

STILL FURTHER ARE PRICES SHOVED DOWN AT NEUBURGER'S Freeland's Greatest Store

The excavations and foundations of the large new Daylight Addition now being built to our store are completed. This addition in itself is larger than any other Freeland store. As the bricklayers, carpenters and decorators are preparing to put this addition in readiness for us we are compelled to reduce our mammoth stock to such proportions that we can easily handle the same while the improvements to our present quarters are in progress, which will consist of the lowering of the floor, renovating, placing in new show windows, and arranging the new fixtures which, when completed, will make NeuBurger's the shopping centre of the Lehigh coal regions.

We Find Ourselves Now Compelled to Sacrifice Our Stock

that the workmen shall not be impeded in the progress of their work. Hence every article in every department of our Big Store has been slashed in price to the most surprising extent ever heretofore attempted in northeastern Pennsylvania. We are now helping you to earn money by the opportunities we offer for saving it during this great sale of Clothing, Shoes, Dry Goods, Hats, Caps, Cloaks, Trunks, Valises, Notions, Etc.
