FALL TERM OPENS SEPT. 8, 1902.
For Catalogue and particulars address
GEO. F. BIBLE, A. M., Principal.

WAITING FOR BIG MEETING

Miners and Operators Look to National Convention.

Anthracite Delegates Will Fight Hard for Total Suspension of Mining in the United States.

Now that the call has been issued for a national convention of the United Mine Workers of America on July 17, nothing remains for the anthracite miners to do during the month that must elapse before it convenes but to maintain the solidity of their ranks and continue their efforts along peaceable lines, to cripple the operators as far as possible, by inducing every man they can reach to remain away from the collieries.

The operators, it is believed, will await with equal patience the result of the Indianapolis meeting. Stories to the effect that they proposed to make an effort to resume the mining of coal about July 1 have been contradicted by persons in close touch with the operators.

Some capital has been made of the announcement that the coal companies are receiving applications for reinstatement from some of their old men. This is not denied, but as an operator's agent admitted, it is not at all unreasonable that out of an army of 147,000 men there should be some who would be glad to desert if they could do so without being found out. All the applications thus far received he acknowledged would not be sufficient to begin to run the smallest colliery in the three districts.

The locals throughout the region are preparing to elect their delegates to the national convention at Indianapolis. Every 100 men, or major fraction thereof, are entitled to one delegate. It is presumed that 1,400 delegates will take part in the great convention. Many locals, however, will not send delegates, on account of the expense, but all will be represented either in person or by proxy, and the anthracite delegates will fight hard for a general suspension of mining.

The striking miners agree that calling out the bituminous regions is their last card. This is the final aggressive resort in their hands. Just whether the organized districts of the bituminous regions will strike, or if the miners will gain a point by a general suspension, is the point about which the public is now speculating.

DEMANDS GRANTED AT SANDY RUN.
What is regarded by the miners as a significant move on the part of the operators was the granting this week to the engineers, firemen and pumpmen of the eight-hour day and all other demands by M. S. Kemmerer & Co., at Sandy Run. The agreement, however, is only conditional and if the miners lose in the present struggle the men at the close of the strike will be compelled to return to the ten-hour schedule.

District President Duffy has approved of the agreement.

It is rumored that the Upper Lehigh

Independence Day at Niagara Falls.
The Lehigh Valley Railroad announces the low fare of \$8.35 from Freeland for the round trip. Tickets on sale July 3 and 4, limited for return to July 6, and will be honored on any train except the Black Diamond express.

See agents for further particulars.

William Birkbeck,
Sarah Jones Snyder,
Freeland, Pa.

CASTORIA. The Kind You Have Always Bought. Bears the Signature of *Chas. H. Fletcher*

Coal Company will also grant the steamers' demands, but this report cannot be confirmed.

Delegates Elected.

The Democratic convention of the Fourth legislative district was held yesterday afternoon at Hazleton. Squires Hugh A. Shovlin, Freeland; M. P. Campbell, Foster, and Daniel McKelvey, Hazle, and James Holman, Hazleton, were unanimously elected to represent the district in the Democratic state convention at Erie next week.

The convention was an exceedingly quiet gathering. P. F. Fallon, of Hazleton, was chosen chairman, and E. F. Hanton, of Freeland, secretary. Edward McGeehan and Daniel Briehof, Hazleton, and John E. McHugh, Freeland, were the tellers.

The successful candidates for delegates were nominated without opposition and were given no instructions. It is understood that they will be guided by Attorney John Lenahan's advice in naming a state ticket and adopting a platform.

The primary elections held Wednesday afternoon were warmly contested, and close votes for delegates resulted at several polls. The successful slate captured 33 of the 48 delegates, which gave them complete control of the convention.

Graduating Notes.

William Frank Roberts, of Freeland, was salutatorian of the class of forty-seven which graduated on Wednesday at Lehigh university, South Bethlehem. His subject was: "Strikes in the Anthracite Coal Regions."

Prof. John E. Williams, supervising principal of the borough schools, graduated on Wednesday at Bucknell university, Lewisburg, with the degree of bachelor of science.

Calvin Albert, who graduated at Cornell university, Ithaca, N. Y., and William Lawlor, who graduated at Holy Cross college, Worcester, Mass., have arrived home.

Jerry McGinley, of South Centre street, is among those who have passed the examination at East Stroudsburg normal school and will graduate next week.

Miss Edith Kuntz, of town, will graduate next Wednesday at Bloomsburg normal school.

Toilet Bags.

A set of bags for the toilet comprising one each for soiled linen, for comb and brush, for combings, the latter stiffened, may be very effectively made of colored linen or denim, with a bold design cut out of satin, jean, drill or any smooth surface washing material in white and applied on with a small white washing cord sewed with stitches the color of the ground material. A larger cord is used for the stems. The stitches in this are not seen. It is quite easy to get a copy of some conventional scroll design suitable for this work or, indeed, to make one from a wall paper pattern. By tracing the distinct portions and cutting them out of paper the pattern is obtained for cutting the material. Small table covers and sofa pillows for the bedroom are very pretty worked this way in linen.

Utility Boxes.

Boxes for holding odds and ends—utility boxes they are called—are pentagonal in shape and stand about two feet high. They are lined with art ticking, and inside are several pockets, besides plenty of room in the center. The art ticking covers the outside of the box, and there is a deep valance. The cover is hinged and provided with a fancy metal handle to lift it with. Shirt waist boxes are made in the same way and of the same material, but are oblong in shape. These boxes are intended for rooms where space is at a premium and serve as seats as well as boxes.

A Window Sill Garden.

If the baby is fond of flowers and would like to make things grow, let him start a garden in a bowl or glass of water. Put some seeds of sweet peas into the bowl or glass with just enough water to cover them. Then stand it in a sunny window, and in a few days the tiny seeds will be throwing out green sprouts. The baby must not expect them to grow tall and flower, but the mere sprouting is a wonderful feat for seeds planted in water and very interesting to watch.

A Sand Table For Little Children.

For the indoor amusement of the little folks get a sand table, such as is used in the kindergarten. It is 6 feet long, 30 inches wide and 24 inches high. The tray, which is 4 inches deep, is painted and varnished inside. It holds a quantity of moist sand which can be molded into different shapes and used in a variety of ways, as, for instance, to represent a garden, a range of hills, the course of a river, etc.—Ladies' Home Journal.

CASTORIA. The Kind You Have Always Bought. Bears the Signature of *Chas. H. Fletcher*

ROUND THE REGION.

Arbitrators have awarded to J. Wiszguida, of Mahanoy City, \$5,000 against the Schuylkill Traction Company, as damages for injuries sustained by his son, aged about 10 years. The boy was sent to a store by his mother for some provisions. He jumped on a beer wagon, on which he rode some distance, and in alighting stepped upon the tracks of the company. He was struck by a car and dragged 90 feet, losing an arm.

Seven candidates successfully passed the examination for mine inspector in Lackawanna county, and their names will go on the official ballot next November. Two are to be elected. The candidates will be P. J. Moore, Carbonate; James M. Thomas, North Scranton; Llewellyn N. Evans, West Scranton; David Williams, West Scranton; H. W. Evans, Randolph; W. R. Evans, West Scranton; E. C. Davis, Duryea.

Terrence V. Powderly, former president of the Knights of Labor and latterly immigration commissioner, was an incorporator of the Black Diamond Coal Company, chartered in New Jersey this week, with \$1,000,000 capital divided into 1,000,000 shares of the par value of \$1. Co-operative mining is the object of the company. The "Stow tract," in Branch township, Schuylkill county, will be purchased.

John Davis, aged about 25 years, of Beaver Brook, was instantly killed in Trenton, N. J., yesterday where he had gone in quest of work. He fell under a freight train and was mangled beneath the wheels. The body is expected to arrive at his home this evening. He is survived by his mother, Mrs. William Parry, and three sisters and two brothers.

The Lackawanna Railroad has completed installing its wires and instruments constituting its telephone system, which is intended to supersede the telegraph service of the railroad. The system is now ready for use, but the telegraph service will not be abandoned for the present. It is the intention of the company to gradually work the telephone into use.

At a recent meeting of the commissioners of Newport township an ordinance was passed authorizing the placing of thirty or more electric lamps in Glen Lyon, Wanamie, Alden and Sheatons at a cost of \$65 per lamp per year. The contract was awarded to the Nanticoke Electric Light Company for a term of seven years.

Edward Barrett, a twelve-year-old boy, began an action against the city of Scranton to recover \$25,000 damages. He was walking along Bloom avenue last week and fell into a hole in the roadway. As a result of the fall he bit off half of his tongue and will be speechless for the remainder of his life.

John Collins, of Chicago, will hold a series of meetings in this county for ten days, beginning tomorrow. His subject at all of these will be "The Labor Movement Toward Socialism." The county convention of the Socialist party of Luzerne county will be held Sunday afternoon at Wilkesbarre.

The jury in the case of Peter Lenoukey has returned a verdict of murder in the first degree. Lenoukey was remanded for sentence. He with Victor Zerambo, it is alleged, killed Anthony Senick at the Exeter shaft. Zerambo is now in jail awaiting a sentence of death.

The poor district directors met on Wednesday and levied the tax rate for the coming year. The rate is 10 mills in Luzerne and 7½ mills in Carbon county. Cyrus Stevens, of Weatherly, was awarded the contract to paint the new barn for \$125.

Charles Grether and Bonnie Biello, the convicted murderers who escaped from Monroe county jail on Sunday, were captured yesterday. The former was caught at Manunka Chunk, N. J., and the latter at Belvidere, N. J. Neither resisted arrest.

The State Board of Pardons has recommended a pardon for John McCoolick, of this county, in jail for second degree murder. The case of James L. and John W. Bunnell, of Wilkesbarre, convicted of a misdemeanor, was held under advisement.

Last night burglars entered the post-office at Laceyville, Wyoming county. The safe was blown open and the contents scattered around the office. The burglars, however, secured only a few stamps.

The three national banks of Wilkesbarre have agreed to pay 3 per cent interest on savings deposits after July 1. All the state banks of the city now pay 3 per cent interest.

LOCAL NOTES WRITTEN UP

Short Items of Interest to All Readers.

Happenings of the Past Two Days in and Around Freeland Recorded Without Waste of Words.

The last of the original set of "Mauch Chunk" fire-plugs installed by the Water Company was removed today at the corner of Walnut and Centre streets. In its stead one of the new style plugs was placed. All the plugs in the borough are now uniform, which will be quite a convenience to the firemen.

Prof. William Bray, of Lehigh university, has accepted the M. & M. Institute principalship and will take charge at once. Prof. Bray was here yesterday, but left again for Centre county, where he will marry a young lady next Wednesday. Mr. and Mrs. Bray will make their home in Coxe addition.

Two suspicious characters were seen around the home of Mrs. W. H. Hoch, South Washington street, yesterday morning, but were scared off by the people in the house. It is supposed that their object was burglary, as the Rohland-Edmunds wedding presents were stored in Mrs. Hoch's home.

The explosion at the Electric Light Company's plant last January, which resulted in several injuries to Engineer Bernard McLaughlin and Fireman James Collum, was recalled this week by the latter entering suit for \$10,000 damages against the company. Gross negligence is charged.

The financial troubles of Schneider & Kreyer, publishers of the Slovenska Pravda, which resulted in a visit from the sheriff on Wednesday, have been settled. Michael Zemany succeeds Mr. Schneider in the firm, and the publication of the paper will be resumed.

The Philadelphia Record this morning launched a boom for Captain William Hasson, of Venango county, for governor, and Attorney John T. Lenahan, of Luzerne county, for lieutenant governor.

Hugh Malloy has received three young fox-hounds from an Allentown party. The dogs are valued at \$50 each and will be used to rid the woods of lower Luzerne of foxes.

A. Oswald has the agency for the celebrated Elysian's extracts and perfumery. The finest goods made. Try them.

Lizzie, a three-year-old daughter of Mr. and Mrs. William Sheaman, died yesterday at Pond Creek. The funeral took place this afternoon. Interment was made at Sandy valley cemetery.

A shooting match for \$100 a side, with John Volkenand, of Freeland, and Frank Anthony, of Sandy Run, as contestants, will be shot on July 4 at South Heberton.

Michael Lazo, of Drifton, and Miss Ella Petrusko, of Freeland, will be married next week by Rev. Martyak at St. Mary's Greek church.

The trial of Thomas Smith and Louis Dinn, charged with the killing of Michael Choro last April, is set down for Monday next.

A class of over fifty applicants for provisional certificates was examined here yesterday by F. P. Hopper, county superintendent of schools.

Michael Zemany, Jr., who returned last winter from three years service in the Philippines, has re-enlisted in the army at Columbus, O.

Miss Lizzie Brueck and Jennie Lavelle returned to White Haven this morning after a visit to Freeland friends.

Miss Caroline Bonoma, accompanied by Miss Pheobe Riley, left yesterday to receive treatment at Jefferson hospital, Philadelphia.

Ripe huckleberries have made their appearance and in a week or two strikers will find employment in picking the fruit.

Ice cream at Morlt's.

John Kosternick and Miss Ella Cheppa, both of Jeddo, will be married at St. John's Slavonian Catholic church, on Monday.

Mrs. J. D. Mock, of Jeddo, will leave tomorrow to visit relatives at Anise, Montgomery county.

Miss Annie Goepfert has returned from an extended visit to Brooklyn, N. Y.

John Brennan, of Philadelphia, is visiting Freeland friends.

The towns of the coal region are rapidly losing their young men.

TRY THIS TEST. And See If Your Kidneys Are Diseased.

A very simple way to determine whether your kidneys or bladder are diseased is to put some of your urine in a glass tumbler and let it stand 24 hours; if it has a sediment or a cloudy,ropy or stringy appearance, if it is pale or discolored, you do not need a physician to tell you that you are in a dangerous condition. Dr. David Kennedy's Favorite Remedy speedily cures such serious symptoms as pain in back, inability to hold urine, a burning scalding pain in passing it. Frequent desire to urinate, especially at night, the staining of linen by your urine and all unpleasant and dangerous effects produced on the system by the use of whiskey and beer.

In speaking of the good done him by Dr. David Kennedy's Favorite Remedy, the Rev. Aaron Coons, D. D., pastor of the M. E. Church of Rhinecliff, N. Y., says:

"I most sincerely believe that Dr. David Kennedy's Favorite Remedy is the best kidney, liver and blood medicine made, and urgently recommend it, for I know by experience it will do all that is claimed for it."

"Favorite Remedy" is a vegetable help to the stomach and bowels in performing their duties properly. It overcomes and permanently cures dyspepsia, indigestion, biliousness and rheumatism. It is absolutely harmless and purely vegetable. It contains no dangerous stimulants, no mercury or poisons, and is the only kidney medicine that does not constipate.

All druggists sell Dr. David Kennedy's Favorite Remedy in the New 50 Cent Size and the regular \$1.00 size bottles. Sample bottle—enough for trial, free by mail.

Dr. D. Kennedy Corporation, Rondout, N. Y.
