CANDIDATES ARE NAMED

Democrats Place a County Ticket in the Field.

Martin for Congress, Moore for Treasurer, Holman for Register, Schappert and Finn for Commissioners.

The Democratic county convention at Wilkesbarre yesterday nominated the following ticket:
Congress—Thomas R. Martin, Esq., Wilkesbarre.

Treasurer—John J. Moore, Plymouth.
Register—James W. Holman, Hazleton.

Commissioners—Patrick J. Finn, Miners Mills; Jacob Schappert, Wilkesbarre.

The first legislative district was given two nominees, Martin and Schappert; the third, one, Moore; the fourth, one, Holman, and the fifth, one, Finn.

The convention was one of the most exciting held by the Democrats in many years. The factional fight between the two leaders, John M. Garman and John T. Lenahan, broke out afresh and every point was hotly contested until the work of the convention was concluded. The slate arranged by the Lenahanites was successful.

The candidates for congress were Thomas R. Martin, Esq., Wilkesbarre, and ex-Congressman Stanley Davenport, Plymouth. The vote was: Martin, 153; Davenport, 142.

For treasurer John J. Moore, Plymouth, received the nomination without opposition.

James W. Holman, Hazleton, and James P. Brown, Plymouth, were the names presented for register of wills. The vote was: Holman, 159; Brown, 138.

The contest for commissioners had narrowed down to three in the convention, the applicants for the nomination being Commissioner Patrick J. Finn, Miners Mills; Jacob Schappert, Wilkesbarre, and Michael Maycock, Wilkesbarre. The vote was: Finn, 174; Schappert, 169; Maycock, 138.

The Fourth district was represented on the various committees by the following: Contested seats, John J. McNeils; resolutions, Joseph Boyle; organization, John O'Hara.

The contest from the Fifth ward of Freeland borough was decided in favor of Daniel Slattery.

The resolutions adopted were in excellent spirit, denouncing corruption and jerry building in local as well as state and national affairs; favored measures for the amelioration of labor and such legislation as would bring capital and labor in closer and more friendly relations, because both are essential to the prosperity of the country.

The amendments to the rules, drafted by a special committee appointed for that purpose last April, were read and unanimously adopted. The amendments are of minor importance; chief of which is one requiring the registration of all candidates for nomination five days before the county convention, such candidates being required to pay as a registration fee 1 per cent of the salary of the office to which he aspires.

When the time came for the Fourth district delegates and politicians to leave to catch the last regular train the convention had only begun its work. Mr. Lenahan notified the lower enders that a special train for their accommodation would leave for Hazleton after the convention had adjourned and this prevented a stampede.

The special train left Wilkesbarre at 9 o'clock and passed through town at 11 p. m. The majority of the Freeland people at the convention returned home on this train.

Strike Meetings Held.

A conference of the leading anthracite coal interests was held at New York yesterday. Those present included Presidents Baer, of the Reading; Truesdale, of the Delaware, Lackawanna and Western; Fowler, of the New York, On-

ta and Western; Walters, of the Lehigh Valley; Olyphant, of the Delaware and Hudson; Underwood, of the Erie; General Manager Resler, of the Jersey Central; Irving Stearns, of Coxo Bros. & Co., and John Markle, of G. B. Markle & Co.

When the meeting was over President Baer made the following statement: "The coal strike was informally discussed. Reports from the collieries show that the strike is generally disintegrating. More men are returning to work daily. There can be no change whatsoever in the attitude of the operators."

John Markle left the meeting and went to J. P. Morgan's office, where he met P. A. B. Widener. The meeting in President Baer's office concluded at a few minutes before 3 o'clock. Following the meeting with J. P. Morgan, John Markle made this statement: "I do not think it necessary to repeat that all talk of concessions on the part of the operators is foolish, and certainly without foundation. Our position now is the same as when Mitchell made his original propositions, and no different than when the strike began. We have defined our position and will maintain it."

President Gompers, of the American Federation of Labor, reached Wilkesbarre yesterday and shortly thereafter the conference in which he was to participate with President Mitchell, Secretary-Treasurer W. B. Wilson and District Presidents Nichols, Duffy and Fahy began, and continued until dinner. All parties concerned were extremely reticent in speaking of the meeting, its purposes, and what had been done. President Gompers said that he had come to Wilkesbarre to talk over the strike situation with President Mitchell, at the latter's invitation, and found affairs in excellent condition.

COMMUNICATED.

Freeland, Pa., September 15.
Editor Tribune.—In your issues of the 3d and 8th inst. there appeared communications concerning the action of Mr. Anton Ambroz, president of the National Slavonic Society of America, in protesting to the secretary of the treasury, against admitting free of duty the national flag of Austro-Hungary, which was bought by the officials of said government. The last letter of the reverend gentlemen, Messrs. Pajdusak and Houser in conjunction with Mr. Krcmery, I have no wish to criticize, as it expressed the views of nearly all the Slavonians in this country, but I do take exception to the first letter penned by one who signs himself Joseph Uhlar and who takes the responsibility of being the first defender of the action of the Austro-Hungary diplomats who are trying to estrange the Slovak citizens of the United States from that emblem of liberty, the stars and stripes.

In reading Mr. Uhlar's letter I was led to infer that he is no American citizen, although he enjoys blessings under the stars and stripes such as he never enjoyed under the flag of Austro-Hungary, and as he says there is nothing for a Magyar to protest against the admittance of the flag without duty.

To the European it is a well known fact, often demonstrated, that the Magyar is the wildest of all diplomats, and the present move in presenting the costly flag to the Hungarian race in this country at the present time is a move where they will extract money from the Slavonians by the wily Magyars who are at the head of the National League of Hungary, an organization that every adopted or naturalized Hungarian knows that its preamble to be foreign to American institutions.

Mr. Uhlar also states, and he is authority (?) that Mr. Ambroz has forfeited the honor of his native country, and I would like to ask if every foreigner who lived in a country governed by a king or queen didn't lose the respect of the said kings and queens when he took the oath of allegiance to the United States?

He also states that "Mr. Ambroz doesn't respect any flag" and to that I take exception and only ask any American citizen if he considers Mr. Ambroz a good citizen or not, and the answer will be yes, unless he was to ask a Magyar of Mr. Uhlar's mold.

Mr. Uhlar not only forfeits the opinion of the Slavonians and the majority of the Magyars, but the respect as well. Mr. Ambroz proves by his action in protesting against the flag, and in placing in the hands of the officials of the United States a secret document mentioned in today's Tribune written by the same Magyars, that he is not only a citizen to be proud of but a patriot as well.

In closing I would like to suggest to Mr. Uhlar to read history and not repeat the fabled yarn about Svatopluk trading Slovak territory for a nice white horse with a red bridle, as he did in his letter of the 3d inst.

Thanking you kindly in advance for the valuable space that this will take in your paper, I am, respectfully,
George Hudack.

New Trial Is Awarded.

Judge Archbald, of Lackawanna county, has made absolute the rule asked by the defense in the famous case of P. M. Thornton, of Wilkesbarre, vs. a fire insurance company, and awarded a new trial. The opinion was brief and emphasized particularly the duties of the insured regarding the saving of property during the fire. Policies invariably stipulate that reasonable effort must be made to save undamaged property, and in the ruling of Judge Archbald, where it is shown that the property owner made little or no effort to separate damaged goods from undamaged, the owner is guilty of a breach of contract.

The hearing in the case will occur in the federal court on the third Monday in October. Damages to the amount of \$4,500 were awarded by the jury at the last session of court. Thornton, through his attorneys, sued for \$6,000 for the destruction of his library and furniture. The opinion of the judge in awarding a new trial is in part as follows:

It was provided by the policy in suit that "if fire occurs the insured shall protect the property from further damage and forthwith separate the damaged from the undamaged personal property and put it in the best possible order." There was evidence from which the jury might have found that this was not observed by the plaintiff in the present instance, and the court was, therefore, requested to charge in the defendant's third point that if he had failed in his duty he was not entitled to recover. The court affirmed the duty but denied the result claimed.

McFadden Is Hit Hard.

From Today's Philadelphia Press.
Boston succeeded in taking the last game from the "Phillies" yesterday before the smallest crowd of the season, the attendance being 158. McFadden, the "Phillies" new pitcher, was on the slab and was very generous with bases on balls, passing seven of the "Beansies," and when he succeeded in getting the ball over the plate it was hit hard.

The score was 13 to 3 in favor of Boston, who made fifteen hits off McFadden's delivery.

Arrested for Illegal Voting.

Constable Airey, of Hazleton, and Officer Mollick, of Freeland, arrested John Kocis yesterday on a charge of illegal voting. Kocis, together with Andrew Gloschok, both under age, voted at the Democratic primary election in the Fifth ward on Saturday. Kocis entered bail in \$300 before Squire Buckley for his appearance in court.

IF YOU ARE SICK

And Need Medicine for Your Kidneys, Liver, Bladder or Blood, Get the Best.

Dr. David Kennedy's Favorite Remedy.

If you are suffering from kidney or bladder disease, the doctor asks: "Do you desire to urinate often, and are you compelled to get up frequently during the night? Does your back pain you? Does your urine stain linen? Is there a scalding pain in passing it, and is it difficult to hold the urine back? If so, your kidneys or bladder are diseased."

Try putting some of your urine in a glass tumbler, let it stand twenty-four hours. If there is a sediment, or a cloudy, milky appearance, your kidneys are sick.

Dr. David Kennedy's Favorite Remedy will surely relieve and cure the most distressing cases of these dread diseases, and no physician can prescribe a medicine that equals it for kidney, liver, bladder and blood diseases, rheumatism, dyspepsia and chronic constipation.

Walter D. Miller, of Dulhi, N. Y., writes: "I suffered for years with kidney trouble and severe pains in my back, at times it was so bad I could hardly walk. My stomach also troubled me and I frequently had twinges of rheumatism. I suffered a great deal and received no benefit until I began the use of Dr. David Kennedy's Favorite Remedy. After taking it a short while it cured me."
