## LOCAL NOTES WRITTEN UP

### Short Items of Interest to All Readers.

### Happenings of the Past Two Days in and Around Freeland Recorded With- out Waste of Words.

Sidney Williams, superintendent of the collieries of the Pennsylvania (Erie) Coal Company, has resigned to take the position of manager of Markle & Co.'s collieries at Jeddo. He had been with the Pennsylvania Coal Company since 1895, being first appointed comptroller and being promoted to the position of superintendent a few years ago.

John Popik and Miss Mary Potochney will be united in marriage at 10 o'clock tomorrow morning at St. Mary's Greek Catholic church by Rev. Martyak. The bride-to-be is the eldest daughter of Mr. and Mrs. Michael Potochney, South Centre street, and has many friends who wish her success.

John Kowalska and John Gowellyn are in the borough lockup awaiting the recovery of Mrs. Jacob Carl to appear against them on the charge of assault and battery. The woman was knocked insensible with a stone yesterday afternoon on Highland road. All the parties are from Sandy Run.

Thomas A. McAndrews, who has acceptedly filled the position of business manager for the Freeland Brewing Company since the plant was put in operation, has tendered his resignation, to take effect October 1, upon which date he will assume proprietorship of a White Haven hotel.

Joseph Doggett, aged 2 months and 1 week, died this morning at the home of his parents, Mr. and Mrs. William Doggett, South street. The funeral will take place Wednesday afternoon, interment at St. Ann's cemetery.

The first anniversary of President McKinley's death was observed in many churches yesterday by singing his favorite hymns, "Nearer, My God, to Thee," and "Lead, Kindly Light."

The condition of John W. Davis, an aged resident of the Hill, who is afflicted with pneumonia, is regarded by his friends as critical and doubts of his recovery are entertained.

The tenth anniversary of the wedding of Mr. and Mrs. Willy Dougherty was celebrated on Friday evening in a sumptuous style at their home on North Centre street.

A large class is receiving instructions for confirmation at St. Ann's Catholic church, and the sacrament will be administered by Bishop Hoban on Sunday, October 12.

Many Freeland friends of Hon. H. W. Haworth attended the funeral of the latter's mother, whose remains were interred on Saturday at Hazleton.

Matt Broderick, of Sandy Run, arrived home yesterday from Norristown, having finished his season as a member of the ball club of that town.

Philip Bradley returned to his home in Philadelphia this morning, after spending a few days with Freeland relatives.

Mrs. John Ward and children, of Scranton, are guests at the residence of Hugh O'Donnell, Walnut street.

The public schools of the borough opened this morning with a large attendance.

Miss Bridget McGeehan, of Ridge street, will leave for Philadelphia tomorrow.

Al Weiss and family removed today from South street to Hazleton.

Ice cream—all flavors—at Merkt's.

### Slavs Protest Again.

Some Hungarian-born Americans are still excited and indignant over the banner sent to this country by the National League of Hungary and received with much ceremony three weeks ago. Anthony S. Ambrose, supreme president of the National Slavonic Society, has forwarded to Secretary Hay, at Washington, a second letter of protest and enclosed a document, which, he believes, shows a conspiracy on the part of some officials of the Hungarian government to gain political control in the United States.

This document, President Ambrose writes, is ministerial communication No. 393, dated February 4, 1902, and addressed by the Hungarian minister of religion and instruction to the cardinal primate of Hungary. Ostensibly, its bearing is on "the spiritual care of Hungarians who have emigrated to America." In his letter President Ambrose says:

"A perusal of this secret ministerial order inclosed will reveal to you, I believe:

"That the Hungarian minister of education is anxious to preserve the Hungarians living in the United States to their faith and country;

"That an apostolic visitor is to be appointed at Washington and maintained there at the expense of the Hungarian government, to keep the Ruthenians and the Slovaks in America under his surveillance;

"That the internal politics of Hungary render this step in the United States advisable."

### Exciting Primaries.

The primaries held on Saturday evening to elect delegates to the Democratic county convention at Wilkesbarre tomorrow were characterized by much disturbance at the Fifth and Sixth ward polls. At the latter the contest was very spirited and a dispute over the rights of certain persons to vote resulted in the free use of fists.

At the former poll a dispute arose after something over 100 ballots had been cast, and during an argument that ensued the ballot-box was spirited away by a member of the board and the poll was necessarily closed. The fight will be carried to the county seat.

In the Fourth district the followers of Garman claim a majority of the delegates. If this is true, it is the first time in some years that the Lenahanties have been defeated in the district.

Freeland will be represented in tomorrow's convention by the following: First ward, Hugh Malloy, Jr.; Second, John Volkenand; Third, Frank Gallagher; Fourth, Patrick McGeehan; Sixth, William Gallagher. From the Fifth the contestants are Peter O'Donnell and Daniel Slattery.

It is difficult to tell which faction of the party has triumphed in the county. There is no doubt, however, about the renomination of County Commissioner Fin. Both factions concede that he has come out victorious.

### Strikers' Nineteenth Week.

Today began the nineteenth week of the coal strike. The date on which Senator Platt and others predicted that the strike would end has passed and the hope which was instilled because of that prediction has been succeeded by a feeling that the end is still far off. The reiteration by the coal presidents during the week that no concessions would be made, and the resolutions passed by local unions of the United Mine Workers renewing their allegiance to their officers and pledging themselves to continue the strike until concessions are granted show that neither side to the controversy is weakening.

The spasmodic efforts of Pennsylvania politicians to end the strike are not taken seriously by the leaders on either side, and it is asserted that their meddling has nullified the work of others who were engaged in promoting peace and a settlement. Until they and their buffoonery pass off the stage and make way again for those who are sincere the operators are not expected to make the promised moves which will terminate the struggle. Corporations are not going to do the bidding of their own creatures, and that is what would result if the coal road presidents acceded to the requests of the political coteries who have pushed themselves forward during the past ten days.

### Ferry Nominated.

Bernard J. Ferry, of Hazleton, was nominated at Hazleton at 3:30 o'clock this afternoon as the Democratic legislative candidate for the Fourth district. Patrick J. Breslin, of Freeland, was also a candidate, but in the interest of harmony his name was withdrawn before the vote was taken. Ferry's nomination was then made unanimous.

Constable James F. Welsh is doing jury duty at Wilkesbarre this week.

### ROUND THE REGION.

The Prohibitionists of Carbon county have nominated as follows: Assembly, John Martyn, Sr., Beaver Meadow; treasurer, James F. Kressley, Weatherly; register, Maurice Bowman, Bowman; recorder, F. Peirce Lentz, Leighton; commissioners, Rev. G. G. Kunkle, East Mauch Chunk, and Thomas F. Kostenbader, Mauch Chunk; auditors, Victor Solt, Franklin, and W. O. Struthers, Mauch Chunk.

While Hugh Black, a deputy at the Lehigh Coal and Navigation Company's No. 4 stockade, near Summit Hill, was showing several non-unionists how to handle a Winchester rifle last night, the weapon was accidentally discharged. The bullet entered the chest of Paul Haulick, a workman, killing him instantly.

The Prohibitionists of Schuylkill county have named the following candidates: Congress, Rev. W. H. Sewelzig, Tower City; senator, Thirtieth district, U. K. Christ, Mahanoy City; legislature, Robert M. Keller, Schuylkill Haven; Rev. Jacob L. Guenther, Cressona, and Charles F. Schumacher, Schuylkill Haven.

At a meeting of the executive committee of the Union party of Schuylkill county Lewis Schneider, of Ashland, the Democratic nominee for the legislature in the Second district, was indorsed and arrangements were made to effect fusion with the Democrats in the other districts.

There are persistent rumors at Pottsville that the Reading Company will tomorrow post notices at their forty-eight collieries, offering the miners concessions to go to work. It is stated that a slight advance of wages will be offered.

Six dwellings in the Italian section of Diamond addition, Hazleton, were destroyed by fire early this morning, entailing a loss exceeding \$20,000. The afflicted territory is outside the city limits and has no fire protection.

Mrs. Bridget A. Hoban, mother of the Right Rev. Bishop Hoban, of Scranton diocese; Charles J. Hoban, of Philadelphia, and Thomas P. Hoban, a Scranton attorney, died on Saturday at Scranton, at the age of 89 years.

"Minnesota's Best" flour is sold by A. Oswald. There is none better made.

### GREATER THAN GREAT.

The Coming Allentown Fair to be Held September 23 to 26.

The Great Allentown Fair will be held for four days from September 23 to 26, and from present indications will be one of the greatest exhibitions in the history of the county. It is, without question, in the front rank of best and largest agricultural and industrial exhibitions in the country. It is annually visited by thousands of people who repeat their visits regularly, and there is no County, State, Pan-American or World's exhibition held anywhere that can boast of such large crowds as are seen yearly at the "Great Allentown Fair." Its popularity is world-wide, not only as a show and exhibition, but as a mechanical, agricultural and industrial exhibition for the farmer and mechanic, the merchant and house-keeper, but also for the horseman and all lovers of sport.

The races this year will number fifteen for the week and will be the most exciting and hotly contested, as there will be more than \$10,000 paid for speed alone, besides a large amount for premiums and exhibits. The society has in the front rank of best and largest agricultural and industrial exhibitions in the world as shown by the wonderful performance last year of Prince Alert, who, on two different occasions, equaled the half-mile track record of the world of 3.04%, a record which probably no other track in the country can claim.

The free attractions before the grand stand will be of a very interesting nature secured at an enormous expense, including balloon ascensions, cycle whirl, a troupe of Japanese vaudeville artists and a great many other attractions too numerous to mention. Besides band concerts there will be many other unique and other special attractions, all included for one price of admission.

The midway will be unusually large and attractive and will surpass in character and excellence anything ever shown at any fair in the county.

All the railroads will run excursions and sell excursion tickets at greatly reduced prices good for the whole week, and daily special excursions will be run from all points. It certainly will be the place to go for all those who want to see the greatest fair in the county.

### Opportunity to Secure Employment.

The Philadelphia North American maintains a free employment bureau at 1309 Filbert street, Philadelphia, to assist all those who seek situations, or employers who are looking for help. At the present time there is a dearth of servant girls in Philadelphia, and many applicants for servants, through necessity, are disappointed. There is a great demand for first-class German, Swedish and American girls for domestic work.

If the young women in the communities throughout the state who are desirous of securing positions in Philadelphia will communicate with the North American free employment bureau it will obtain places for them without charge. Positions are daily being secured for both men and women, who express themselves as being highly pleased with the service.

The bureau will be pleased to receive applications of all young men and women who contemplate positions in Philadelphia and vicinity.

## THE RECORD OF PENNYPACKER

### Why Quay Wants Him to Be Chosen Governor.

### Starting Out as an Independent, He Deserts the Cause of Reform and Becomes a Suppliant Tool of the Ring.

Philadelphia, Sept. 15. — It is the privilege and duty of American citizens to be accurately informed concerning the history, character and evident purpose of those who come before them as candidates for public office. There never has been presented as an aspirant for the governorship of this state a man so little known beyond his home town as Wm. Penypacker. He is proposed herein to make a faithful transcript of the record, that every voter may read for himself. For more than forty years Pennsylvania has been the scene of a contest unknown elsewhere, a battle for individual and conscientious freedom of thought and action against corrupt despotism; for clear politics against darkling and corrupt methods; for honest, economical and efficient administrative and legislative methods, against the debauchery of political organizations and the prostitution of official power to the promotion of selfish personal ends.

In 1877, in Philadelphia and Pittsburgh, there were successful movements against corrupt bossism. A little later this extended throughout the state, resulting in 1881 in the defeat of a machine-selected candidate for the United States senate, and in 1882 in the election of a reform Democratic governor. The revolt against Cameronism and Quayism that year was participated in by a large number of the best men in the Republican party. It appealed to the highest instincts of unselfish patriotism. In Philadelphia, Samuel W. Penypacker was one of a group of public-spirited men who heartily sustained the new declaration of independence adopted by the Independent Republican State Convention, which arraigned the Cameron-Quay machine for its high crimes and misdemeanors against the people. The action taken was an inspiration to those who believed in true American principles. Mr. Penypacker had been so zealous in this work that he had been made secretary of the Civil Service Reform Association. His law partner, the late S. C. Hollingsworth, Esq., was likewise earnest in the cause of political reform. Mr. Penypacker was made a member of the Independent Republican State Committee, and became an independent candidate for the legislature, against a notorious tool of the machine, being endorsed by the Democrats and the Reform Committee of One Hundred. He made an active canvass and was in full sympathy with every thing that was done in aid of the cause of political freedom and righteousness. He was one of the vice presidents at the great Republican National Convention meeting, at which his candidate for governor, Hon. John Stewart, made the most brilliant speech of his life, his ringing words bearing a striking parallel to the situation today. He said:

"History of a Former Crime.  
"We are opposed to the so-called regularity of the work of the Harrisburg convention, the nomination of Gen. Beaver and his associates, because of their existence not to popular choice, but to the individual preference of one autocratic senator. His by creation, it represents his power, and its success would be his personal and political vindication and would result in the deeper debasement and servitude of the Republican organization. The convention might have been dispensed with on the ground of economy. The ticket was shaped and fashioned by Mr. Cameron. It was selected to suit his purpose, to strengthen his rule and his election would be his vindication. Are you prepared for that? (Cries of "No!" "No!")

"Twice before, Gen. Beaver sought this nomination and failed because he did not look to the boss. He then turned to the latter, but it was a fatal day. At the Republican National Convention at Chicago, in 1880, he betrayed his constituents, attempting to enforce the unit rule against the will of the people of Pennsylvania. His active zeal in a political conspiracy deserved and received the condemnation of the American people. He gained the favor of the prince, but he lost the title to himself. He gained the alliance he sought at a fearful cost—his independence as a man and the confidence of the people. The nomination he has as a last secured will fall to ashes in his hands. The empty promises of reform which have so often been made we denounce here and now. The people of this Commonwealth know by sad experience the enormous power developed through the abuse of political and official privileges. They indignantly demand that this shall cease.

He echoes Hoyt's Ringing Words.  
On November 2d, Mr. Penypacker, with Mr. Stewart, Colonel McMichael and others, addressed a meeting at Oxford Hall, in his own district. Mr. Whitman Barker read the memorable letter of Governor Hoyt, which appeared that day, denouncing Cameronism and Quayism in tones which were scarcely thought of throughout the nation. Every word of this historic indictment was heartily applauded by Mr. Penypacker. Let us recall, as vividly applying to the conditions of the hour, some of these burning sentences. Governor Hoyt said:

"When standing room is no longer allowed to the members of a political party, with a margin for self-respect, revolution is an appropriate remedy. There is an unalienable justification for your uprising. Its grounds are open and plain to the people. In the name of decency, and in behalf of my successor, I wish to emphasize the curse of this whole business and sound a note of warning to the whole people. Peace and justice will never come until the moral forces in politics you have organized prevail. If their courage be added to their conviction, the masses of voters will promptly rally to your aid, and aid you in an overwhelming success; and such is the duty of the voters of Pennsylvania."

No Inteligent citizen can deny that Continued on Fourth Page.

### IF YOU ARE SICK

And Need Medicine for Your Kidneys, Liver, Bladder or Blood, Get the Best.

### Dr. David Kennedy's Favorite Remedy.

If you are suffering from kidney or bladder disease, the doctor asks: "Do you desire to urinate often, and are you compelled to get up frequently during the night? Does your back pain you? Does your urine stain linen? Is there a scalding pain in passing it, and is it difficult to hold the urine back? If so, your kidneys or bladder are diseased."

Putting some of your urine in a glass tumbler, let it stand twenty-four hours. If there is a sediment, or a cloudy, milky appearance, your kidneys are sick.

Dr. David Kennedy's Favorite Remedy will surely relieve and cure the most distressing cases of these dread diseases, and no physician can prescribe a medicine that equals it for kidney, liver, bladder and blood diseases, rheumatism, dyspepsia and chronic constipation.

Walter D. Miller, of Delhi, N. Y., writes:

"I suffered for years with kidney trouble and severe pains in my back, at times it was so bad I could hardly walk. My stomach also troubled me and I frequently had twinges of rheumatism. I suffered a great deal and received no benefit until I began the use of Dr. David Kennedy's Favorite Remedy. After taking it a short while it cured me."

All druggists sell Dr. David Kennedy's Favorite Remedy in the New 50 Cent Size and the regular \$1.00 size bottles. Sample bottle—enough for trial, free by mail.
