

CASTORIA

The Kind You Have Always Bought, and which has been in use for over 30 years, has borne the signature of *Chas. H. Fletcher* and has been made under his personal supervision since its infancy. All Counterfeits, Imitations and "Just-as-good" are but Experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is Pleasant. It contains neither Opium, Morphine nor other Narcotic substance. Its age is its guarantee. It destroys Worms and allays Feverishness. It cures Diarrhoea and Wind Colic. It relieves Teething Troubles, cures Constipation and Flatulency. It assimilates the Food, regulates the Stomach and Bowels, giving healthy and natural sleep. The Children's Panacea—The Mother's Friend.

From Infancy To Age

Laxakola for Babies.—It is the best and most effective laxative for children. BEST because it is safe and made entirely of harmless ingredients. BEST because it is non-irritating and never gripes or causes pain or irritation. BEST because it is sure and never fails. BEST because "Children like it and ask for it." BEST because its tonic properties are so good and so strengthening that it keeps the little ones in fine, hearty condition.

Laxakola for Young Girls on the threshold of womanhood, has been found invaluable. When they become pale and languid, the eyes dull, aching head, feet and hands cold, appetite gone or abnormal, and their systems generally run down, they need building up, and their blood needs cleansing. Give them Laxakola, its gentle bowel action to cleanse and its tonic properties to build up the system, will show immediate and most beneficial results.

Laxakola for Mothers.—It is particularly valuable and useful to women, especially mothers, as it is a gentle and safe remedy to use during all conditions of health whenever their peculiar and delicate constitutions require a mild and efficient laxative and tonic, while to nursing mothers, worn out with the care of infants and whose systems therefore are particularly susceptible to disease Laxakola particularly appeals.

Laxakola for Old Folks.—In the Autumn and Winter of Life, when the various organs through long years of action have become more or less sluggish, it becomes necessary to stimulate them by some remedy best adapted to that purpose. That Laxakola is such, has been proved beyond all question. Its gentle warming, soothing action on the bowels, liver and kidneys, stimulates them to increased activity, cleanses the blood, quickens the circulation, and puts the whole system in a condition of health and enables it to ward off disease, while its tonic properties tone up the system and keep it healthy.

Laxakola Does It.

Laxakola is not only the most efficient of family remedies, but the most economical because it combines two medicines for one price, tonic and laxative. No other remedy gives so much for the money. All druggists, 25c, and 50c, or free sample of THE LAXAKOLA CO., 125 Nassau St., N. Y., or 236 Dearborn St., Chicago.

ROUND THE REGION.

The Hazleton Item prints a report that Mine Inspector William Davies has been selected as superintendent of the Lehigh Valley Coal Company's operations in this section, to succeed Superintendent Zerby, who has been promoted to the Wyoming region. An effort was made to confirm the rumor but all of those interviewed refused to either confirm or deny the rumor.

Those Greek Catholics in this section who are under the jurisdiction of the Roman pontiff have received notice that Rt. Rev. Andro Hodobyeha has been appointed by the Vatican as vicar in the United States and will be located in Washington. Dr. Simeon Szabo has been selected as his secretary.

An absolute divorce has been granted by the court to Miss Bessie Miller from her husband, Harry Miller, of Hazleton.

Eased Conscience.
A well known English dean recently had the misfortune to lose his umbrella, and he rather suspected that its appropriation by another had not been altogether accidental. He therefore used the story to point a moral in a sermon in the cathedral, adding that if its present possessor would drop it over the wall of the deanery garden during that night he would say no more about it. Next morning he repaired to the spot and found his own umbrella and forty-five others.

Sharks as Game Fish.
As game fishes sharks do not, I think, stand high. The most common of them, the dusky shark, when hooked, circles round on the surface and usually bites off the lines and escapes. If so hooked that the line cannot be cut, the struggle is furious but short, the shark giving up in much less time than a game fish of half his size, such as the channel bass, salt water trout or snapper would do.—Forest and Stream.

Two Expressions of Peel.
Was there ever a more mordant and sardonic stroke of description than that O'Connell gave of Peel's bloodlessness? "His smile was like the silver plate on a coffin."
Less scathing, but less witty also, was his description of a lady of a similar repellent temperament. "She had all the characteristics of a poker, except its occasional warmth."

His Latin.
"Why do you put so many Latin quotations into your speeches?" asked the friend. "I'm sure most of us don't understand them."
"That's just the point. Misery loves company. I want to be sure there is some one besides myself who doesn't know precisely what I am talking about."—Washington Star.

Robert Toombs' Advice.
A lawyer sent to Robert Toombs once and asked what he should charge a client in a case to which Mr. Toombs had just listened in the courthouse. "Well," said Toombs, "I should charge \$1,000, but you ought to have \$5,000, for you did a great many things that I would not have done."

Hint Proof.
A woman visiting in town complains that she has been moved from the guestroom to a back bedroom and from there to sleep three in a bed with the children. She wouldn't see a hint if it were tied on her mirror with blue ribbon.—Atchison Globe.

One trouble with economy is that it is usually practiced by men who do not need to exercise it.—Saturday Evening Post.

JUDGE CLANCY

Of Hornellsville, N. Y., Hands
Down An Important
Decision.

In the case of Dr. David Kennedy's Favorite Remedy against Blood and Liver trouble, Judge James H. Clancy of Hornellsville, N. Y., and one of the most prominent members of the bar in that historic town, decided recently that as against Blood and Liver trouble, Dr. David Kennedy's Favorite Remedy was worthy of the highest praise. He says:

"I have used Dr. David Kennedy's Favorite Remedy and strongly recommend it for its good effect in my case for liver trouble and blood disorder. It built me right up and I improved greatly in health."

Geo. H. Tift of 878 River street, Troy, N. Y., suffered from liver trouble and his blood was all out of order and after using 'Favorite Remedy,' has this to say:

"For any one suffering from that run down or tired out feeling, caused by blood or liver trouble, Dr. David Kennedy's Favorite Remedy is the best medicine you can buy. I have used it and I know."

The one sure cure for diseases of the kidneys, liver, bladder and blood, rheumatism, dyspepsia and chronic constipation, is Dr. David Kennedy's Favorite Remedy. It has cured in many cases where all else has failed.

It matters not how sick you are, how long you have suffered, or how many physicians have failed to help you, Dr. David Kennedy's Favorite Remedy will cure you if a cure is possible.

It is for sale by all druggists at \$1.00 a bottle, or 6 bottles for \$5.00—less than a cent a dose.

Sample bottle—enough for trial, free by mail. Dr. D. Kennedy Corporation, Rondout, N. Y.

BREVITIES.

Work has begun in the Salt river valley on a great plan for the growing of citrus fruit indoors. The project involves the roofing of more than 1,000 acres of orange, lemon and pomelo trees and is undertaken by the Territorial Association of Citrus Fruit Growers.

Bicycling seems on the way to join roller skating in France as an extinct craze, and the big velodromes, like the rinks, are empty. An attempt is being made to turn them into open air theaters for classical plays and operas. At Roubaix the experiment will be made next summer.

In the Lyons tobacco factory 188 women and girls, from sixteen to twenty-eight years of age, work ten hours a day in the cigar department, and only one of them earns as high as \$1 per day. Their situations are very desirable, and there is now a list of applications for places containing over 600 names.

It is often said that the French president receives no more than \$120,000 a year for his services. That is, as a matter of fact, the actual salary of the head of the republic, but it is not generally known that M. Loubet is supplied gratuitously with a number of household necessities which represent in value at least \$10,000 a year. For fruit, vegetables, game, oil, logs for his fires, gas and electricity he pays nothing, while, in addition, his household linen is washed free of charge.

Curiosity.
"I wish I could hit on some scheme," said the merchant, "to make people stop in front of my store as they pass, if only for a moment. I think it would help business."
"I've got it," put in his friend. "Put up a sign 'Look Out For Paint,' and I'll bet my salary against a penny cruller nine 'y-nine men out of a hundred will stop to see if it's dry.'"—Baltimore News.

What Worried Her.
Mrs. O'Brien—Good mornin', Mrs. McCabe. An' phwat makes yer look so bad?
Mrs. McCabe—Shure, Dennis was sint to the penitentiary for six months.
Mrs. O'Brien—Well! Shure, don't worry. Six months will soon pass.
Mrs. McCabe—Shure, that's what's wurries me.—Leslie's Weekly.

All in the Family.
Adams—Do you believe it is a sign of good luck to find a horseshoe on the road?
Johnson—Of course. It is a sign of good luck for some blacksmith.—Detroit Free Press.

To be constantly pulling up the seeds of life to see if they have sprouted is a serious menace to the health of the plants.—Ladies' Home Journal.

Rain and sweat have no effect on harness treated with Eureka Harness Oil. It resists the damp, keeps the leather soft and pliable. Sitchons do not break. No rough surface to chafe and irritate. The harness not only keeps looking like new, but wears twice as long by the use of Eureka Harness Oil.
