

FREELAND TRIBUNE.

VOL. XV. NO. 12.

FREELAND, PA., MONDAY, JULY 28, 1902.

TRI-WEEKLY

STATE NORMAL SCHOOL, EAST STROUDSBURG, PA.

Location
This popular State Institution is located in the midst of the Delaware Water Gap-Mt. Pocono Summer Resort Region, the most beautiful and picturesque in the state, and one that is visited by thousands of tourists annually.

Courses of Study
In addition to the departments of the regular Normal Course, we have special Departments of Music, Elocution, Art, Drawing and Water Color, and a full College Preparatory Department. You can save an entire year in your college preparatory work by coming here.

Free Tuition
Tuition is absolutely free to those complying with the new state law. This gives a rare opportunity to those desiring a complete education and should be taken advantage of at once, as this law may be repealed by the next Legislature.

Cost of Boarding
Boarding expenses are \$5.00 per week, which includes fully furnished and carpeted rooms, heat, electric light and laundry. The additional expense is less than at most any other schools.

Improvements
Among these are a new Gymnasium, a fine Electric Light Plant, and a new Recreation Hall now being erected, which will contain fifteen large and fully equipped recreation rooms. In addition, all buildings will be replastered and fitted up with various other changes made in the dormitories for the better comfort and convenience of the pupils of the school.

New Catalogue
Catalogue for 1902, gives full information as to free tuition, expenses, courses of study, and other facts of interest and will be mailed without charge to those desiring it. Full Term opens September 8, 1902.

PLANNING THE RELIEF WORK

Miners' Officers Apportion the Strike Fund.

Majority of the Local Unions Favor Distribution by the Store Order System—Fifty Men Arrested, One Held.

The United Mine Workers' district officers spent yesterday at Wilkesbarre in apportioning the strike fund for distribution to the different locals, while groups of the locals held meetings to decide upon plans for giving it to the men. Until the full amount of the weekly fund shall be received the amount sent is to be used in aiding only the most needy cases.

It will take a little time to complete all the arrangements for collecting, remitting and distributing the fund, for a large amount of work is involved. When the full amount is received, and the strikers' leaders cannot say just when this will be, the task of distributing it and providing for the strikers will be easier.

The system of distribution most favored is the issuing of store orders. This would enable the men to patronize whom they like, and the merchants who have given them credit will be given their share.

It is denied at strike headquarters that there is any dissatisfaction among the strikers as to the manner in which the relief fund shall be distributed.

Operators, however, believe that the distribution of relief funds will cause so much dissatisfaction that there will be trouble in the strikers' camp.

EXCITEMENT NEAR LANSFORD.

About fifty men on Saturday evening captured William Eagle, a brakeman, at Hauto, near Lansford, and made an attempt to march him to Mauch Chunk. Twenty armed deputies were sent out to intercept them, and encountered the marchers.

They surrounded them and at the points of their guns compelled them to board a train bound for Lansford. There the prisoners were marched to the borough lockup.

At 7 o'clock the men were taken from the jail, and surrounded by deputies, the march to the office of a justice of the peace was taken up. When the principal part of the town was reached the men, encouraged by the shouts of their friends, made a dash for liberty.

When they did so the crowd pressed in, and as a result all but seventeen escaped.

Of the seventeen men who failed to escape from the deputies and were given a hearing, only one was held under bail, the balance claiming that they had not participated in the march, but were merely spectators. There being no evidence against them they were discharged.

TEST OF STRENGTH COMING.

Mine workers' officers believe the actual crisis in the strike will come within the next two weeks. The operators so far have had the advantage, they say, in that their product has been on the market all the time. The real test of the strength of the operators will come when the supply of coal in the market shall be exhausted. This situation promises to develop within a very few days.

The shipments of coal from the anthracite field, as shown by statistics of the trade, are 11,000,000 tons short of last year. A shortage existed in the market before the strike began, and with shipments cut off absolutely, the supply on hand practically has been exhausted.

This will test the real unity of the operators, it is thought. Whether they will be able to resist the demands from manufacturers and the public generally is the question.

MISCELLANEOUS NOTES.

It having been reported that a house occupied by an employee of the Susquehanna Coal Company at Nanticoke had all the window broken in it by strikers, a committee from the miners' union visited Nanticoke yesterday to investigate. They reported that two panes of glass were broken and that a twelve-year-old boy, who had a quarrel with another lad, hurled the stones and they went through the windows.

President Mitchell says at the beginning of the eleventh week of the strike there is no change in the situation. The strikers are as firm as ever and the coal companies are as powerless to operate their mines as ever.

The People's Coal Company has notified its striking miners at Scranton that

it purposes to begin work at the Oxford colliery within the next two weeks. All old employees must ask for places before August 2, otherwise other men will be secured.

The Lithuanian-Polish Club, of this county, 95 per cent of whose members are mine workers, decided at a meeting at Wilkesbarre yesterday to appoint committees to solicit aid outside the strike region.

Quarterly Meeting.

The quarterly meeting of delegates representing the Catholic temperance societies of the Lehigh region was held yesterday at Hazleton. The meeting was addressed by Rev. P. J. McManus, of Scranton, president of Scranton Diocesan Union; Rev. Hussie and Rev. Burke and D. J. McCarthy, Esq., of Hazleton. Alex Mulhearn, president of the district, presided.

The two prizes to members securing the largest number of new members during the past three months were awarded to Mrs. P. S. Mundie, of Hazleton Ladies' Society, who receives free a year's course in music, and to W. H. Campbell, of St. Gabriel's Society, Hazton, who receives \$25 in cash. The prizes were offered by Rev. Hussie.

Six societies reported the following increases: Young Ladies' T. A. B. Society, McAdoo, 21 members; Children of Mary, McAdoo, 20; St. Gabriel's, Hazleton, 62; Young Men's, Freeland, 51; T. A. B. Harleigh, 18; T. A. B. Harwood, 9 members.

Officers for the ensuing year were elected as follows: President, M. J. McCullough, Hazleton; secretary, Daniel O'Donnell, Freeland; treasurer, T. A. Kelly, McAdoo.

The next convention will be held on October 26 at Beaver Meadow.

Brewery License Revoked.

A technical violation of a license held by the Stegmaier Brewing Company, of Wilkesbarre, has led to a revocation of that company's license in Bradford county. The company has been in the habit of shipping quantities of beer to Sayre in barrels or bottles for various customers in that town consigned to a driver, W. W. Vaughn.

These were not, however, marked in the brewery for these customers but were distributed by Vaughn according to instructions received by him. The orders were taken in March, 1901, and were for a fixed definite amount weekly but the point was that the customer were not compelled to take this amount and the orders were considered a matter of form.

This in the view of Judge Fanning constituted a technical violation of the license laws of the commonwealth and he accordingly revoked the wholesale license already granted. The complaint was made by a bottler in Sayre whose business he considered was being interfered with. The case is to be appealed.

Joy Causes Insanity.

Andrew Melchen, of Penn Haven, came to Freeland yesterday to participate in the wedding of his brother, John, who was married this morning at St. John's Slavonian church. Early in the evening he exhibited signs of mental derangement and a short time later ran excitedly from his brother's home. He was followed by friends, who captured him near St. Ann's church, but he broke away from his captors and resumed his race through the woods.

The search for the man was continued through the night and he was found at 3 o'clock this morning. He was brought back to town and remained quietly for some time. Later, his guards becoming negligent, he again escaped and is still missing.

Melchen was overjoyed at the prospect of his brother's marriage and his friends fear that this is the cause of his affliction. The search for the missing man is still going on and as soon as he is recaptured he will be placed under treatment.

Stolen Cash Returned.

Rev. Dr. J. W. Gilland, pastor of the First Presbyterian church, Shamokin, has received an anonymous communication signed "Conscience," in which were enclosed four crisp \$50 notes. The letter was dated and postmarked Philadelphia and the sex of writer was not disclosed.

The writer said that several years ago he was the "cause of a monetary loss" to the First Presbyterian church and the \$200 inclosed, which was more than the amount with interest, was to be placed in the Sunday school treasury.

The writer wishes that Dr. Gilland would make no effort to discover his identity, and said that by this reparation he sought to alleviate the pain of a torturing conscience. Dr. Gilland has no idea who the conscience stricken embezzler is.

A. Oswald has the agency for the celebrated Elysian's extracts and perfumery. The finest good made. Try them.

COUNCIL MEETING.

Light Question the Subject of Many Motions and Much Discussion.

A special meeting of the borough council, called for the purpose of taking action on the contract for street lighting, was held Friday evening. Messrs. Moerschbacher, Ward, P. G. Gallagher, Wm. Gallagher, Crawford, McLaughlin, McNelis, Doggett, Hincer and Sweet were present.

The light committee reported both contracts and ordinances as drawn by the committee and solicitor for the Freeland Electric Light Company and the Welsbach Street Lighting Company, of Philadelphia. All were read in turn for information. The prices of the Welsbach lights were on contracts for 2 years, \$31.50; 3 years, \$30.50; 5 years, \$29.50 per lamp.

A rapid-fire discussion participated in by Messrs. P. G. Gallagher, McNelis and McLaughlin took place, after which McNelis gave figures showing the condition of the finances of the borough, which with fixed charges (not including light) will place the town in debt to the amount of nearly \$300.

A motion by Hincer and Doggett to take up the contract of the Freeland Electric Light Company was the means of stirring up another lengthy discussion. The vote on the motion resulted: For—Crawford, Doggett, Hincer, McLaughlin, Ward, Moerschbacher, 6. Against—Wm. Gallagher, McNelis, Sweet, 3. Not voting—P. G. Gallagher.

A motion by Hincer and Doggett to take up the ordinance of the Freeland Electric Light Company for first reading was carried by the votes of the six members, as on the previous motion, the other four members voting against it.

The ordinance was read and the vote resulted: Ayes—Doggett, Hincer, McLaughlin, Ward, Moerschbacher, 5. Nays—Wm. Gallagher, McNelis, Sweet, 3. Not voting—Crawford, P. G. Gallagher, 2. Failing to receive a majority of the votes of council, the ordinance was declared defeated.

A motion by P. G. Gallagher and McNelis, that the Electric Light Company be instructed to cut out all street lights on August 1, was, after much discussion, lost by the following vote: For—P. G. Gallagher, Wm. Gallagher, McNelis, Sweet, 4. Against—Crawford, Doggett, Hincer, McLaughlin, Ward, Moerschbacher, 6.

A motion by P. G. Gallagher and McNelis prevailed that the light committee secure prices, conditions and any other information they can and report to council, with a recommendation of what is best to adopt, at the regular meeting in August. Messrs. Hincer, McLaughlin and Ward voted against the motion and the other seven members favored it.

McLaughlin resigned from the light committee for the reason that he did not feel that the committee could recommend since the matter was before council for its approval or disapproval. The president accepted the resignation and will act on the committee.

Burgess Boyle was permitted to read a summons in trespass served on him by Sheriff Jacobs at the instance of A. Rudewick.

BASE BALL.

The All-Collegians, of Hazleton, went down before the Good Wills here yesterday afternoon, 5 to 1. Jaquet was in the box for the local club and the visitors could not touch him.

Driften Chesters lost at Beaver Meadow yesterday to the Stars, of that town. The score was 11 to 9.

Hazleton Pioneers have changed their name to Hazleton base ball club. They have been assured of backing by some of the monied sports of the city and will play their home games at Hazle park.

Sheriff Jacobs was asked on Saturday by the Ministerial Association, of Wilkesbarre, to stop Sunday ball playing at Hanover park. He replied that they had the remedy in their own hands and could make arrests. The usual game was played yesterday.

Scranton Sunday Free Press, the first Sunday newspaper published in Pennsylvania, did not make its appearance yesterday. This is the first time it missed since its appearance in 1872. The principal cause of the suspension was that it could not cope with the New York and Philadelphia Sunday editions.

The count of returns for the Democratic Fifth district primaries held Saturday night shows that Representative Burke, who is a candidate for re-election, has a large majority over James Tennant. The convention is being held today.

Mrs. Daniel McLaughlin, of town, accompanied her husband yesterday to Camden, N. J., where he is employed in the shipbuilding yard.

LOCAL NOTES WRITTEN UP

Short Items of Interest to All Readers.

Happenings of the Past Two Days in and Around Freeland Recorded With- out Waste of Words.

The coal famine in Freeland has been relieved by the action of M. S. Kemmerer & Co., who have placed one of their Sandy Run strippings at the disposal of the public. The coal must be taken out and hauled away by the purchasers, who pay for it at the rate of \$2 a ton. About thirty tons a day are coming into town from this stripping.

The Lynch sisters, Rosaline and Regina, daughters of John Lynch, of Mahanoy City, who have appeared before audiences in local entertainments, have just signed a contract with the Carroll Stock Company for forty weeks, opening at Wernersville, N. Y., on August 18. The young ladies will report for rehearsals on August 10.

Dr. Wentz's horses won two awards in the class for high steppers at the opening of the Monmouth County Horse Show at Long Branch, N. J., last week. The first prize, \$50, in the fifth event, class 35, for high steppers, was won by Lord Brilliant, and the third prize was won by Lord Golden.

Mrs. Frank Bertie, of Freeland, while shopping in this city was taken suddenly ill and was removed to the home of Michael Rossi on Diamond avenue. A physician pronounced her ailment appendicitis. Her condition was serious and an operation may be necessary.—Hazleton Sentinel.

Thursday evening next will end the legal season for catching trout. Fishermen report that the season has been fairly good. The new laws governing the catching of trout are highly praised by all except the few who were caught violating them by Fish Warden Malloy.

Hazleton Typographical Union, of which organization all the Freeland printers are members, at its meeting yesterday contributed \$25 to the miners' relief fund. It was also decided to levy an assessment of 25 cents per week on every working member.

The borough school board has not yet appointed teachers for the coming term, and it is not likely that anything will be done until the next regular meeting on August 7. Several of the directors are working out of town, on account of the strike.

Several Jeddo and Ebervale men who obtained work at Bayonne, N. J., returned home yesterday. Low wages, three-quarters time, unsatisfactory boarding houses and voracious mosquitoes made life unbearable in Jersey.

By order of Judge Wheaton the property of the Wyoming and Pond Creek Coal Company, located at Pond Creek, was sold Saturday to C. R. Bachman, trading as the C. R. Bachman Company, for the amount of a judgment.

Ice cream—all flavors—at Merkt's.

The indications of coal in Salem township are so pronounced that a slope is being sunk to a considerable depth on the Varner farm for the purpose of definitely deciding whether or not anthracite veins in paying quantities exist.

Street Commissioner Doggett's force of employes has been suspended indefinitely, as the resources of the town will not permit any further expenditures on the streets at present.

Mr. and Mrs. Alex Mulhearn and family, of South Washington street, have taken up their residence in Sandy valley and will remain there until the strike ends.

At St. John's Slavonian Catholic church, this morning, John Melchen and Miss Mary Zepko, both of Freeland, were married by Rev. Charles Pajchisak.

Judge Freas presided in orphans' court on Saturday and heard the final arguments of the attorneys in the contest of the will of the late Joseph Birkbeck.

Mr. and Mrs. Herbert Fritz, of North Centre street, attended the funeral of a cousin of Mr. Fritz at Rockport yesterday.

David Hughes, of Jeddo, who was employed in Markie & Co.'s store, has resigned to accept a position at Allentown.

Miss Lizzie Long, of Silver Brook, is visiting the McKinley family on North Centre street.

Ben Reynolds, a D. S. & S. engineer, returned yesterday from his trip to the South.

DON'T DELAY.

It Is "Putting Off" Till Some Other Day That Causes So Many Sudden Deaths.

Be sure you need a medicine before you take it, but having once found out that you need it, lose no time in getting the best. If it's for the kidneys, liver, bladder or blood, rheumatism, dyspepsia, chronic constipation, or the weakness peculiar to women, the best is Dr. David Kennedy's Favorite Remedy, and a very simple way to find out if you need it, is to put some urine in a glass tumbler and let it stand 24 hours; if it has a sediment or a milky, cloudy appearance; if it is rosy or stringy, pale or discolored, you do not need a physician to tell you that your kidneys and bladder are badly affected.

The Rev. Theodore Hunter, pastor of the Presbyterian Church, Greensburg, Ky., writes us the following:

"It gives me much pleasure to state that I have received great benefit from the use of Dr. David Kennedy's Favorite Remedy. Some time ago I had a severe attack of kidney trouble, but a few bottles of 'Favorite Remedy' have entirely removed the malady."

"Favorite Remedy" speedily cures such dangerous symptoms as pain in the back, frequent desire to urinate, especially at night, burning scalding pain in passing water, the staining of linen by your urine and all the unpleasant and dangerous effects produced on the system by the use of whiskey and beer.

All druggists sell Dr. David Kennedy's Favorite Remedy in the **New 50 Cent Size** and the regular \$1.00 size bottles. Sample bottle—enough for trial, free by mail.

Dr. D. Kennedy Corporation, Redout, N. Y.

Dr. David Kennedy's **SIN** Rheum Cream cures Old Sores, Skin and Scrupulous Diseases. 50c.

A. O. H. Convention.

The proceedings of the national convention of the A. O. H., which has just concluded its labors at Denver, Col., were regarded with more than ordinary interest by the Hibernians of this state, two of their number, Patrick O'Neill and James O'Sullivan, having been candidates for president and vice president. The former was defeated by James E. Dolan, of Syracuse, N. Y., but Mr. O'Sullivan, of Philadelphia, who served as national secretary for four years, and who declined a renomination for a third term two years in Boston, was elected national vice president.

The other officers elected are James P. Broe, Connecticut, national secretary; M. J. O'Brien, Indiana, national treasurer, and D. J. Hennessy, Montana; P. J. O'Connor, Georgia; William J. Cronin, Massachusetts, and John T. Keating, Illinois, national directors.

The resolutions extended sympathy to the coal miners of Pennsylvania and expressed the hope that the existing troubles would be speedily and satisfactorily settled; denounced the caricaturing of Irishmen on the stage and in certain newspapers; endorsed the union of the order in America, Australia, Britain and Ireland; declared in favor of the revival of the Irish tongue among the Irish race, and declared also in favor of the abolition of landlordism and the restoration of the land of Ireland to its people and for the national independence of Ireland.

The A. O. H. state convention will be held at Wilkesbarre from August 19 to 22.
