BAER HEARD FROM AGAIN

Reading President Says the Miners Must Surrender.

Important Developments in the Strike Situation Are Looked For Within the Next Few Days.

President George F. Baer, of the Philadelphia and Reading Company, made the following statement in New York yesterday:

"The only settlement that can take place will be for the strikers to return to work. That is what we are waiting for. There can be no outside interference. All the king's horses and all the king's men cannot effect a settlement in any other way. I cannot say when the strike will end, but it can end only in the one way—by the strikers returning to work."

President Fowler, of the New York, Ontario and Western Railroad, said:

"When the miners return to work the operators will be willing to confer with their own employes, if there are any real grievances. They would even be willing, if the case warranted it, to submit matters to arbitration, the arbitration, however, being between the operators and their employes. There can be no agreement until the miners return to work."

Notwithstanding the above statements, the news from the strike headquarters at Wilkesbarre indicates that important developments in the strike may be expected in a day or two. Just what this move will be only President Mitchell and his closest advisors know and they will not tell.

JUNE WEDDINGS.

Grooms and Brides Who Are Joining Hands and Hearts.

William H. Weaver, of Myrtle Point, Oregon, and Miss Lizzie M. Johnson, Front street, will be married tomorrow at the home of the bride's parents, Mr. and Mrs. Joseph Johnson. The ceremony will be performed by Rev. F. Marshall, of St. James' P. E. chapel. William Rohland will serve as groomsmen and Miss Mabel Dehman as bridesmaid. A reception will be held at the home of the bride, after which Mr. and Mrs. Weaver will leave for Bethlehem, where the former has accepted a responsible position with the Bethlehem Iron and Steel Company. Mr. Weaver was until a year ago superintendent at the Salmon Iron Works and has a large circle of friends here. His bride is also a popular young lady and they begin life together with many wishes for success.

Charles H. Rohland and Miss Miriam Edmunds will be married at 8 o'clock this evening at St. James' Episcopal church in Drifton. Rev. James P. Buxton will perform the ceremony. The bride will be given away by her brother, Thomas L. Edmunds. William Rohland, of Cleveland, O., will be groomsmen, and Mrs. Thomas L. Edmunds, of Drifton, matron of honor. The bridesmaids will be Misses Catherine and Margaret Edmunds, sisters of the bride, and Miss Eva Martin and Elizabeth Morgan. Special trolley cars will leave Hazleton and Freeland to convey the invited guests to and from the wedding. Mr. and Mrs. Rohland will make their home in Freeland with Mrs. W. H. Hoch, a sister of the bride.

Denis Ferry, Jr., of Upper Lehigh, and Miss Sarah Burns, of Hazleton, were married at noon today at St. Gabriel's Catholic church, Hazleton. James Johnson, of Upper Lehigh, was groomsmen, and Miss Mame McDevitt, of Freeland, was bridesmaid. Mr. and Mrs. Ferry left this afternoon for Atlantic City, where they will spend a week. Upon their return they will make their home in the Second ward of town. The young couple's many friends wish them a pleasant journey through life.

The engagement of Miss Nan Heck, of Hazleton, a trained nurse in the service of G. B. Markle & Co. at Jeddo, to Dr. Edwin M. Ellis, who is stationed at Freeland, was announced yesterday.

Announcement has been made of the engagement of Miss Mollie James, of Hazleton, formerly of Coleraine, to John Smith, of Freeland. The marriage will take place in October.

Charles O'Donnell, of Allentown, a young man well known here, and Miss Mary Broderick, of Hazleton, were married this afternoon in the latter city.

On Trial for Murder.

Peter Lenousky, the young Lithuanian charged with having been the principal in the murder of Andrew Sannick at the Exeter shaft in February, was placed on trial before Judge Wheaton on Monday. Vincent Zorombo, the accomplice of the prisoner, was it will be remembered, convicted of murder in the first degree at the April term of court.

The crime with which the prisoner is charged was committed at the Exeter shaft on the evening of February 11. Andrew Sannick was a miner and Peter Lenousky was one of his boarders. Lenousky, it is alleged, was enamored with Mrs. Sannick and also coveted the earnings of Sannick which amounted to about \$800.

The commonwealth alleges that as a result of a plot between Lenousky and Zorombo the two men went into the shaft on the day in question and attacked Sannick with an ax and left him for dead. Later in the night Lenousky was a member of a searching party which found Sannick lying in the mine where he had been struck down. He was removed to the Pittston hospital, where he died about two weeks later. When arrested both Lenousky and Zorombo made confessions, each accusing the other of having committed the crime.

W. E. Martin, of Freeland, is one of the jurors in the case.

Notice to the Public.

The report circulated that I am working as a pump-runner in Drifton is false. I have not worked in Drifton for the past six years. Since stopping work at Eckley last April I have not worked for any coal company, nor have I asked others to work. When I left the mines I bought a horse and wagon to do hauling and teaming, and the rumors that I am a "scab" have injured my business. I appeal to my friends to not believe these false reports, as they are unjust to myself and my family, and I never gave any cause for such talk. I am a friend of workmen and have not and will not do anything against them.

Yours truly,
John Walltsky, West Chestnut street.

TOKENS OF ESTEEM.

Rev. John L. Moore the Recipient of Many Valuable Gifts.

Rev. John L. Moore, curate at St. Ann's Catholic church, who will leave here on Friday to assume a similar position in the Philadelphia diocese, has received numerous evidences of the esteem in which he is held by the people of the parish.

By his fellow-members of Division G, A. O. H., he was presented with a beautiful gold watch-chain on Monday evening. Last evening St. Ann's Cadet Society presented him with a gold watch and chain valued at \$75. Division 19, A. O. H., and the Young Men's T. A. B. Corps have each donated \$25 towards a fund to be raised by the Catholic societies of the parish to purchase him a gold chalice.

These tokens of esteem from those among whom he labored during his stay here came as surprises to Rev. Moore, and the gifts are appreciated by the young clergyman.

On Monday evening he was tendered a formal farewell by the Ancient Order of Hibernians of town, and the affair, which was held in the Grand opera house hall, was one of the most successful of the kind that the town has yet seen.

The farewell was conducted under the auspices of Division G and was attended by over 400 members of the order. Addresses were delivered by County President E. J. Moore, of Warrior Run, Rev. Moore and members of Divisions G and 19.

A musical and literary program, followed by refreshments and entertainers, completed the evening's entertainment.

School Boards Meet.

Directors Brogan, Buckley, Fetterman, Isaac, Kelly, McGeehan, Purcell and Timony attended the regular meeting of Freeland school board on Monday evening. Director Brogan was chosen to preside.

The following committees, named by President Slattery, were announced: Buildings and grounds—Slattery, Shelhamer, McGeehan.

Text books and supplies—Buckley, Fetterman, Purcell.

Finance—Timony, Kline, Kelly.

Teachers and pupils—Brogan, Isaac, Buckley.

The bond of Peter Timony as treasurer, for \$20,000, with Condy O. Boyle, John Shigo, James McHugh and Frank O'Donnell as sureties, was approved and ordered recorded.

The annual report of the auditors was read and ordered published in three papers, same as in previous years.

The auditors' bills, \$6 each for Henry Krone, Bernard Boyle and Jonah Evans, and 32 cents for electric light for May, were ordered paid.

The supply committee was authorized to obtain prices on books and supplies as soon as the principal's report on the same is received.

The tax levy was fixed at 13 mills for building purposes, 13 mills for school purposes, with \$1 minimum occupation tax.

Foster township school board met Monday afternoon with Directors Johnson, McHugh, O'Neill and Dudley present. In the absence of the president and secretary, the two former were chosen pro tem. The auditors' report was read and ordered published in the Tribune and Progress. Bills of \$10 from each of the three auditors were ordered paid. The board decided that the first Saturday of each month should be the regular meeting night and the time 7 p. m. promptly.

Queer Horse Trade.

From the Hazleton Sentinel.

Last week Cyrus Shearer, of Butler, and E. Smith, of Freeland, traded horses, and each apparently seemed satisfied with the bargain. On Sunday morning Shearer was astonished on going to his barn to find his new horse gone, and in its place the animal he traded off to Smith. The latter had evidently thought better of his bargain, and some time during Saturday is alleged to have made the exchange. Shearer is indignant at the trick, and threatens to sue Smith, who is a D. S. & S. engineer.

John Sheebo, 28 years old, was stabbed at Lansford by his companion, Martin Collar, 55 years old, and died from the wound. Both were attending the celebration of a wedding, and upon their return to their boarding house an altercation took place, with the above result. The weapon used was a small pocket knife, which penetrated the heart. Collar was arrested last night at South Bethlehem.

The fire alarm apparatus has been removed from the inside to the outside of the electric light building. It was feared that the delicate mechanism would be affected by the dust inside.
