ASSIGNMENT OF TEACHERS

Salaries and Positions for the Ensuing Term.

Contract for Erection of a New School Room Awarded to James E. Griffith. Schools Open September 9.

At a special meeting of the borough school board last evening all the members were present except Directors Shelhamer and Timony. The teachers and pupils committee presented a report in which the twenty teachers were assigned to their schools, grades, etc., and their salaries fixed for the ensuing term. A synopsis of the report is as follows:

WASHINGTON STREET BUILDING.

High School—John E. Williams, principal of school and supervising principal, \$900 per year.

High School—Edward F. Hanlon, vice principal of school and A Grammar, \$72.50 per month.

New Room—Kate Rogan, B Grammar, \$42.50 per month.

Room No. 1—Tillie Lindsay, A Intermediate, \$42.50 per month.

Room No. 2—Acquilla Johnson, B Intermediate, \$37.50 per month.

Room No. 3—Hannah McLaughlin, C Intermediate, \$35 per month.

Room No. 4—Bid F. Timony, A Primary, \$40 per month.

Room No. 5—Kate Winter, B Primary, \$40 per month.

Room No. 6—Anna Sensenbach, B Primary, \$42.50 per month.

Room No. 7—Sarah D. Gallagher, C Primary, \$35 per month.

Room No. 8—Annie Gillespie, C Primary, \$40 per month.

RIDGE STREET BUILDING.

Room No. 4—George McLaughlin, principal, C Intermediate, \$65 per month.

Room No. 3—Sarah M. Denny, A Primary, \$42.50 per month.

Room No. 2—Mary McGill, B Primary, \$35 per month.

Room No. 1—Mary Dougherty, C Primary, \$40 per month.

EAST SOUTH HEBERTON.

Room No. 1—George C. Farrar, principal, C Intermediate and A Primary, \$52.50 per month.

Room No. 2—Isabel Crawford, B and C Primary, \$40 per month.

WEST SOUTH HEBERTON.

Teacher—Mattie Brown, A, B and C Primary, \$40 per month.

BIRVANTON.

Teacher—Peter R. O'Donnell, A, B and C Primary, \$50 per month.

SOUTH WASHINGTON STREET.

Teacher—Myron Zimmerman, B Intermediate, \$32.50 per month.

The report also recommended that all teachers be elected for one year and that they sign contracts according to the provisions of the report, and that the school term consists of eight months, or longer if the funds will permit.

The report was signed by Directors Buckley, Brogan and Isaac. The latter filed objections against the following portions: The increase of E. F. Hanlon's salary from \$70 to \$72.50, the placing of Peter R. O'Donnell's salary at \$50, and the election of John E. Williams for one year.

Director Kline objected to the same portions of the report, also to the removal of Isabel Crawford from Washington street building to East South Heberton and to awarding Acquilla

Johnson a salary of \$37.50.

The objections were replied to by Director Buckley, on behalf of the committee. He said the increase in Hanlon's salary was a continuation of a system inaugurated two years ago and carried out annually by which this teacher's salary was increased \$2.50 per month each year. The salary of O'Donnell was fixed at \$50 because the committee felt that the former teacher of that school, Edgar Schmidt, was unjustly treated when he received only \$45. The salary of Miss Johnson was fixed at \$37.50 because her work as substitute last term gave her experience and placed her above those who never taught. Miss Crawford's change to East South Heberton was part of the plan to place experienced teachers in the isolated schools, so that new teachers will have the benefit of associating with the older instructors.

The increases in monthly salaries are as follows: George McLaughlin, \$5; E. F. Hanlon, \$2.50; Tillie Lindsay (permanent certificate class), \$2.50; Anna Sensenbach (professional certificate class), \$2.50; Isabel Crawford (third year's appointment) \$2.50. All former teachers will, practically, teach the same grades as they taught last term.

The report received the votes of all members present, Directors Isaac and Kline asking that their objections be recorded.

Monday, September 9, was selected as the date for the opening of the school term.

BUILDING CONTRACT AWARDED.

Bids were read for placing the old electric light house in condition to serve as a school room. The board had asked for figures on rooms 25x30 feet and 25x35, with and without siding.

The bid of Contractor Griffith to erect a room 25x35 feet, with siding on three sides and wainscoting on top of plaster, for \$59 was accepted, and the officers were instructed to have contract signed at once.

A letter from the supervising principal, Mr. Williams, stated he will arrive here today and on Saturday will meet the teachers in the Washington street building to outline the work for the coming term.

Mine Workers' Convention.

About 800 representatives of the United Mine Workers in the anthracite region went into session at Hazleton opera house yesterday. In addition to delegates from each local in Districts Nos. 1, 7 and 9, the members of the executive boards of the three districts are present, also President John Mitchell and Secretary W. E. Wilson, of the national body, and members of the general executive board.

When President John Mitchell opened the convention he was greeted with vociferous applause. He then read the call, which asked for the special convention to settle the four most important questions now before the public: That of the companies breaking the contracts entered into last October, the restriction of the output and the demands of the men to inspect the cards of all workmen.

The convention is the largest one ever composed of anthracite miners. The outcome is problematical. The gathering is too large to get opinions from, and the officers will not commit themselves.

TICKET NAMED.

Democratic County Candidates Chosen at Wilkesbarre Yesterday.

The following ticket was nominated at the Democratic county convention at Wilkesbarre yesterday afternoon. It is pronounced by party leaders to be the strongest ticket placed in the field in many years by the Democrats:

Common pleas judge—Hon. John Lynch, Wilkesbarre.

Orphans' court judge—Andrew M. Freas, Esq., Wilkesbarre.

Sheriff—Albert H. Jacobs, Hazleton.

Controller—George R. McLean, Esq., Wilkesbarre.

Recorder—James Barrett, Wanamie.

Coroner—Dr. W. H. Berge, Avoca.

Surveyor—W. B. Allegar, Luzerne.

The convention was the most harmonious gathering of county Democrats held in five years. The leaders of the factions who in the past have done so much to disrupt the party were conspicuous by their absence, and the work of naming a ticket which would command the respect and the votes of the citizens proceeded without interruption. J. Ridway Wright was chairman and filled the position in an ideal manner. He controlled the large body of 300 delegates and 1,500 spectators with ease, and it was due in a large measure to his promptness and impartiality that the business moved so rapidly and satisfactorily.

On the committee on organization the Fourth district was represented by J. P. Costello, of Hazleton, and Frank McHugh, of Jedd, and on contested seats by Edward Brennan, of Freeland.

The resolutions contained a section committing the convention to the nomination of only one candidate for judge of common pleas. There was a feeble protest against the section, but the resolutions were adopted by a overwhelming majority.

Judge Lynch had no opposition. His name was presented by William S. McLean, Esq.

For orphans' court judge A. M. Freas and Edwin Shortz were named, the former by W. H. Hines and the latter by Charles Lenahan. The vote was 181 to 108 in favor of Freas, which was a surprise to many people, as Shortz was thought to be stronger.

On this vote the Fourth district delegates divided, with a majority supporting Freas. Hazleton City and West Hazleton split even, Hazle township gave Freas seven and Shortz eight votes, Foster gave Freas seven of its nine votes and Freeland gave Freas the votes from the Third and Fifth wards. On motion of Charles Lenahan, who named Shortz, the nomination of Freas was made unanimous.

All the other candidates were nominated by acclamation.

Sudden Death at Highland.

Mrs. Patrick Bradley died yesterday morning at her home in Highland after a few hours' illness. The deceased some time ago became slightly demented, but after a few weeks' treatment at Laurytown asylum she recovered. On Monday she attended to her household work and at night retired in apparently good health. During the night she became dangerously ill and after suffering untold agony for a few hours she expired.

Mrs. Bradley is survived by her husband, two sons, Daniel and Andrew, and one daughter Mary. She was aged 55 years and had resided at Highland for nine years.

The funeral will take place tomorrow afternoon. The remains will be interred at St. Ann's cemetery.

Railroad and was killed last May by the explosion of a Lehigh Valley engine.

F. A. Koons, who became known through holding out sixteen days in the trial of John Lutz for murder, was stricken with paralysis today at his home in Huntington Mills and there is little hope of his recovery.
