

PAIN IN THE BACK

A Sure Sign of Kidney Trouble--Dr. Kennedy's Favorite Remedy Will Cure You.

Pain in the back is a never failing sign of kidney disease; another sure sign is the condition of the urine; if you have a pain in the back then look to the condition of your urine. Take a glass tumbler and fill it with urine; after it has stood 24 hours, if it has a sediment, if it is milky or cloudy, pale or discolored, stringy orropy, your kidneys and bladder are in a dangerous condition and need immediate attention, or the consequences may prove fatal.

F. C. Wilcox of 559 New Britain ave., Hartford, Conn., says:

"I had a frightful pain in my back, the result of kidney trouble. My physician seemed powerless to relieve me. I determined to try Dr. David Kennedy's Favorite Remedy; it helped me wonderfully, and in a short time cured me completely."

Dr. David Kennedy's Favorite Remedy is the one medicine that really cures all diseases of the kidneys, liver, bladder and blood, rheumatism, dyspepsia and chronic constipation and corrects the bad effects of whiskey and beer on the system. It is wonderful how it makes that pain in the back disappear, how it relieves the desire to urinate often, especially at night, and drives away that scalding pain in passing water and in a remarkably short time makes you well and strong.

Dr. David Kennedy's Favorite Remedy is for sale by all druggists. \$1 a bottle, or 6 bottles for \$5--less than one cent a dose. *Sample bottle--enough for trial, free by mail.* Dr. D. Kennedy Corporation, Rondout, N. Y.

Attorneys Reprimanded.

For years the common pleas trial lists have been clogged with cases from two to five years old and this fact was one of the principal causes assigned for the increase of the number of judges, first from two to three and then from three to four. The principal complaints for the condition of affairs that has prevailed came from the attorneys, many of whom were inclined to lay all the blame upon the courts.

On Tuesday afternoon, however, says the Wilkesbarre Record, it was forcibly demonstrated, as it has time and time again, that much of the fault lies with the attorneys themselves and not with the court. When court convened on Tuesday for the afternoon session a jury was called to the box and Judge Wheaton called several cases for trial, but the attorneys were not ready for trial.

Judge Wheaton then offered to take up any case on the week's list, providing counsel agreed, but there was no response to the court's offer. Before adjourning court for the day Judge Wheaton turned to the jurors in the box and said:

"Gentlemen the court is here and ready to try cases. You are here, and you can readily see for yourself that it is not the fault of the court that the business is far behind. You have read a great deal in the papers about civil cases in court being from two to four years behind. You can see it is the fault of the attorneys and not of the court."

"There are thirty cases down for trial this week and not a case is ready and the court is sitting idle. You can tell your neighbors and friends, if they ask you the reason why the civil cases are so far behind, that the court is here ready to try cases, but the attorneys are not."

Drawn as Jurors.

The following citizens of this vicinity have been drawn to serve as jurors on the dates preceding their names:

April 1.—John O'Neill, Foster; H. E. Sweeney, Hazle.

April 7.—David Phillips, John Brennan, Joseph McClellan, Freeland; R. C. Kerschner, Patrick McGréhan, Patrick McGuire, Foster; W. R. Klinger, Butler.

April 15.—John E. McHugh, James Brennan, Freeland; Joseph Handlong, Frank Williams, Foster; John Cunniss, Butler.

A strange coincidence occurred at Pittston last night, when two men died very suddenly within an hour of each other, and the death of one was directly attributable to the other. Enoch Cleaves died early in the evening from a stroke of apoplexy, and one hour later an announcement of the sudden taking off was made at the home of Thomas Kahler. He was affected by the news, and sixty minutes later was cold in death himself, apoplexy being the cause of death also.

Because the members of the police force of Pittston patronized a firm which had their clothes for the summer time made by non-union tailors, they are to be boycotted by the union men of that vicinity. When the coppers laid the contract for their uniforms they only thing they looked at was the lowest bid, hence the trouble that now stares them in the face.

A number of citizens of Dorrance town borough asked the court yesterday to remove the councilmen of that place. They declare the council has been deadlocked since the time it took office, being unable to elect a president, and therefore the business of the borough is at a standstill.

John Spencer, a young man who left his home in Scranton last May to travel with Ringling Brothers' circus, was shot and killed in Phoenix, Arizona, a few weeks ago. Spencer was said to have been shot in a fight with a gang of toughs who attempted to terrorize the circus people.

Word has been received at Plymouth that a body of a boy found at York, Pa., at the mouth of Codorp's creek, is supposed to be that of Eugene Hoffman, the lad who was washed away by the flood three weeks ago and drowned. Relatives have left to identify the remains.

The president has sent to the senate the following nominations of postmasters: Milton P. Schaatz, Allentown; Robert B. Clayton, Ashland; Louis Biltz, Girardville; A. B. Clark, Hastings; B. R. Linder, Orwigsburg; Daniel W. Bedea, Shenandoah, and N. Tanner, Lansford.

Richard Dunn, of Beaver Brook, an inmate of the Miners hospital, was found yesterday to be suffering from smallpox and was removed immediately to Hazleton pesthouse. The hospital and inmates were placed under quarantine for two weeks.

The wedding of Max Galland, a well-known manufacturer, and Mrs. Roselia Burgunder, widow of a popular theatre manager, took place at Wilkesbarre on Wednesday in the presence of the immediate friends and relatives.

State League in Session.

The managers of the newly formed State League of Baseball Clubs met at Hazleton yesterday and today. Leading Hazleton, Scranton, Wilkesbarre, Lebanon and Lancaster were represented. Applications from Williamsport, Shamokin and Mt. Carmel for admission to the league were received, but the delegates deadlocked on the question of re-issuing the circuit to eight clubs.

The following umpires were appointed: Frank Southward, Scranton; George Gill, Newark, N. J.; Edward Jeffries, Lancaster, and James Grant, Reading. The season will open May 3 and close Labor Day, September 1, each club playing fifty games at home and fifty abroad.

NO ONE BUT A MOTHER can appreciate the benefit sleep gives to an ailing, teething, feverish, colicky, fretful infant.

Almost distracted by its constant crying, and worn out with weary, anxious care and watching, she tries everything possible to obtain even relief for the little sufferer.

With what comfort and delight she sees her little one drop off into a deep peaceful health-giving slumber, after its little clogged bowels are cleared of their poisonous burden by a single dose of Laxakola, the great tonic laxative and mother's remedy.

Laxakola is a pure, gentle and painless liquid laxative, and contains valuable tonic properties which not only act upon the bowels, but tone up the entire system and purify the blood. A few drops can be given with safety to very young babies, which will often relieve colic by expelling the wind and gas that cause it. Great relief is experienced when administered to young children suffering from diarrhoea, accompanied with white or green evacuations, as it neutralizes the acidity of the bowels and carries out the cause of the fermentation. LAXAKOLA will aid digestion, relieve restlessness, assist nature, and induce sleep. For constipation, simple fevers, coated tongue, or any infantile troubles arising from a disordered condition of the stomach it is invaluable.

Laxakola, the great tonic laxative, is not only the most efficient of family remedies, but the most economical, because it combines two medicines, viz.: laxative and tonic, and at one price. No other remedy offers so much for the money. At druggists, 25c. and 50c. or send for free sample to THE LAXAKOLA CO., 132 Nassau Street, N. Y., or 359 Dearborn Street, Chicago.
