

# FREELAND TRIBUNE.

VOL. XV. NO. 41.

FREELAND, PA., FRIDAY, OCTOBER 3, 1902.

TRI-WEEKLY

## "Incurable" Heart Disease Soon Cured!

By the Great Specialist in  
Treating Weak and Diseas-  
ed Hearts, Franklin Miles,  
M. D., LL. B.

Will Send \$4.00 Worth of His Special  
Treatment Free as a Trial.

To demonstrate the unusual curative powers of his new and complete special treatments by mail for heart disease, short breath, pain in the side, oppression in the chest, irregular pulse, palpitation, smothering spells, puffing of the ankles, or dropsy, Dr. Miles will send four dollars worth free as a trial, to all who mention this paper.

His treatments are the result of twenty-five years of careful study, extensive research, and remarkable experience in treating the various ailments of the heart, stomach and nerves, which so often complicate each case. So astonishing are the results of his complete special treatments that he does not hesitate to offer all persons a trial free.

Nothing could be more generous. Few physicians have such confidence in their remedies. There is no reason why every afflicted person should not avail themselves of this exceedingly liberal offer, as they may never have another such opportunity. No death comes as suddenly as that from heart disease.

Mrs. A. Krock, of Huntington, Ind., was cured after thirty physicians failed. Mrs. Flora Graetor, of Bristolville, O., after twenty-two; Jas. R. Waite, the noted actor, after a severe and prolonged illness; Mrs. Frank Smith, of Chicago, after five leading physicians had given her up; Mr. Julius K. Hiter, of Chicago, after ten; Mrs. R. Parker, after sixteen failed.

A thousand references to, and testimonials from, Bishops, Clergymen, Bankers, Farmers and their wives will be sent free upon request. Send at once to Franklin Miles, M. D., LL. B., 203 to 211 State Street, Chicago, Ill., for free examination black, pamphlets and free treatment before it is too late.

Mention Freeland Tribune in Your Reply.

## BOARD FAILS TO GIVE RELIEF

Large Enrollment at Schools  
Not Yet Adjusted.

Number of Pupils in Rooms  
Varies From 26 to 95 and  
Conditions Prevent Many  
Necessary Promotions.

The October meeting of the borough school board was held last evening, with Directors Brogan, Buckley, Fetterman, Isaac, Kline, McGeehan and Shelhamer present.

The most important business that came before the board was the question of how certain rooms could be relieved of their crowded condition. A tabulated report from Supervising Principal Hanlon, giving the enrollment of each school, showed the total number of pupils on the rolls to be 987. One of the primary teachers has as high as 95 scholars, while another has only 26.

The primary department throughout showed a very heavy increase over the opening month of last term, but judging from the records of former years the primary grades are expected to adjust themselves satisfactorily as soon as cooler weather arrives.

Mr. Zimmerman's school at Bivanton was found to contain 90 pupils, of which 26 are ready for promotion to the fourth grade. These children should now be sent to Mr. Farrar's school, in the Ridge street building, but as he has a class of 23 which is ready for promotion to the fifth grade, taught by Miss McLaughlin, in the Daniel Cox building, and the latter having 66 pupils, the promotions could not be made by the supervising principal. As a result Mr. Zimmerman and Mr. Farrar have grades and pupils which do not now belong in their schools and are given more work than should devolve upon them.

The report from East South Heberton building gave 26 pupils in room No. 1, taught by Miss Brown, and 35 in room No. 2, taught by Miss Crawford, a total of 61 in the building. From investigations made it was learned that the attendance at the East South Heberton building is not likely to increase any, and this conclusion was borne out by last term's records.

The supervising principal suggested to the directors that if the board cannot employ another teacher, one remedy that could be applied to more equitably arrange the schools, to the advantage of teachers and pupils, would be to close one room at East South Heberton and have all the pupils taught by one teacher. This would give the board a teacher who could be placed in South Washington street building, and by opening a fifth grade school there the advanced pupils of Mr. Farrar, numbering 25, with 20 from Miss McLaughlin would fill the room.

This would also relieve Mr. Farrar and provide accommodation in his room for the 26 pupils in Mr. Zimmerman's school, who are unavoidably prevented by existing conditions from being promoted.

It would further aid in adjustment by reducing the Bivanton school enrollment to 64, while the East South Heberton school would have 61. Both would be primary schools and would be on an equal footing.

None of the directors offering any plan which would in any way solve the problem before the board, Director Buckley, acting on the principal's suggestion, offered a motion to close room No. 1 at East South Heberton, transfer the pupils to room No. 2, and reopen South Washington street school.

The motion received the votes of Directors Brogan, Buckley, Fetterman and McGeehan. Directors Isaac and Shelhamer voted against it and Director Kline refused to vote. The motion was declared lost by Chairman Brogan, having failed to secure a majority of the members of the board, as required by law.

After the ballot had been taken Mr. Kline suggested that perhaps an increase in the salary of the teacher who would be chosen for room No. 2 would make the proposed change satisfactory.

Mr. Shelhamer registered a protest against placing Mr. Farrar as principal of Ridge street school at a less salary than was received by Mr. McLaughlin, who heretofore held the position. The protesting director failed to note in his remarks that the supervising principal is receiving an annual salary of \$300 less than his predecessor and that the vice principal is teaching for \$750 per month less than last term's vice principal and that the teacher whose particular cause he espoused is, with the others whose duties were increased without a corresponding increase in the salary, satisfied to perform the duties while the district's finances are in their present condition.

In accordance with the annual custom of the board the school taxes of Freeland Overall Mfg. Company were ordered exonerated for the current year.

The building committee was authorized to have a dead tree at East South Heberton building removed without cost to the district, parties having offered to cut it down for the wood contained therein.

The secretary was ordered to notify the parents of the boy who broke a window light in Daniel Cox building to replace the same at once or the board would do so and charge them the cost, \$3.

A shortage of certain books was reported by the supervising principal and the same were ordered purchased.

The secretary reported that arrangements to supply the schools with coal have been made at Sandy Run.

The officers were authorized to draw orders for the bond interest, amounting to \$640, due on the 10th inst., and the following bills were ordered paid: L. H. Lentz, repairs, \$101.61; M. J. Geary, supplies, \$95.79; Mrs. S. E. Hayes, insurance, \$75; L. V. R. R., freight, \$13.92; Bart McClennan, labor, \$9; Mrs. Fred Peters, cleaning, \$5; Educational Publishing Company, books, \$1.80; Electric Light Company, July light, \$1.07; Dr. F. Schlicher, supplies, \$0.02; total, \$306.99.

## MAY END STRIKE.

Conference at Washington Today Is  
Likely to Have Good Effect.

Washington, October 2.—Confidence in the prompt settlement of the coal strike, as a result of the conference the president will hold tomorrow with the presidents of the coal roads and President Mitchell, of the Mine Workers' Association, exists throughout the administration. The president has not expressed an opinion for publication, but that he believes the strike will terminate almost immediately is announced by all who have discussed the situation with him.

Even the failure of the conference to produce results will not prevent the president from continuing his efforts to put an end to existing conditions in the coal regions. He has other plans prepared, but does not want to put them into execution until he has tried the effect of moral suasion upon the representatives of both sides to the conflict. Whether Mr. Roosevelt will make known to those he has invited to meet him the steps which will follow in case no agreement is reached tomorrow is not known.

Criminal proceedings against the operators have been considered and decided upon. It is understood, and recommendations to congress to enact legislation, in the shape of amendments to the interstate commerce law, which will give the president authority to prevent a recurrence of the present situation have been outlined.

Another plan, which the president is said to have under consideration, is to urge Governor Stone to call an extra session of the Pennsylvania legislature to deal with the question.

It is the opinion of the cabinet that the government of Pennsylvania has ample authority and power to terminate the strike if it desires to do so, and in the event of failure to bring about an agreement tomorrow the president will communicate with Governor Stone.

All these plans are supplemental to the effort the president will make to reason and aid in averting a situation which may be the most disastrous in the history of the country.

They may be all unnecessary, and the president and his advisors hope they will be. As nearly as can be ascertained, it is not the intention of the president to threaten the operators, but to make a plain, common-sense statement to them of the danger which menaces the whole country as a result of their obstinacy.

It is possible the immediate result of the conference may not develop for several days. In the nature of the case, it is presumed the president will submit propositions which both sides may wish to consider before agreeing to them. But the need for action is so urgent that the president will demand an early reply, even if no definite decision is rendered at once.

HOLDING THE CONFERENCE.

A dispatch from Washington to the Hazleton Plain Speaker this afternoon states that the conference went into session at 11 a. m. today. An informal meeting was held, after which an adjournment until 3 p. m. was taken.

At the latter hour President Roosevelt, the coal road presidents and the union's officials reconvened. Up to 3.30 o'clock no news had been given out.

## Y. M. C. A.

Secretary's report for month ending September 30, 1902:

Attendance—Gymnasium—Men, 199; boys, 277; ladies, 32; girls, 85; total, 593.  
Game room—Men, 12, boys, 399; total, 411.

Reading room—Men, 361; boys, 162; total, 523.  
Outdoor sports—Men, 261; boys, 322; girls, 7; total, 590.

Visitors—Members, 96; outsiders, men, 78; ladies, 51; at outdoor games, 271; total, 496.

Religious work—Adult bible class, 14; boys' bible class, 12; new bible classes, 11; devotional meeting, 76; total, 221.  
Music—Ladies' Glee Club, 41.

Total number persons using privileges of Y. M. C. A., 2,875.

Chautauqua normal class meets tonight at 8 o'clock. All are welcome.  
J. D. Bryden will conduct Sunday devotional meeting at 3.15 o'clock. Men and boys are invited to be present.

Monday evening at 8 o'clock Sabbath school teachers class meets. All teachers should take advantage of this special opportunity to prepare for their work.

An infant child of Louis Eshelman, of West Pittston, almost lost in life by poisoning last evening. The baby took some blocks of paint from a small box, ate an orange colored one and was taken violently ill. A physician saved the child's life.

## LOCAL NOTES

All Readers.

Happenings of the Past  
Two Days in and Around  
Freeland Recorded With-  
out Waste of Words.

The point whether or not a mail carrier is exempt from military duty was brought up before Judge Newcomb in Scranton this week. David U. Reese, a member of the Thirtieth regiment band, refused to go out with the regiment for the reason that he was a mail carrier. Judge Newcomb decided that a man who is engaged in delivering mail as a carrier is not engaged in the transportation of the mail within the meaning of the law, and Reese will have to remain with the regiment.

A largely attended mass meeting of striking miners was held at the Grand opera house Wednesday evening. John J. Brogan was chairman and addresses were made by District Board Member W. H. Dettrey, National Board Member P. G. Gallagher, District Vice President Andrew Matty and an Italian speaker. The audience was very enthusiastic and the speakers were repeatedly applauded.

The names of the following candidates for the legislature in the Second legislative district of Luzerne county will not appear on the official ballot, their nominations having been declared invalid by the state authorities: M. M. Shore, Socialist party, James Petebone, Friends of Industry, and David J. Davis, Workmen's party.

Office rooms for rent in the Refowich building. Apply on premises or to C. O. Stroh.

In a fracas in a South Centre street saloon yesterday, started by two unknown foreigners, the belligerents were beaten and were later placed under arrest by Officer Molik. They were given a hearing before Burgess Boyle, paid the fines imposed and left town. It is said that the men hailed from Nanticoke.

Notwithstanding the efforts of General Gobin and other officers, the Eighth regiment is unable to secure a band to take the place of the Tamaqua organization which refused to re-enlist when its term of service expired. Almost the entire state has been scoured without success for this purpose.

Harry Simroth, Harry Zhubah, Thomas Priestosh, Stephen Frenchko and Peter Krominski, Alias Genski, the five men arrested at Hoboken, N. J., on the charge of having murdered James Winston, a non-union miner, at Grassy Island, near Scranton, last Thursday, were brought to the latter city this week.

"Minnesota's Best" flour is sold by A. Oswald. There is none better made.

Neil Gallagher, of Sandy Run, has purchased from Thomas Birkbeck the single dwelling house on Birkbeck street occupied by ex-Principal of Schools John E. Williams. As soon as the latter vacates Mr. Gallagher and family will remove to town.

Coxe Bros. & Co. have served notice to vacate the company's dwelling at Drifton within ten days upon John J. McNellis. He was employed as assistant mine foreman and quit work on June 3 when asked to take a striking pumpman's position.

F. W. Everitt, cashier of the First National bank, has removed from the corner of Ridge and Front streets to East Front street. The vacated residence will be occupied by Mr. and Mrs. Thomas Edmunds.

Ernest Schwarting, employed as a cutter at the overall factory, received a severe cut yesterday while at work. The cutting knife slipped and penetrated his left side, inflicting a serious injury.

Ice cream—all flavors—at Merkt's.

The picking of coal on Stockton bank, from which Hazleton people received their supply of fuel, has been resumed, the United Mine Workers having reconsidered their order to prevent the picking.

The Tamaqua and Lansford new trolley road, connecting Mauch Chunk and Tamaqua, a distance of eighteen miles, has been completed and cars will run in a few days.

The second Crescent club will play the Y. M. C. A. a game of football at the Tigers park tomorrow afternoon.

Hugh Malloy is on a tour of Bradford and Wyoming counties in the interest of the game laws.

## RHEUMATISM

Kidney Disease and Stomach Trouble Cured by  
DR. DAVID KENNEDY'S

## Favorite Remedy

Albert P. Miller of 46 South street,  
employed by the American Axe & Tool  
Co., Ballston, N. Y., says:

"I suffered awfully with kidney disease, seven different doctors prescribed for me, some said the neck of the bladder was irritated. I was frequently laid up and suffered intense pain. I tried various medicines but none did me a particle of good. Finally I began the use of Dr. David Kennedy's Favorite Remedy, and before I had taken the fourth bottle I was entirely cured. Some time afterward I was troubled with rheumatism so bad I could hardly help myself. I saw that Favorite Remedy was recommended for it and I began to use it and I improved steadily, a single bottle cured me. My wife has taken it for stomach trouble and obtained almost instant relief."

If you suffer from kidney, liver or bladder trouble in any form, diabetes, Bright's disease, rheumatism, dyspepsia, eczema or any form of blood disease, or, if a woman, from the sicknesses peculiar to your sex, and are not already convinced that Dr. David Kennedy's Favorite Remedy is the medicine you need, you may have a trial bottle, absolutely free, with a valuable medical pamphlet, by sending your name, with post office address to the Dr. David Kennedy Corporation, Rondout, N. Y., mentioning this paper.

Dr. David Kennedy's Favorite Remedy is sold by all druggists at \$1.00 a bottle or 6 bottles for \$5.00. Less than one cent a dose.

Dr. David Kennedy's Cherry Balsam best for Colds, Coughs, Consumption. 25c, 50c, \$1.00.
