U. S. SENATORS AGREE TO ACT

Quay and Penrose to Meet the Public Alliance.

Attorney General Is Also to Take a Hand in the Effort to Settle the Strike--Priest 'Discusses Miners' Stand.

George J. Llewellyn, representing a committee of the Public Alliance, of Wilkesbarre, called on United States Senator Penrose in Philadelphia and urged him to use his good offices in bringing about a settlement of the strike. Mr. Llewellyn said to Senator Penrose that unless great pressure was brought to bear on the operators the struggle would be continued indefinitely. The miners, he said, were determined to continue the strike unless granted concessions or arbitration. Later in the day Mr. Llewellyn went to Atlantic City to ask Senator Quay to take the matter under consideration.

The result of these meetings is that Senators Quay and Penrose are within a few days to see the committee from the Public Alliance. The committee will include twenty-four prominent business men. It will be headed by State Senator William Drury, of Pittston, and will carry a letter from Christian Walter, president of the board of trade of Wilkesbarre. The committee expects to leave next Saturday and will see the senators either that day or Monday.

Mr. Llewellyn, speaking of his interview with Senator Penrose, said: "I saw Mr. Penrose and Mr. Elkin touching the matter of arousing their interest in the settlement of the strike, and they promised to do everything they could to bring this struggle to an end. I arranged with Mr. Penrose that Senator Quay, Attorney General Elkin and himself meet the committee of the Public Alliance and listen to their plan for a settlement, and reasons for the state's interference in the trouble."

STATEMENT FROM FATHER BRADY.
In a signed statement on the strike question published in the Tamaqua Register, Rev. Francis Brady, pastor of St. Jerome's church, in that town, says: "As to the manner in which the strike has been conducted so far, I am of the opinion that the leaders are worthy of the highest praise for their moderation and prudence. They cannot, in justice, be held responsible for the violence which has occurred in direct opposition to their repeated and published advice. It is unfair and illogical to charge the whole body of the United Mine Workers with deeds of which they as a whole have expressed their disapproval; and which, as far as I know, they have endeavored in every way possible to prevent."

"In my opinion the United Mine Workers have, for the most part, behaved with a moderation and respect for the law, which under the circumstances, is worthy of the highest praise. Violence and unlawful proceedings were never authorized by the United Mine Workers as an organization. "Therefore, I hold it to be of the highest imprudence to counsel any section of the members either to desert the organization or return to work, until the strike is settled and all are ready to resume work."

Lengthy Death Roll.

The friends of Mrs. Ernest Draheim were surprised yesterday to learn that she had died suddenly at her home at 7 o'clock yesterday morning. She was apparently in good health and retired Monday evening in good spirits and had not complained of any ailment. Death was the result of an attack of convulsions, with which she was seized early yesterday morning. She was aged 23 years, and is survived, besides her husband, by one child and her father, Mr. Collit, who resides in Wilkesbarre. The funeral will take place tomorrow from her home in Upper Lehigh and the remains will be taken to Wilkesbarre for interment on the 8.15 a. m. Jersey Central train.

of Eckley, died Monday night of heart disease and dropsy, aged 69 years. During the war he served in the Sixth Penn'a Volunteers and was honorably discharged at the expiration of his term. He re-enlisted at Eckley in the Eighty-first Penn'a Volunteers and took an active part in the many battles in which this famous command participated. On May 31, 1862, he was wounded at Fair Oaks, and on July 3, 1863, he was severely wounded at the battle of Gettysburg. He is survived by three grown-up daughters.

Miss Lizzie Betterly, a popular young lady of Butler valley, died yesterday morning. Deceased was aged 25 years. She was a sister to Mrs. Calvin Rohrbach and Mrs. Eugene West, Freeland, and spent much of her time here. The funeral will take place tomorrow at 1 p. m. with interment at St. John's cemetery, St. Johns.

The remains of an infant son of Mr. Mrs. John Price, Scranton, arrived here yesterday and were buried at Upper Lehigh cemetery.

Labor Day Parade.

Preparations for the proper observance of Labor Day, September 1, are being made by the Central Labor Union. A mammoth parade is to be held here, and the demonstration will probably be followed by a picnic at the Public Park. The success attending last year's Labor Day celebration has spurred the Central Labor Union to make efforts to surpass the great demonstration of 1901. In addition to the members of the eleven locals of the U. M. W. of A., comprising the Central Labor Council, the Central Labor Union committee expects to have in line the local unions of the Brotherhood of Carpenters and Joiners, Retail Clerks' Protective Association and United Brewery Workers, also the local members of the Hazleton Musicians' Union, the Typographical Union and other organized crafts.

Burgess John F. Boyle, of the United Brewery Workers, has been chosen grand marshal of the parade.

Bandman Scoring Success.

The members of St. Ann's band have scored unusual success so far on their trip. In Allentown, Bethlehem and Easton they were given receptions far beyond their anticipations and have nothing but words of praise for the kindness bestowed upon them by former residents of Freeland and vicinity. Financially their tour has been an unqualified success. At Easton, in particular, the contributions were more than generous.

The bandmen create a stir every time they appear on the streets, their unique uniform going far to add to the novelty of their appearance. Prof. A. P. Mayberry, who accompanied the band as far as Easton, returned home on Monday evening, as his business here required his attention. He reports all the boys in good health and enjoying the trip.

Charged Again With Libel.

P. F. McGarvey and Victor Dougherty have been placed under \$17,000 bail to answer charges of civil and criminal libel preferred by Luther C. Smith and John Rohlands, two of the bosses of Cox's Bros. & Co. They allege that they were libelled in the Trades-Unionist in its issues of July 11, 18 and 25, and ask for \$30,000 damages. McGarvey and Dougherty were arrested some time ago on charges of libel made by Smith and Edgar Kudlick.

An effort was made yesterday to rush the accused men off to jail before they had an opportunity to secure bail, just as others who have incurred the ill-will of Cox's Bros. & Co. during the strike have been smuggled to Wilkesbarre, but the attempt failed. Over fifty men hurried to the alderman's office to offer bail and the persecution scheme failed.

Drawn as Jurors.

The following citizens of this vicinity have been drawn to serve as criminal court jurors on the dates preceding their names: September 8—Lewis H. Lentz, Freeland; Adam Sachs, Foster; William H. Bissell, Butler; John McGlynn, David Sutton, Hazle; Stephen Yost, Jr., Sugarloaf.

September 15—James F. Welsh, Freeland; Patrick Mulherin, John Shovlin, Foster; Samuel Gundry, Michael Lynch, Hazle.

September 22—Christian Sachs, Frank Hontz, Freeland; George Frear, James Laughlin, George R. Keller, Foster; William H. Klinger, Butler; John Morgan, F. M. Morris, Fred Krouse, John B. Gallagher, John Thrash, Hazle; Arthur Hines, Sugarloaf.

Lawrence Guenther, 45 years old, a retired hotelkeeper, died at Tamaqua from melancholia. Deceased was a brother of Hon. A. D. Guenther.

ROUND THE REGION.

A Delaware and Hudson train struck and killed six cows near Avoca yesterday and a crowd of foreigners appeared and demanded the carcasses for food. The driver for a fertilizing company, who was summoned to cart off the dead animals, attempted to do so and was assaulted. A bystander settled the trouble by deciding that the number of cows should be divided between the two parties.

John Shigo, of Stockton, aged 58 years, died Monday night of injuries sustained in a brawl at Stockton Sunday night. His assailant, Diano Hunchek, is at large. Death was due to a fracture of the skull, caused by some instrument. Deputy Coroner McKelvey panelled a jury which will meet Friday night to render a verdict. A wife and several children survive Shigo.

The Workingmen's Alliance at Wilkesbarre last night practically ousted the Socialists from its membership by refusing to allow any member of that party to serve on committees and refusing to endorse the Socialist ticket. The alliance appointed a committee of five from each legislative district of the county with the power to nominate a ticket.

A riot was narrowly averted at Manilla Park, near Tamaqua, last night, owing to the fact that two deputies from Lansford attended a dance there. Just as a crises was reached and a number of women had become hysterical deputies arrived on a special car and the two men were escorted back to town.

Susan Payne has begun action for a limited divorce from her husband, Alfred Payne, of Scranton, whom she accuses of cruel treatment. They were divorced two years ago, but fell in love with each other again and remarried last year. Then marital disputes soon arose, which led again to divorce proceedings.

Discouraged by the failure in the Scranton district, the Delaware, Lackawanna and Western Company is making no effort to resume work at the Woodward and Petebone collieries in the Wyoming district, where they had arranged to follow the lead of the Scranton mines.

A. Oswald has the agency for the celebrated Eyslan's extracts and perfumery. The finest good made. Try them.

Admiral Dewey, who is still at Mount Pocono, has been invited to visit Scranton as the guest of honor at the annual reunion of the Seven-County War Veterans' Association on Wednesday, August 20.

News was received at Wilkesbarre yesterday of the death in Manila of W. M. Freeby, 24 years old, of that city, a soldier. He was stricken with cholera.

The first annual convention of the United Powder and High Explosive Workers of America opened at Wilkesbarre yesterday.

Warned by Bishop Hoban.

Bishop Hoban in his sermon at the cathedral in Scranton Sunday morning touched on Socialism. He finds that there are two classes of Socialists—the good and the bad. The latter, that which eliminates God, he scored in no uncertain terms. The gospel of the day was the precept and example of our Lord and the text was taken from the parable of the Good Samaritan.

The bishop warned the people against giving way to ideas given out by men who are preaching socialism simply in their own selfish interests. Those who talk in the interests of humanity alone generally have political ends in view he declared.

Men should not get the idea that they are for this world alone. Socialism is all nonsense unless one loves God. We should give no heed to the socialism that is atheistic. The bishop said he did not think that any man would be willing to make a sacrifice for his fellow men without loving God first.

Blown Up and Uninjured.

To be blown through a cab window by an exploding boiler and escape unhurt is an experience which comes to few people in a life time. Yet that is just what happened to Charles Knapp, a youthful engineer of the locomotive engine which keeps the boilers at Knickerbocker colliery supplied with coal from one of the Mahanoy City culm banks.

The boiler beneath the tank blew up just after they had run out to the bank. Young Knapp was lifted through the window, and hurled some distance, away. The fireman and two deputies, who had alighted from the engine, were struck by flying fragments of iron and scalded by escaping steam and severely wounded. Engineer Knapp suffered only a few bruises received in the fall. He regards his escape from death as miraculous. The engine was completely wrecked.

TRIFLING WITH YOUR HEALTH

Is Like Playing With a Load- ed Gun—If You Have Kid- ney Trouble Attend to It at Once.

It is easy to tell whether your kidneys or bladder are diseased. Take a bottle or glass tumbler and fill it with urine. If there is a sediment—a powder-like substance—after standing a day and night, if it is pale or discolored,ropy or stringy, there is something wrong with the kidneys. Other sure signs of disease are a desire to urinate often, pain in the back, or if your urine stains linen.

There is no question that Dr. David Kennedy's Favorite Remedy is the best and surest medicine in the world for disease of the Kidneys, Liver, Bladder and Blood, Rheumatism, Dyspepsia, Chronic Constipation, and the sicknesses peculiar to women. It quickly relieves and cures inability to hold urine and the necessity of getting up a number of times during the night, and puts an end to the scalding pain when passing urine.

The Rev. Henry P. Miller, pastor Baptist Church, Spartenburg, S. C., writes: "For eleven years I suffered with kidney, liver and heart troubles, swimming in the head, dull headache and numbness of the limbs. Several physicians prescribed for me and I then began the use of Dr. David Kennedy's Favorite Remedy, and in about two weeks was entirely well."

All druggists sell Dr. David Kennedy's Favorite Remedy in the New 50 Cent Size and the regular \$1.00 size bottles. Sample bottle—enough for trial, free by mail. Dr. D. Kennedy Corporation, Rondout, N. Y.
