MERKT,

SCHOLARSHIP AT LEHIGH

President of the University Makes an Offer.

Free Education Granted to One Pupil of M. & M. Preparatory Department Each Year.

The following letter has been received by Prof. Crawford, of the Mining and Mechanical Institute, announcing the grant of an honorary scholarship in Lehigh university, to be awarded as a

prize in the preparatory department:
Lehigh University, Dec. 12, 1901.
Mr. C. M. Crawford,

Principal Preparatory Department Mining and Mechanical Institute.

Mining and Mechanical Institute,
Freeland, Pa.
My Dear Sir.—It gives me pfeasure
to place at your disposal for the college
year beginning September, 1902, an
honorary scholarship in Lehigh university to be awarded by you to a student
in the Mining and Mechanical Institute,
whom you consider worth of this award whom you consider worthy of this award by reason of good scholarship and good character. It is necessary that you should certify to his complete prepara-tion in all subjects which Lehigh university requires for entrance, and he will, on this certificate, be admitted to the university without entrance ex-

This honorary scholarship exempts student from tuition fees for the first year and is renewed from year to year if the student is in full standing in all Its value is therefore \$500. his studies.

his studies. Its value is therefore \$500.
Sincerely yours,
T. M. Drown, president.
It is understood that this offer will be renewed each year as long as there are young men in the Mioing and Mechanical Institute preparing to enter Lehigh. The preparatory department of the Mining and Mechanical has been organized for the purpose of enabling the young men of Freeland and vicinity to prepare for college without leaving prepare for college without leaving home. The offer of this scholarship gives opportunity for any enterprising oung man to go to college when pre-

pared.

The award is to be made to the one who, in the estimation of the principal, is most worthy by reason of scholarship and character. This implies a personal knowledge gained from daily contact with the competitors in class-room work. It is therefore necessary for each appli-

It is therefore necessary for each appli-cant to attend the preparatory depart-ment for at least one term, in order that there may be a sufficient basis on which to judge him.

The second term of the current school year will begin January 20, 1902. Any further information desired can be ob-tained from either E. F. Hanlon, princi-pal of Mining and Mechanical Institute, or C. M. Crawford, principal of preparaor C. M. Crawford, principal of prepara tory department.

On the Main Line.

From the Hazleton Seattinel.
Hazleton is at this time enjoying such advantages as there may be in the accommodations of the Lehigh Valley main line station, and a proper sense of main ine station, and a piper sense upper sense dispreciation of the importance thereof is manifest. All trains between New York, Philadelphia and Buffalo are being run via Lizard Creek branch, Pottsville, Hazleton and Freeland. It is probable that the officials will readily recognize the benefit derived by this en-forced change from the old route by way of Mauch Chuuk.

The new route includes Pottsville with

its 15,000 inhabitants, Delano with Shen-andoab and Mahanoy City contiguously 30,000, Hazieton 20,000, and Freeland 8,000, while Mauch Chunk with its 8,000,

Foster School Board.

The members of the Foster township school board met Wednesday evening with Directors O'Neil, Johnson, Kellar and Zeisloft present. The following bills were ordered paid: Owen Moyer, 84; Mrs. Frank Martin, 84; Jacob Nester, 86; Mrs. Bunchock, 84; Tribune, 83; George Henderson, 89.50; Barbara Davis, 84; Mrs. Snyder, 84; John Fisher,

Many parents throughout the town ship refuse to have their children vac cinated. It was decided to strictly en

force the law after January 15.

The building committee was instructed to arrange for greater black-board space in the Woodside building.

space in the Woodside building.
It was suggested by Mr. Zeisloft that
the board incorporate themselves into a
Board of Health whose object shall be
to be alert and vigilant during this season of smallpox and in case of contagion spreading to have a meeting called and action taken at once.

Smallpox Conditions.

Smallpox is said to be steadily spread-ing at Hazleton, and it is reported that two new cases have appeared in that city. The health officials are doing city. everything possible to stamp out the dis-ease and to prevent its further spread, and the people of the city are being vaccinated by the hundreds.

Until it is known whether or not an epidemic can be prevented in Hazleton, people from this section should guard themselves carefully. As little com-munication as is absolutely necessary should exist between the two towns, and the Freeland Board of Health should consider the question of compelling the Traction Company to thoroughly fumigate its cars.

There is much talk in town regarding the apparent carelessness with which some Freeland people visit Hazleton, and if the disease gives much further evidence of spreading it is likely that the health authorities will be called upon to enforce more severe measures than have yet been announced.

The Freeland Silk Mill Company has taken a commendable step in ordering a general vaccination of all its employes. The company will pay the cost of the work, which is to be performed by Dr. Deardorff.

Other establishments where large numbers are employed would do well to issue similar orders.

So far no signs of the disease have appeared this side of Hazleton, but the entinued cold weather is favorable to

Mine Workers Elect Officers.

John Fahey has been re-elected president, Paul Pulaski vice president and George Hartlein secretary of the United Mine Workers of District No. 9, in session at Mahanoy City. Fahey had no opposition. Pulaski received 218 votes, Hartlein 184 and Yoder 193. One hundred and nineteen votes were neces sary to elect. Miles Dougherty, at present a member of the district executive board, was elected a member of the national executive board. There were twenty-three candidates for election to the district board. Six members were elected as follows: Thomas J. Richards, Edward Harris, J. T. Williams, Martin Cowards, Joe Lindsay and Terrence McGinley.

The annual convention of District No. 7 will be held at Hazleton on Jan-6, and that of District No. 1 at Wilkesbarre on January 13.

Will Be Reappointed.

Vacancies will occur in several presi-dential postmasterships of Luzerne county shortly, but it is not believed there will be many sweeping changes. It is the policy of the present administration to continue in office all postmasters who have faithfully performed their duties and against whom no complaints have been made.

The terms of Postmaster Davis, of

Freeland, and Postmaster Powell, of Hazleton, have expired, and although the latter has some opposition for the office, both, it is claimed by the leading party men of the two towns, will be reappointed by President Roosevelt.

An Entertainment.

An entertainment under the auspices of the Young Men's Corps will be held on Sunday evening at the Grand opera house. In addition to a large amount on the main line.

The difference in time will amount to but little when all other advantages are considered. Taking up this feature, with up to date motive power the difference would be insignificant.

Wrong Again.

Footinit-Who was that impudent lit-Footinit—Who was that impudent lit-tle brat who came into your room and acted in such an ill bred manner while I was calling on you this morning? Mr. Meekton—Er—why, to tell the truth, that is our youngest son.—Ohio State Journal.

THEATRICAL.

Out of the large audience at the Grand opera house last evening not one could be found who was not thoroughly pleased with "The Evil Eye," and the local management received many con gratulations for giving Freeland thea-tre-goers an opportunity to witness this metropolitan production. The large company, the well-trained chorus, the magnificent stage settings, the hand-some costumes and the wonderful elec-trical and mechanical effects made it the best show that ever came to town.

The beautiful electric ballet was both new and novel on the local stage and vas generously applauded, and the ocal selections rendered by the star performers were well received. The antics of Nid and Nod caused endless

antics of Nid and Nod caused endless amusement. The company throughout did not contain a weak spot.

"The Evil Eye" was guaranteed by the management to be worth the prices asked, and those who accepted the Opera House Company's assurances were not deceived.

† † †

Tomorrow evening the Hawthorne Concert Company will give an entertain.

Concert Company will give an entertainment under the auspices of the Mining and Mechanical Institute. These people are very highly recommended and a

pleasing show is promised.

† †
"Our New Minister." a play written
by Denman Thompson, of "The Old
Homestead" fame, will be one of the

attractions here early in January.

‡ ‡ ‡
Arrangements are being made to have the Lander Repertoire Company open here on New Year's evening and play the balance of the week.

BREVITIES.

The strike of the teachers of Pittsto township schools now promises to be a long drawn-out affair. It was thought that the teachers would go back to their desks Tuesday, but when the hour came for school there were no teachers on hand. They now say that they will not again take up the duties of their posions until they are paid every cent due them.

Frederick Payne, member of council for the First ward of Plymouth, died at the emergency hospital at that place of smallpox and gangrene. Mr. Payne was a member of the councilmanic committee appointed to fight the scourge and his active interest in battling against the plague was the means of his con-tracting the disease.

Chief of Police Lowrey, of Shenan-doah, had a narrow escape from being beaten to death last evening. He dressed himself in citizens' clothes and entered a foreigner's house, without knocking, to arrest a man supposed to be there. The inmates mistook him for burglar, choked him and beat him unmercifully before he could be rescued.

Plymouth authorities have notified Wilkesbarre's health officials that unless the strict quarantine against Plymouth is removed Plymouth will quarantine that city and refuse to allow any one from Wilkesbarre within the Plymouth borough line.

The government has finally decided to accept the Dilley site for the new Federal building at the county seat, and will pay \$39,850.

SCHOOLS

Secretary Purcell, of the borough board, has provided all the Freeland teachers with blank vaccination certificates. These will be distributed among the pupils, who must present them properly filled by a physician on or be-fore January 15, to entitle them to further admission to the schools.

St. Ann's parochial schools and the schools of Foster township will close today. The borough schools will clos on Tuesday afternoon. All will remain closed until after New Year's Day.

, The condition of Frank McHugh, secretary of the Foster board, who is ill with pneumonia on Adams street, is critical.

Entertainments were held today in The admission has been placed at 15 Drifton and Eckley schools and the cents for the lower floor and 10 cents for the balcony.

PLEASURE.
