

FREELAND TRIBUNE.

VOL. XV. NO. 30.

FREELAND, PA., MONDAY, SEPTEMBER 8, 1902.

TRI-WEEKLY

STATE NORMAL SCHOOL, EAST STROUDSBURG, PA.

Location
This popular State Institution is located in the midst of the Delaware Water Gap-Mt. Pocono Summer Resort Region, the most beautiful and picturesque in the state, and one that is visited by thousands of tourists annually.

Courses of Study
In addition to the departments of the regular Normal Course, we have special Departments of Music, Elocution, Art, Drawing and Water Color, and a Full College Preparatory Department. You can save an entire year in your college preparatory work by coming here.

Free Tuition
Tuition is absolutely free to those complying with the new state law. This gives a rare opportunity to those desiring a complete education and should be taken advantage of at once, as this law may be repealed by the next Legislature.

Cost of Boarding
Boarding expenses are \$3.50 per week, which includes fully furnished and carpeted room, heat, electric light and laundry. The additional expense is less with us than at most any other school.

Improvements
Among these are a new Gymnasium, a fine Electric Light Plant, and a new Recitation Hall now being erected, which will contain fifteen large and fully equipped recitation rooms. In addition, all bed rooms will be re-plastered and fitted up, and various other changes made in the dormitories for the further comfort and convenience of the pupils of the school.

New Catalogue
Catalogue for 1902, gives full information as to free tuition, expenses, courses of study, and other facts of interest and will be mailed without charge to those desiring it. Full Term opens September 8, 1902.

SEVENTEENTH WEEK BEGUN

**Important Moves May Be
Expected Soon.**

**Predictions of a Statement
From the Operators and a
Call for a Convention of
Anthracite Strikers.**

The seventeenth week of the coal strike began this morning, and unless some unforeseen event occurs to alter the program it promises to be one of the most eventful since May 12. The week is expected to bring forth from the operators a statement embodying concessions to the strikers and from John Mitchell and the district presidents a call for a convention of the United Mine Workers of the anthracite region.

The settlement plans have now proceeded so far that the two important moves briefly outlined above are ready to be made, and those who have been instrumental in harmonizing the differences between the operators and the strikers, as well as some of those who are directly affected by the plans, give the Tribune their assurance that the week will not end without seeing these things come to pass.

What the concessions will amount to and how they are to be presented to the mine workers is not known to us, nevertheless we are assured that they will be satisfactory to the leaders of the strikers and will be approved by the miners' convention, which will be held, probably at Wilkesbarre, as soon as possible after the operators are heard from.

In presenting this matter to our readers at this time the publishers of the Tribune fully realize that they are giving publicity to statements which mean much to many people. If the publishers for a moment doubted the reliability of the statements here given, they would not permit them to appear in these columns. No false hopes of a satisfactory adjustment of the trouble would be held out to the strikers, nor would anything be published that would have a tendency to unduly prolong the conflict, but the business of this paper is to give the news and the Tribune would be delinquent in its duty were it to suppress news of this character, especially when the sources of information are considered reliable and authentic. The Tribune's informants on the subject of strike settlement are men whose word is as good as a government bond, and, knowing no reason why they would attempt to impose upon the paper or its readers, we accept their information in good faith and in turn present it in the same manner in these columns.

GOVERNOR TO MEET ALLIANCE.
Governor Stone has fixed next Thursday to meet a committee appointed by the People's Alliance at Hazleton to discuss the best means of ending the anthracite coal strike. The governor said he would be glad to meet anybody who might want to see him on matters pertaining to the strike. He also said that he had nothing to add to his statement to the committee from the state legislative board of Railway Employees of Pennsylvania that he would call an extra session of the legislature if he was confident an arbitration law could be passed that would end this strike and prevent others in the future.

Hazleton city councils have adopted a resolution asking for an extra session. A similar resolution will be presented this evening for adoption at the meeting of Freeland borough council. Other towns will be asked to do likewise.

Foster School Board.
The regular meeting of Foster township school board was held Saturday evening with Messrs. Ziesloff, Dudley, Johnson and O'Neil present. In the absence of President Weber Mr. O'Neil presided.

The hour at which schools are to open was left to the discretion of teachers, but the members thought it should conform to the time of the collieries. Principal Hoffman reported the attendance 989 at the opening of school, but at present there may be 1,050 in the schools. The teacher at Sandy Run requested permission to teach algebra. The board decided that the high school was established for pupils capable of taking the higher studies and refused the request.

In view of the trouble experienced by the board in collecting tuition fees it was decided that all pupils residing outside the district desirous of attending school would first have to secure a permit from the board and any teacher ac-

MINE INSPECTOR.

Court Names a Successor to William H. Davies, Who Resigned.

At Wilkesbarre this morning David J. Roderick, of Wilkesbarre, was appointed by the court to serve as mine inspector of this, the Fifth anthracite district, for five years, to succeed William H. Davies, of Hazleton, who resigned on May 1. The action of the court created much surprise at the county seat, as the successful candidate is extremely distasteful to the mine workers of the district for which he was appointed.

cepting pupils without a permit will be held responsible for the tuition fee.

Prof. Hlghams was present and asked for an increase of \$5 in his salary. A motion prevailed which gives him \$65 instead of \$60.

The order which was given to the secretary for investigation was reported as outstanding and it was decided to issue a new order for \$8 to H. C. Koons on its account.

The board discussed the damage done buildings by some young men and boys and agreed that if arrests are made to prosecute to the fullest extent of the law parties guilty of this offense.

The following bills were paid: Express and freight, \$107.07; Mrs. Frank Martinea, cleaning, \$9; Mrs. Patrick Tuttle, cleaning, \$8; Jacob Nessler, labor and cleaning, \$19; Mrs. Thomas McBrearty, cleaning, \$16; John Fisher, hauling coal, \$7.50; Lewis H. Lentz, repairs, \$16.03; G. B. Markle & Co., coal, \$3.60; J. D. Meyers, repairs, \$4.65; Upper Lehigh Supply Co., coal oil, 24c; Cox & Bros. & Co., coal, \$3.90; Progress, publishing statement, \$15.75.

Republican Ticket.

The primaries held by the Republicans of the county Saturday evening resulted in the choice of the following candidates:

Congress—Hon. H. W. Palmer, Wilkesbarre.
Treasurer—John Williamson, Wilkesbarre.

Register—John Mainwaring, Plymouth.

Commissioners—Thomas Smith, Wilkesbarre; John Jones, Pittston.
Palmer and Williamson had no opposition. Hiram Kuntz, Hazleton, opposed Mainwaring and lost by about 3,000 majority. Smith has a large lead for commissioner and Jones is second. The convention will be held tomorrow.

Locally, the primaries passed off quietly, a light vote being polled. In Freeland, for register, Mainwaring had 189 to 91 for Kuntz. For commissioners the vote was: Thomas Smith, 231; Jones, 120; MacAvoy, 80; Brodhead, 14; Charles Smith, 4; Welter, 1.

Bequests of Decedents.

The late Albert P. Goedecke, of Butler township, whose will has been filed, leaves his home to his wife, Hannah Goedecke, for her use during life and after her death it is to devolve on his daughter, Gertrude T. Goedecke. The residue of his real and personal property he leaves to his sons, Arthur P. Goedecke and Ellis P. Goedecke, in trust to pay the annual income to his wife, Hannah, for life. At her death the property is to be divided equally among his four children. The real estate is valued at \$5,000 and the personal property at \$1,000.

The will of the late James Wilson bequeaths the house in which he lived to his son, Harry, also a sufficient amount of insurance money to defray the funeral expenses, the remainder to be paid to his son, John. A lot opposite the homestead is to be sold and the money divided between four children. His furniture is bequeathed to his son, Harry.

Opera House Manager.

The Young Men's Corps yesterday elected J. J. McMenamin manager of the Grand opera house for the season of 1902-03. This action was due to the failure of U. G. Hill, to whom the house was leased last summer, to fulfill his part of the contract. The new manager has had charge of the building for the past three years, and is therefore no stranger to the duties of the position.

Although handicapped greatly by taking control so late in the season, after a majority of the theatrical companies have completed their bookings, Mr. McMenamin's experience will prove valuable to the society in procuring plays for the house. For the present, on account of the coal strike, very few shows will be brought to town.

PLEASURE.

September 9.—Military ball under the auspices of Loyal Castle, No. 65, A. O. K. of M. C., at Krell's hall. Admission, 50 cents.

COMMUNICATED.

Freeland, Pa., September 5.
Editor Tribune.—In your issue of the 3d inst., we noticed an article presumably penned by one Joseph S. Uhlar, of Upper Lehigh, in which that learned gentleman takes umbrage at the action of Supreme President Ambrose, of the National Slavonic Society, for protesting against the admission of a certain Hungarian flag to this country free of duty.

Now, in reference to this article we will say that we are very firmly convinced that Mr. Uhlar is not sufficiently informed in matters pertaining to his native land, to intelligently discuss this question, this conclusion being forced upon us by a perusal of his article. The gentleman asserts that the protest against the admission of the flag was unnecessary, and enters into a lengthy harangue in support of this assertion, but he actually proves nothing.

The facts of the matter are that in answer to Mr. Ambrose's protest against the admission of this flag to this country, free of duty, the secretary of the United States treasury replied that the admission of the flag free of duty had been denied, and this would lead us to infer that it certainly must have been demanded or it could not have been denied. We are then tempted to ask who is Mr. Uhlar? Who is this man who sets himself upon a pedestal and decides whether Mr. Ambrose's action was necessary or not?

The action of Mr. Ambrose met with the almost universal support and commendation of all the leading Slavonians and many of the prominent Magyars, including their most influential periodicals, as well, and certainly appears to be meritorious.

We do not think it would be hard to find many American citizens, natives of other lands, viz: "Irish or German" particularly referred to by the gentleman who would vigorously protest against the admission, free of duty, of the English or the German flag, bearing an inscription such as this flag bears and being sent here by the government itself, as is the case here.

We fall to see wherein the action of Mr. Ambrose would indicate that he desired "to get vengeance on his motherland" or wherein he "practiced deceit," but, on the contrary, we feel that he but did his duty as a good, loyal, American citizen, and to prove that we are not alone in this opinion we quote from the columns of Nepeza, a leading Magyar publication of New York city, and the official organ of the committee appointed to receive the flag, which said: "Under ordinary circumstances we would with devotion, honor and welcome the flag. But, when it comes to us with a contract attached, which would bind us here in a strange land to further the interests of our motherland, and really invites us to become traitors to the stars and stripes, then we must refuse, with disgust, to accept it, as offered."

In conclusion we would state that we do not question the fact that Mr. Uhlar is a good, patriotic Magyar, but we have reason to doubt whether he is now, or ever will become a good faithful American citizen. As to his pretty allegory about Svatopluk and Arpad, we have only to say that this proves conclusively that the gentleman has never studied the history of his native land, and we would advise him, before he further betrays his ignorance, to secure a copy and at least peruse it.

A. O. H. Convention.

The bi-ennial convention of the Ancient Order of Hibernians of Luzerne county was held on Saturday at Avoca. The thirty-five divisions in the county were represented by 142 delegates. The election of officers for the coming two years resulted as follows: President, E. J. Moore, Esq., Warrior Run; vice president, Bernard O'Keefe, Wilkesbarre; recording secretary, Charles A. Judge, Pittston; financial secretary, John J. Kelly, Inkerman; treasurer, Lawrence Kilduff, Plains. The next convention will be held at Plymouth in 1904. The reports of the officers showed that in the county there are 2,548 members in good standing.

The contest for vice president was very spirited, the successful applicant winning by only three votes over John J. McNelis, of Division 6, Freeland. The result of the ballot was: O'Keefe, 66; McNelis, 63.

The following were the representatives from Freeland and vicinity: John J. Welsh, Patrick McGeehan, John E. Shovlin, James Brogan, Robert Mulraney, Peter D. Gallagher, D. S. Buckley, Freeland; John J. McGill, Highland; John J. McNelis, Hugh Kennedy, Drifton, and John Gallagher, Sandy Run.

Order's Highest Officer Coming.
From Yesterday's North American.
Supreme Commander John E. Poore, of Philadelphia, will visit the select castle of the Ancient Order Knights of Mystic Chain of West Virginia and the select castle of Maryland during this month. He will also attend the three days' session of the select castle of Pennsylvania, to be held at Freeland on September 9, 10 and 11. This session promises to be very interesting, as several amendments to the constitution will no doubt be acted on. Every castle in Philadelphia county should be represented, as several matters proposed last year will affect the members of the order in this section of the state if carried.

Kidney Disease Kills.

**Its Victims Numbered by the
Hundreds of Thousands.**

Kidney diseases should be attended to at once, for almost 90 per cent of our unexpected deaths of today are from that cause. Dr. David Kennedy's Favorite Remedy is the only sure cure known for diseases of the kidneys, liver, bladder and blood, rheumatism, dyspepsia and chronic constipation. It is marvelous how it stops that pain in the back, relieves the necessity of urinating so often at night, drives away that scalding pain in passing water, corrects the bad effect of whiskey and beer and shows its beneficial effects on the system in incredibly short time.

George L. Smith, foreman of the Holy Manufacturing Company's Works, Lockport, N. Y., says in a recent letter: "I have used Dr. David Kennedy's Favorite Remedy with the most beneficial results. I was troubled with gravel and kidney complaint very severely. It bothered me a great deal, and have found great relief from its use, and cheerfully recommend it." All druggists sell Dr. David Kennedy's Favorite Remedy in the New 50 Cent Size and the regular \$1.00 size bottles. Sample bottle—enough for trial, free by mail. Dr. D.
