## NO DEADLOCK IN FOSTER

### O'Donnell Was Elected Solicitor on July 22.

### Received Three of the Five Votes Cast at Meeting on Above Date—Directors to Elect Truant Officer.

Solicitor R. J. O'Donnell, of Foster township school board, appeared before the directors at their regular meeting on Saturday evening and presented proof that the board had re-elected him at a recent meeting. The paper read by Solicitor O'Donnell claimed that on the first ballot for solicitor on July 22 he received three of the five votes cast, which was a majority and was sufficient to elect him. He further notified the board that he would hold it responsible for his salary.

After an investigation of the claim, a majority of the members agreed that the point was well taken, and a motion by Directors Zeitloft and Keller that R. J. O'Donnell be chosen solicitor at the same salary as last year received the votes of Messrs. Keller, McHugh, Zeitloft and Johnson, Messrs. O'Neil and Doudt voting no.

Agents for supplies were present and the committee will examine samples and compare prices to report at the next meeting.

A motion prevailed that the solicitor endeavor to get \$10 per day for each school building used for elections.

While the roll was being called to vote on the above motion a very amusing thing occurred. A well known young railroad man of Drifton started the directors and spectators by rising and calling for the privilege of a vote on the motion. On being asked by the president when he became a school director it dawned on the man that he had made a mistake and he took his seat amid much laughter.

No action was taken in the matter of placing J. V. Highams and Thos. Sarricks at the same salary as other grammar school teachers.

The board decided to elect a truant officer by the votes of Messrs. Doudt, O'Neil, Johnson and McHugh, Messrs. Keller and Zeitloft voting no. The appointment went over.

Messrs. Keller and Zeitloft were excused at this juncture, they having some business to attend.

August Scott, representing the Hobart Smith historical chart, spoke on the merits of his article and the board decided to purchase seven charts for the grammar schools of the district at a cost of \$27.50 each.

The following bills were ordered paid: R. J. O'Donnell, Esq., salary, \$40; G. B. Markle & Co., coal, \$3.60; August Wagner, labor, \$2; F. H. Albert, supplies, 75c; William Birkbeck, supplies, \$2.65; Lewis H. Lentz, repairs, \$9.85; Press, publishing audit, \$16.80; J. S. Wentz & Co., coal, \$3.43; S. Woodring, book, \$3.25; Cox & Bros., coal, \$16.50; Upper Lehigh Coal Co., coal, \$3.40.

A bill from the Upper Lehigh Coal Company was laid over for further information in regard to its validity.

### Strikers Declared in Contempt.

A hearing was held Saturday before Judge Halsey in the proceedings of Cox & Bros. & Co. for an attachment against Andrew O'Donnell, Robert Jenkins, Dominick Boezkowski and John Baskin for contempt, in violation of a preliminary injunction issued to restrain

train the striking employes and others from interfering with the machinists at work in the company's shops at Drifton. Robert Baskin, Jr., William Stronix, Hugh McMenamin, John Ward and Albert Marshman were also named in the attachment because of their alleged participation in assaults upon the workers.

John Birkbeck told of alleged interference while returning from work on different occasions. On the evening of July 13 he was assaulted. Men stoned him until the Freeland chief of police assisted him to a car. On July 20 Andrew O'Donnell and others, he said, committed a like assault.

For the striking machinists several witnesses were sworn, and the defendants testified in their own behalf. The line of testimony was that they had not interfered with the workers, but had endeavored to persuade the men to quit.

H. A. Fuller and A. H. McClintock were for the company and John M. Carr for the defendants. Judge Halsey's order follows:

"Now, August 3, 1901, after full hearing, the motion for an attachment against Andrew O'Donnell, Robert Jenkins, Dominick Boezkowski and John Baskin, for contempt in violating the preliminary injunction, is made absolute, and attachment is allowed, not to issue, however, until further order."

### Voted to Remain Out.

A committee representing the Drifton shop strikers had a conference with President Stearns, of Cox & Bros. & Co., at Drifton this morning. At 1 o'clock this afternoon the strikers assembled at the Municipal building and received the report of the committee. The meeting continued in session until after 3 o'clock.

The answer of the company was that only one-half the former number employed could be given work at the shops, and that the present workers would be retained in the company's employ.

The sentiment of the meeting was overwhelmingly against accepting the company's answer, and a vote resulted in the strikers deciding to remain out until Cox & Bros. & Co. accede to their demands or take them back in a body.

On Saturday when a committee asked for a conference they were informed by Superintendent Smith that none could be had if any member of the Dever family appeared on the committee.

### Family Sent to Jail.

A whole family was sent to jail Saturday night for a fine and costs amounting to but \$13.50. Yesterday Judge Lynch made out the order for the release of the prisoners. The family includes Mrs. Elizabeth McGilowan, her baby, Agnes, aged 7 months; her sons, Stephen, aged 7; Andrew, aged 9, and Julian, aged 20, all of Hudson, this county.

Stephen was caught stealing apples from trees owned by John Sikko, at Hudson. The mother went to the boy's rescue and a war of words followed. Sikko had the whole family arrested for disorderly conduct and Alderman Perkins imposed the fine and costs, and as they could not pay he sent them to jail.

### Death of S. B. VanHorn.

S. B. VanHorn, for many years a resident of town, died at noon yesterday at the home of his daughter in Pond Creek. Mr. VanHorn was stricken on Friday night with a paralytic stroke, from which he never rallied. The deceased was the father of James and William H. VanHorn, of the Third ward, and Mrs. Frank Fairchild, of Upper Lehigh. He lived in town for a number of years, but a few months ago made his home with one of his daughters in Pond Creek.

The funeral will take place at 12.30 o'clock Wednesday afternoon. Services will be conducted by Rev. J. B. Kerschner. Interment at Freeland cemetery.

## BASE BALL.

Tamaqua team came to town yesterday to play the Hazleton Athletics. The team did not put up as fast a ball as the people of town expected. The Athletics, with the assistance of a few local men, rubbed it into Tamaqua by a score of 7 to 4. McGeehan, of Drifton, played right field for the visitors and hit well. In the first inning the visitors' pitcher was injured, but resumed the following inning after Brady, of the Athletics, made a home run hit over the left field fence from his substitute.

The Tigers will play on Thursday at Tamaqua. Drifton and McAdoo clubs will be the attraction at the Tigers park on August 11.

With the aid of fifty are lights, hung at different heights, the people of Chester will witness a night game of ball tomorrow evening. The game will begin at 8.30 o'clock, and if the scheme is a success it will be followed by clubs elsewhere.

### Buried With Honors.

Michael Pechel, of Drifton, who died on Thursday in the Miners' hospital, was buried on Saturday morning with high honors. Three societies of which he was a member, and one women's society over which he had supervision, attended the funeral. The societies were led by St. Ann's band and marched from Drifton to the Greek church to the strains of the Dead March. Draped flags, church banners and three priests in full vestments added to the solemnity of the occasion.

Upon arriving at the church a high mass of requiem was celebrated, lasting three hours, after which the remains were interred in the Greek cemetery.

### The Poor House Farm.

From the Weatherly Herald. Laurytown poor farm has been fortunate in securing many of the rainfalls that have passed around other sections in this vicinity during the long hot and dry spell just past. The hay crop is abundant and the new barn as well as all the other buildings will be taxed to their utmost to store it away. All the other crops are being harvested in abundance and Stewart Jacobs is congratulating himself over the successful outcome of the season's harvest.
