

All conveniences known to the modern business house will be installed for the accommodation of our patrons.

# NEUBURGER'S

## Great Rebuilding Sale.

Workmen began operations Monday upon the excavations of the large new daylight addition to be built to our store.

The work has already been commenced which will convert our present store into lower Luzerne County's greatest business place, and Freeland's only modern department store. During the progress of this work it becomes necessary for us to reduce our great stock to such an extent that the workmen will not be impeded in their progress. Hence We Are Compelled to Sacrifice Prices to such an extent that the Most Surprising Bargains in High-Grade Clothing, Shoes, Dry Goods, Furnishings, Hats, Caps, Trunks, Valises, Notions, Etc., ever offered in Northeastern Pennsylvania now await you. This Great Sale Began Monday, and to those desiring high-grade merchandise this is an opportunity which but seldom occurs in a lifetime.

### Clothing Department.

The NeuBurger Clothing has long been famous for its being equal to the best and better than the most made-to-measure clothes, and this great sale has not changed any of the style, every garment being strictly up to the minute and has not taken any of the value or the wearing quality out of the NeuBurger Clothing. But the Price—That is where the sacrifices have been made for your gain, and no such clothing bargains have ever been offered as Rebuilding NeuBurger's Store has made possible for you to procure.
