ON TUESDAY

First National Bank Ready. Organization Work Comto Transact Business.

Freeland's New Financial Institution Excellently Prepared to Cater to the Reguirements of Its Patrons.

The First National bank of Freeland will open its doors for business on Tues day morning, April 1, at 9 o'clock. For the present the business will be carried on in Sachs' building on Front street

on in Sachs' building on Front street, one door below Centre, where comfortable quarters have been secured.

The fixtures of the bank are now being placed in position, and, while not elaborate, are neat and substantial, and patrons will find all the accommodations necessary for the transaction of their business.

President Mitchell last night sent the bilowing telegram addressed to the secretaries of the three anthracite dis-

eration today. After discussing situ-ation the Civic Federation requested postponement of action for a period not to exceed thirty days, within which time against any explosive or any drill now in existence. Neither fire nor dynamite can injure either the exterior or in-

The safe is remarkable from the fact that it consists of but two parts—the safe proper and the door. Both pleces of steel are as they came from the mold and fit together in the beveled opening with a nicety that is marvelous.

operators agree to meet us in conference with Civic Federation for the purpose of trying to reconcile differences between us. In the meantime mines are to continue in operation as usual. We are topoful that questions at issue will be satisfactorily adjusted and strike averted. Notify all mine workers to defer action upon resolution adopted at Shamokin convention." with a nicety that is marvelous.
When closed the door is held by six
three-inch wadge-bolts. Two separate
combinations regulate these bolts, and
further protection is given by a triple
clock-work movement which, when either one or all three time-pieces are set, prevent the opening of the safe by rendering the combinations useless until the arrival of the hour designated on the ences for four hours yesterday at New York in a conference arranged by the conciliation committee of the National clocks, which, of course, are inside the

door and cannot be tampered with.

When the bank closes at night these clocks may be set to run down at 8 30 agreed not to carry out their threat to suspend work three days in each week after April 1. after April 1.

The miners asked for an increase in pay, a shortening of the working day to eight hours and the adoption of a scale for the entire district. The operators declined to grant the demands as to time and pay, and refused to permit the complete unionization of their properties. The operators offered to meet employes with grievances at any time, but insists with grievances at any time, but insists. o'clock next morning, or twenty, forty or sixty hours later. During that period the contents of the safe are as secure from those who may know the combina-tions of the locks as they are from During that period burglars.

The interior is divided into two main The interior is divided into two main compartments—one of which contains three sub-divisions to accommodate the different moneys which the law requires the bank to carry in stock. This is guarded by another intricate lock made by the famous Yale Company.

The other compartment is located in the upper part of the safe and will contain the money reach the confidence.

tain the money used in the ordinary routine business.

their manganese-steel sales within lorty hours, after the time-pieces and lock combinations have been set. Another smaller and less expensive safe, also burglar and fire-proof, has been ordered and will be used for the

The operators asserted that the ulti-matum of the union to strike on April 1 did not give proper time for a discus-sion of the differences existing and seemed like a threat. President Mitch-ell and his associates said they were desirous of improving the condition of their fellow-workers by peaceful means and that while there was any prospect of accomplishing their purpose by such means they were prepared to withhold keeping of the bank's books and papers.
The stockholders of the bank have exercised great care in selecting for their officers men who have the confidmeans they were prepared to withhold the strike order. Mr. Mitchell agreed to withdraw the order temporarily to give opportunity for the second confer-ence which Senator Hanna is to call. When Senator Hanna came from the ence and good will of the public at large, and the patrons of the institution can feel secure that the business will receive from the officials all the attention which their duties call for.

conference room he said:

"The miners' representatives have pledged themselves to withdraw the threat of a partial strike on April 1. Both sides are to take time to consider the representations made today and in the representations made today and the representations made today and in the representations made today and the vice president is Amandus Oswald and the vice presi

Both sides are to take time to consider the representations made today and in thirty days or at call, the committee is to meet and hear the results of this deliberation. An agreement seems likebank quarters, is F. M. Everett. carmel Banking Company, which he resigned to accept his present position.

Mr. Everett will be assisted by Walter

Davis, at present deputy postmaster, who has been appointed teller. Mrs. William J. Butz will serve as bookkeeper.

Democratic Members of Council Vote as a Unit and Elect Their Slate--Much Interest Taken in Meeting.

Every member of the borough counci was in his seat last evening when Presi-dent Moershbacher opened the meeting. There was a large attendance of spectators and much interest was manifested

in the proceedings.

Since the caucus of the Democratic members on Tuesday evening strong efforts had been made by Republicans to induce certain Democrats to break away from the caucus agreement, but these efforts were futile, and the several offices were filled last night by the eight Democrats voting as a unit.

come to this part of the state.

It was manufactured by the Hibbards Rodman-Ely Safe Company, of New York city, and is made from Manganese steel. It is guaranteed to be proof against any explosive or any drill now and Moerschacher; for Ripple—Craw-All Calles Park (Calles Park (ford, McClellan, Reifsnyder and Sweet

The president and secretary were then sworn in by Burgess Boyle. For treasurer John Mechan received

twelve votes. For street commissioner Michael Dog-

For street commissioner Michael Dog-gett and Niece McCole were named. The Republican members voted for McCole, while the eight Democrats voted for Doggett. For chief of police Charles O'Donnell was elected by the eight votes of the Democratic members, the Republicans refusing to vote.

For solicitor John J. McBrearty, Esq.

recived twelve votes.

For patrolmen Patrick Welsh and John Molik were elected by the votes of the Democrats, the Republicans again refusing to vote.

For janiter Bernard Gallagher and Cendy O'Deanell were named. The former received the usual eight votes and the minority four went to O'Donnell For electrician James McLaughlin re-ceived eight votes, the Republicans not

For surveyor Frank Dever received ten votes, McClellan and Relfsnyder not

voting.

A resolution fixing the salaries the same as last year was read. It was amended by making the monthly pay of the chief of police \$50 per month, instead of \$45. The amendment was defeated by the votes of Crawford, Hincer, Mc-Nells, McClellan, Sweet, Reifenyder and Moersbacher. Doggett, P. G. Gallagher, Wm. Gallagher, McLaughlin and Ward voted for the increase. The original resolution was then

taken up and passed three readings by the votes of ten members, Crawford and McClellan voting against it. The bonds of the different officials

were set at the same amounts as last year.

Council adjourned until Monday ever

THEATRICAL.

That highly realistic play, "The Span of Life," which has a record in Boston and New York of playing to more people than other play of its class during its stay, will be presented here on Tuesday evening. "The Span of Life" has one distinguishing feature that is certainly it own. It was been been supported by the state of the st tainly its own. It has been translated and played in French, German, Russian and Belgian languages and has also en-joyed a prosperous run in Australia. All the massive and magnificent effects are carried with this organization.

† † †
"My Friend from India," DuSouchet's
farcial comedy, will be presented to the
theatre-goers of Froeland next Monday night by the Frankie Stock Company, for the first time at popular prices. The piece abounds in laughable situations and is a screamer. Specialties will be given between the acts, also some o the latest moving pictures. The prices are 10, 20 and 30 cents.

DRIFTON.

Mrs. Simon Gearhart, of Lehighton is visiting her parents, Mr. and Mrs Frank Wolliver.

The Chesters are busy arranging a program for their entertainment on April 21. The employes of Coxe Bros. & Co. will

ceive their pay today. Misses Annie Collins, Agnes Kelly and

Bessie Stranix leave on Tuesday morn-ing for Atlantic City for a week. Rodney Shaffer has resigned his posi-

ion in Freeland silk mill. All the school here are closed today.

PLEASURE.
