which is being made up for us.

## FIREMEN MAY BE BEATEN

Members of U. M. W. of A. Must Resume Work.

Friction Between Labor Organizations May Result in Defeating the Strikers. Conference Being Held.

The firemen received what will probably be the death blow to the strike yesterday afternoon, when the United Mine Workers' executive committee of District No. 1 ordered all firemen who are members of the United Mine Workers to return to work.

President Mullahy of the striking firemen last evening formally asked the United Mine Workers, through President Nicholas, of the First District, to go out on a sympathy strike. Nichols could not give a definite answer, but a meeting has been arranged by Presidents Duffy, of District No. 9; Fahey, of District No. 7, and Nichols, of No. 1, with Mullahy, of the firemen, at Hazleton today.

The order of the executive board will probably so affect the national officers of the Coal Hoisting Engineers' Union and the International Association of Stationary Engineers that they may refuse the permission desired by the men to go on strike. It will prevent 90 per cent of the firemen in the Scranton district from going on strike, and it is expected to so affect the firemen of the Mount Carmel and the Shamokin region, who are ordered to strike tomorrow. In the Lehigh, Scranton, Shamokin and Mount Carmel regions the firemen belong to the United Mine Workers, and it is only in the Wilkesbarre district that they have an organization of their own.

There has been friction between the union mine workers and the firemen as a class ever since last fall. At that time the firemen and engineers refused to desert the pumps, and there was ill feeling. When the strike was ended they, however, shared in the 10 per cent increase won by the striking mine workers and this was the cause of additional ill feeling. Most of the firemen then, having practical illustrations of the advantages of organization joined the United Mine Workers, but those in the Wyoming valley became members of the National Association of Stationary Firemen, thinking they would get more benefits as a separate organization.

The officials of the striking firemen say they will now get the firemen who are ordered back to desert the United Mine Workers and join the Firemen's Union. Fully 60 per cent of the firemen who belong to the Miners' Union in the Scranton district have refused to join the strike and not one is on strike in the lower and middle coal regions.

It was expected by the strikers that the Mine Workers would refuse to go to work with non-union men in the boiler room and help the bosses and clerks employed there.

## UPPER LEHIGH.

Miss Maggie McCarthy, of Elizabeth, N. J., has returned after a pleasant visit among friends here.

The huckleberry department in the upper station does a large business. People from all parts of town sell their berries there at the price of 6c a quart. Workmen were engaged yesterday filling the large refrigerator at the store with its weekly supply of ice.

Miss Katie Winter, one of Freeland's efficient teachers, spent yesterday at the residence of Geo. Wilmot, Jr.

Electricians Meyers and Rate, of Freeland, did work in town yesterday.

Ex-Councilmen Smith, of Freeland, who is working on the township roads, thinks that marriage is not a failure in this town, judging from the number of happy children and so many of them in Upper Lehigh.

The stripping operations at No. 6 are being rushed and the workings of the steam shovel are watched with interest by sight-seers daily.

Mr. and Mrs. John Griffiths, of New York city, are guests of the Goulden and Weightman families in town.

Gilbert Smith, foreman for the Taxpayers Association, with a large force of men are repairing the streets of town in a very substantial manner.

Mrs. William Silk, of Scranton, has returned home after a pleasant visit to her parents here.

M. S. Kemmerer and family, of Mauch Chunk, are preparing to take up their residence in town for the summer months. Workmen are busily getting the residence in shape.

Evan J. Richards and wife, of Scranton, are visiting their daughter, Mrs. Wm. Payton.

## Mail Delivery Service.

James B. Byrne, of Philadelphia, who for fourteen years was a letter carrier in that city, is spending a few weeks in Freeland for the benefit of his health. Mr. Byrne is well posted on the system of United States mail delivery in the cities and towns, and at the request of several people here he has consented to give Freeland citizens an opportunity to take advantage of a law passed a few years ago by congress. This law gives to towns not having the population required to claim free delivery the privilege of engaging a carrier to deliver the mail from house to house within the limits of the town. The law provides compensation for the carrier at a rate of from one-half to one cent a letter or postal card, all papers and circulars to be delivered free.

Mr. Byrne has agreed to give Freeland the benefit of this law if a sufficient amount of patronage can be assured, and will charge the law's minimum rate, viz., one-half cent per letter or postal card, all other mail to be delivered free. This system is generally the first step taken by towns to secure free delivery service of all mail, and if the business people and others will assist the movement it will prove a great saving of time, and will reflect considerable credit on the town.

## Drifton Shop Strike.

Nate Shaffer, a son of Mine Foreman Ben Shaffer, is one of the Drifton shop strikers, and has been chosen as the latest target for the malice of Coxo Bros. & Co. The father has been notified that he must drive his son from Drifton or Coxo Bros. & Co. will discontinue with Mr. Shaffer's services. The contemptible brutality exhibited by the Drifton corporation since the shop strike begun is arousing widespread indignation and reflects anything but favorably upon the stockholders who apparently condone this inhumanity.

The strikers are still holding out for what they believe is right and no breaks in the ranks have been made. After scouring the state from end to end the company has secured the services of half a dozen men to take strikers' places. No new work and no repairs have yet been turned out of the shop, which is sufficient proof that the new men are not skilled workers.

## Excursion to Exposition.

Parties who contemplate visiting the Pan-American Exposition should not fail to call on Owen Fowler, editor of the Progress, and learn of the advantages to be had by going with his personally-conducted excursion, which leaves here on the 27th inst. Railroad transportation, hotel accommodation, admission to exposition, a trip to Niagara, etc., at a cost of \$20.

You can never cure dyspepsia by dieting. What your body needs is plenty of good food properly digested. Then if your stomach will not digest it, Kodol Dyspepsia Cure will. It contains all of the natural digestants hence must digest every class of food and so prepare it that nature can use it in nourishing the body and replacing the wasted tissues, thus giving life, health, strength, ambition, pure blood and good healthy appetite. Grover's City drug store.

## ROUND THE REGION.

Governor Stone has used the veto ax on the appropriations for Luzerne charities. The Wilkesbarre City hospital has escaped and will secure the \$25,000 designated in the bill. Mercy hospital appropriation has been cut from \$12,000 to \$7,000 and Pittston hospital from \$15,000 to \$12,000. Hazleton hospital lost \$2,500 of the \$45,000 appropriated.

The supreme court gave a death blow to a much-needed public improvement when it reversed the court of Lackawanna from erecting a viaduct over the Delaware, Lackawanna and Western tracks on Lackawanna avenue. The supreme court decided that the viaduct cannot be built without increasing the city's debt beyond the constitutional limit.

Llewelyn Morgan, of Plymouth, 21 years old, was killed at Panther Bluff, near Carbondale, yesterday. He had left the train platform intending to wait for another section when he was struck by the step of the car.

Agnes Dunn, of Hazleton, was placed under arrest upon information from Atlantic City. It is alleged that she opened an express package belonging to another woman and took therefrom a sum of money.

An unknown body of a boy aged about 16 years, medium height, dressed in checkered suit, was found in the river at Plymouth, yesterday.

Another case of small pox has broken out in Pottsville in the Municipal hospital.

The strike at Royal Oak colliery, Shamokin, begun by 400 employes for the observance of the semi-monthly pay law, ended by the company agreeing in the future to pay regularly.

John Hill, at one time a prominent Democratic politician of Allentown and an expert accountant, died at Allentown in the county almshouse. He was at one time a member of common councils and later clerk of that body.

Mrs. John Lesco, of Forrest City, was struck by lightning and instantly killed on Tuesday night. Her brother was badly shocked by the same bolt.

A bad complexion generally results from inactive liver and bowels. In all such cases, DeWitt's Early Risers produce gratifying results. Grover's City drug store.

## Holiness Camp Meeting.

The annual camp meeting of the Holiness Christian Association will be held at Berwick, commencing Thursday, July 25, and closing on Sunday, August 4.

This meeting is under the auspices of the Holiness Christian Church, yet it is to be a union meeting for everybody. All people are invited to take part in this feast of tabernacles.

Canvas family tents, 12x12 feet, with floor, will be furnished by the committee for \$2. Table board will also be furnished on the ground at reasonable rates.

The order of services is as follows: Prayer meeting, 6 a. m. Praise and testimonies, 9 a. m. and 8 p. m.

Children's meeting, 1.30 p. m.

A number of workers will assist throughout this meeting. For particulars address Rev. L. M. Steward, Bloomsburg, or Rev. Philip Griffith, Berwick.

Jonas Brumbaugh, preaching elder, of Chester, will have charge of the meeting. Many Freeland people expect to attend the camp.

## Band in an Accident.

While returning from a picnic at Ebervale Tuesday evening, several members of St. Ann's band were the victims of an accident. They were riding on the large wagon owned by J. P. McDonald and came to a portion of the road which had been recently repaired. The road was filled with crushed stone, piled in the centre of the turnpike, and the wagon capsized.

Professor Mayberry's gold-plated cornet, valued at \$100, was smashed beyond repair. P. J. Duffy's cornet was also smashed and several other horns were damaged. The men escaped injury with the exception of John Brennan, whose foot is badly injured. The horses and wagon escaped injury.

## A. O. H. Picnic and Games.

If favorable weather prevails, the Public park tomorrow afternoon and evening will be the scene of a large gathering. The cash prizes offered to the winners of the athletic contests have stimulated interest in the affair and many entries have been made for each event.

At 2 o'clock Divisions 6 and 19 will leave the Grand opera house hall, accompanied by the St. Ann's band and the two Irish pipers who have been engaged, and will proceed in a body to the Public park. Upon their arrival the picnic and games will begin.
