POLITICIANS ARE HELPING

Senators Quay and Penrose Very Much Interested.

Former Sends for President Baer and J. Pierpont Morgan to Attend Conference. Messenger After Mitchell.

Notwithstanding the daily interviews furnished to the press by President Truesdale, of the D. L. & W. Company, in which he repeats that the only settlement of the strike will be on a basis of unconditional surrender by the strikers, the prospects of an agreement satisfactory to both operators and mine workers are steadily growing more favorable, and if the radical elements on both sides are given no further information for a week than they now possess the settlement will become an assured fact before many more days have passed.

Nothing has transpired since the last issue of the Tribune to cause anything but a favorable view to be taken of the negotiations between the representatives of the anthracite employers and employees, and the assurances heretofore given in this column can be repeated today. Developments of a pleasing nature may be expected within a short while.

With those who are working for a settlement on political lines their results are being made known according as they progress. The delegation sent to Atlantic City to interest United States Senators Quay and Penrose have accomplished their mission and both officials have agreed to use their influence in the matter.

After the conference at Senator Quay's cottage, at Atlantic City, on Monday night, Senator Penrose, together with a majority of the delegation from the anthracite region, went to Philadelphia. While the senator was exceedingly reticent in regard to discussing the plans suggested for terminating the strike, it was apparent that it was his intention to give the task his best attention. The members of the delegation were very hopeful that the end of the strike is not far off.

Lewis Hammerling, of Wilkesbarre, who represented the United Mine Workers at the Atlantic City conference, had another talk yesterday with Senator Penrose at the headquarters of the Republican state committee. Neither would say what took place. Senator Penrose intimated that he was expecting further advice from the anthracite region.

Mr. Hammerling, it is understood, will call on John Mitchell, and arrange with him to attend the coming conference of strike leaders and mine operators. Senator Quay interested himself to the extent of communicating with President Baer, of the Reading Railroad, and with J. Pierpont Morgan, with the intention of having them agree upon a date for the meeting.

Before the conference it is understood that both sides may have some understanding on the questions which are to be discussed.

Will Parade Tomorrow.
Divisions 6 and 19, A. O. H., of Freeland, will participate in the parade to be held tomorrow morning at Wilkesbarre by the Ancient Order of Hibernians of Luzerne county. The divisions will be accompanied by the Balaklava

drum corps. The parade is one of the features of the biennial state convention, which is now in session at the county seat. It will form at 10 a. m. and will disperse at the Jersey Central Railroad station, where trains will leave for Mountain Park at 11 a. m. and 1.30 p. m.

The local divisions will not be able to turn out their full strength, on account of the absence from the region of many of their members, nevertheless they expect to make a creditable appearance in the demonstration.

The state convention of the order held its first business session yesterday afternoon. In the morning the delegates attended mass at St. Mary's church and listened to an address by Father Dunn, chaplain of the order in Luzerne county. City Solicitor Charles McHugh welcomed the delegates to the city. State President Donohue responded to the address of welcome and was followed by Judge Lynch. Speeches were also made by National Vice President James O'Sullivan, of Philadelphia; State Secretary Gibbons, and several clergymen.

Mountain Park Excursion.
Trains for Mountain Park will leave on Saturday at 6.50 a. m. from Upper Lehigh and Sandy Run. Freeland people can board the Upper Lehigh train at the railroad crossing near the latter town. The fare from either Upper Lehigh or Sandy Run will be 90 cents for adults and 60 cents for children. Tickets will be for sale on all trains by members of White Haven Relief Association, under whose auspices the excursion will be conducted.

There is no resort within a few hours ride of town where a day can be spent to better advantage than at Mountain Park. The grounds are in perfect shape for the large crowd that is expected to attend and all who go can confidently look forward to a day of pleasure. St. Ann's band will furnish the dance and promenade music at the park.

The proceeds of these annual excursions are distributed to worthy persons in White Haven and Freeland and vicinity without regard to nationality or denomination, hence all that is spent on this occasion is given for charitable purposes.

Socialists Name Candidate.
Alexander Dwyer, of Hazle township, was nominated yesterday afternoon at Hazleton as a candidate of the Socialist party for representative from the Fourth district. There was no opposition to Mr. Dwyer. A platform was adopted by the convention declaring allegiance to the national and state organizations, sympathizing with the striking miners and assuring the state and county tickets of the Socialist party the support of the Socialists of this district.

The present intention of the Socialists is to conduct an aggressive campaign in the county and particularly in the lower end. The leaders of the party predict that the new organization will carry many of the polls in this section and elect their legislative candidate.

Entered the Sisterhood.
At St. Mary's convent, Wilkesbarre, yesterday morning, three young women of this county who had passed their novitiate were received as Sisters of Mercy. They were Sister Mary Loyola, formerly Miss Frances Walsh, of Wilkesbarre; Sister Mary Eulalia, formerly Miss Mary Herron, of Freeland, and Sister Mary Girard, formerly Miss Catherine Finnigan, of Wilkesbarre.

Mr. and Mrs. John Herrow, Misses Maggie and Bid Herron and Miss Fannie Gallagher, all of town, attended the ceremonies. Rev. Daniel Herron, O. S. A., of Staten Island, N. Y., was also present and is visiting his parents here today.

SLAVONIC SOCIETY.

National President Ambrose, of New York, Will Speak Here Tomorrow.

Anthony S. Ambrose, of New York city, supreme president of the National Slavonic Society of the United States, will arrive at Freeland tomorrow and at 3 p. m. will deliver an address to the members of Assembly No. 5. He is on a tour of the anthracite coal field and spent the forepart of the week addressing the members of the order in and around Scranton, Pittston and Wilkesbarre. After leaving Freeland he will go to Beaver Meadow and McAdoo and from the latter place to the towns of the Schuylkill region.

President Ambrose's mission to this section is for the purpose of ascertaining how many of the members, if any, are in want and to relieve them. The organization has a membership in the coal fields of between 4,000 and 5,000 and throughout the country of at least 50,000. The national treasury of the order is said to contain a surplus fund of \$50,000, and this sum will be spent, if necessary, to keep the members from want during the prevalence of the strike.

At the outbreak of the strike the national officers of the Slavonic union mailed communications to each assembly, calling upon the members to preserve the peace, remain away from the vicinity of any mine or washery and to stop all unnecessary parading. The same advice is published almost weekly in the Amerikansko Slovenske Noviny, the official organ of the order published at Pittsburg.

The payment of dues by the members was suspended on account of the labor troubles and each remains in good standing in the meantime. One of the by-laws of the union is that every member must become a citizen of the United States within six years after joining.

Mr. Ambrose will return to New York city next Monday, where he is cashier of the Foreign Exchange and Banking House.

In conversation with a reporter yesterday he said he was not in the region to say anything against the strike but merely to counsel preservation of the peace on the part of the members of the order of which he is the national head and to assist those who are in distress.

Disorder in Upper End.
An attempt was made Monday night to take the lives of James Connolly, foreman of the Edgerton washery, in the upper part of Lackawanna county, and Forest Crossman, one of the workmen. The washery was working that night, and Connolly and Crossman started for the slush dump several hundred yards from the breaker. There they were fired upon by some unknown man. One of the particles of shot entered Connolly's right eye and he may lose the sight of it. Crossman was shot in the left leg with a bullet which splintered the bone.

While the members of John Wachs' family were sleeping they were thrown from their beds in Pittston by a terrific explosion. Wachs and his three sons have been at work at the mines ever since the strike was declared and some persons placed a stick of dynamite at his front door and exploded it. A large hole was blown through the side of the building.

Charged With Murder.
The first move in clearing the mystery which surrounds the death of William Yates, the young colored man who was found wounded at Hazleton Friday morning and died in the Miners hospital that evening, was made yesterday, when Richard Roberts, a young man whose home is in Coxe addition, was arrested on the charge of causing Yates' death. The prisoner was given a hearing before Squire McKelvey, who remanded him for a further hearing today.

Roberts, it is said, had been employed until recently at one of the collieries on the South Side. During the past few weeks he has been drinking heavily and was arrested three times last week by Hazleton police on the charge of drunkenness. In each instance he paid his fine.

It is not yet known what evidence the authorities hold to connect Roberts with Yates' death.

No Labor Union Ticket.
Representatives of the various labor organizations of Lackawanna county met at Scranton last night and formed a permanent organization to be known as the Economic League of Lackawanna County, with John H. Devine president. After a number of speeches as to the advisability of placing a ticket in the field this fall a motion was made to do so. It was rejected by a vote of 198 to 10.

The Mine Workers were solidly against the proposal to take independent political action this year.

TRIFLING WITH YOUR HEALTH

Is Like Playing With a Loaded Gun—If You Have Kidney Trouble Attend to it at Once.

It is easy to tell whether your kidneys or bladder are diseased. Take a bottle or glass tumbler and fill it with urine. If there is a sediment—a powder-like substance—after standing a day and night, if it is pale or discolored,ropy or stringy, there is something wrong with the kidneys. Other sure signs of disease are a desire to urinate often, pain in the back, or if your urine stains linen.

There is no question that Dr. David Kennedy's Favorite Remedy is the best and surest medicine in the world for disease of the Kidneys, Liver, Bladder and Blood, Rheumatism, Dyspepsia, Chronic Constipation, and the sicknesses peculiar to women. It quickly relieves and cures inability to hold urine and the necessity of getting up a number of times during the night, and puts an end to the scalding pain when passing urine.

The Rev. Henry P. Miller, pastor Baptist Church, Spartenburg, S. C., writes: "For eleven years I suffered with kidney, liver and heart troubles, swimming in the head, dull headache and numbness of the limbs. Several physicians prescribed for me and I then began the use of Dr. David Kennedy's Favorite Remedy, and in about two weeks was entirely well."

All druggists sell Dr. David Kennedy's Favorite Remedy in the New 50 Cent Size and the regular \$1.00 size bottles. Sample bottle—enough for trial, free by mail. Dr. D. Kennedy Corporation, Rondout, N. Y.
