FERRY CARRIES THE DISTRICT

Democrats Win the Honors in the County.

They Elect Treasurer, Two Commissioners and Three Representatives--Register in Doubt--Congress Lost.

A message to the Tribune from the Wilkesbarre Evening Leader at 3.45 o'clock this afternoon gives the following election results in the county: Patton leads by over 3,000. Palmer, Republican, is re-elected to Congress by a large majority. Moore, Democrat, is chosen treasurer. The result for register of wills is in doubt, with Holman leading. Inn, Schappert and Smith are elected county commissioners. Boyle and Davis are thousands ahead for mine inspectors.

LEGISLATIVE RESULTS.
In the First legislature district Hon. George J. Hartman, Republican, has been re-elected by a majority of 525. In the Second district only half the districts were heard from. They show that Ross, Republican, will win. In the Third district Flanagan, Democrat, leads by 250. In the Fourth district Ferry, Democrat, is elected by about 190 majority. Edward J. Burke, Democrat, has been re-elected in the Fifth district. In the Sixth district the result is in favor of Holcomb, Republican.

Yesterday was an ideal day for those who depended upon fair weather to elect their candidates. The day was all that could be desired, and it seemed more like the month of May than November. There was every reason to expect a large vote in town and country districts, but only a few polls was the general average for an off-year exceeded. In the country districts there was considerable apathy and only a light vote was polled.

During the early hours of the day it looked as though there would be an exceptionally light vote, but towards evening the voters began to turn out and after the business places and shops closed the election boards were kept busy. It was apparent after the polls had been open a few hours that there would be considerable cutting, both parties indulging in this business freely. The reports received at noon indicated that the Democratic ticket was running well throughout the county and this spurred on the workers to make a good showing in their respective districts.

All the candidates showed exceptional strength in their home districts. This coupled with the cutting so prevalent in most of the districts made counting a tedious task and the returns came in slowly. Another element that made guessing hazardous was the figure cut by the Socialists. In some of the mining districts their candidates polled more votes than the candidates of the old party, but as a whole the new party movement proved a fizzle.

Unusual interest was manifested in the candidates for mine inspectors and in most of the districts party affiliations were cast to the winds. Some of the strongest Republican districts in the county were carried by P. M. Boyle, a Democrat. The legislative contest in the six districts of the county upset all calculations. The Republicans on Monday felt reasonably sure of carrying four of the six districts.

In Freeland the vote given to the Socialists by former Democrats gave the town to the Republicans. P. M. Boyle, for mine inspector, polled an unexpectedly large vote here. In the tabulated report published today the vote of Freeland borough is a copy of the official returns. Those from the other districts were received from various sources, but in the main are correct.

Light vote in Arkansas.
Little Rock, Ark., Nov. 5.—Less than 60 per cent of the normal vote was polled in the election for congressmen in Arkansas. All the seven Democratic nominees were elected by majorities ranging from 3,000 to 8,000. In six districts there were Republican nominees. In some places the negro voters remained away from the polls.

Deadlock in Delaware.
Wilmington, Del., Nov. 5.—The complete election of the next Delaware general assembly is in doubt. It is apparent that a deadlock on the United States senatorial vacancies will be the result, as was the case two years ago.

Republican Governor of Idaho.
Boise, Ida., Nov. 5.—Scattered returns received indicate the election of Morrison (Rep.) for governor over Hunt (Dem.) by a small plurality. The Republicans also claim to have elected a majority of the legislative candidates.

COUNCIL MEETING.

The borough council met Monday evening with all members present except Messrs. Doggett, Ward and McClellan. Notwithstanding that the business of the past two months awaited attention the members settled down to work and in less than one hour adjourned, completing one of the shortest sessions of that body. The oath of office of John Sutton, who was elected to the seat made vacant by the removal from town of Harry Reifnyder, was read and the member seated.

The following bills were approved: James Kennedy, testing fire plugs, \$2; Electric Light Company, street lighting, three months, \$819.99; J. D. Meyers, labor, \$1; John Edinger, coal oil, \$3.25; Frank O'Donnell, coal and hauling, \$6.10; Tribune, printing, \$1.25; W. E. Martin, supplies, \$2.03; City Lumber Yard, lumber, \$10.21; Matthias Schwabe, coal, \$8.10.

The fire and water committee was ordered to procure a lock for fire-alarm box 32.

The Freeland Overall Manufacturing Company and the Freeland Silk Mill Company were exonerated from the payment of borough taxes for the year 1902.

The janitor's reports for September and October were approved for \$30.75 and \$36.15; total, \$66.90.

The street commissioner's reports for September, \$64.86, and October, \$83.90, total, \$148.76, were approved.

Burgess Boyle's report for September gave these amounts: Due Burgess, \$11.60; borough, \$10.50; total, \$22.10; October, due Burgess, \$12.10; borough, \$15; total, \$27.10.

Chief of Police O'Donnell's reports for September and October salaries, \$149.29 and \$145 respectively, were ordered paid.

The treasurer reported a balance in the general fund of \$1,075.21.

It was reported that at the time of the lowering of the sewer on Carbon street connections were broken which Street Commissioner Davis promised to make right and failed. The matter was referred to proper committee.

The secretary was instructed to notify the solicitor to proceed immediately against the auditor on annexation, also against an ex-tax collector and ex-councilman, to recover monies due the borough.

Board of Health bills for salaries were approved for Dr. W. H. Dearborn, \$20, and James J. Ward, \$40.

The matter of grade on Birkbeck street for sidewalks was referred to the street committee.

It was brought to the attention of council that no election rent had ever been received for the Municipal building. It was decided that the judge be instructed to collect the rent.

Masonic Celebration.

The Masonic lodges of Hazleton, Freeland and White Haven last evening celebrated the sesqui-centennial of the initiation of George Washington into the order by a special banquet at Hazleton. A special trolley car was run from Freeland for the accommodation of the Masons of town.

Among those of the local lodge who took part in the program were Rev. J. W. Bischoff and Harvey Hoffman. Freeland was represented on the committee of arrangements by Rev. J. W. Bischoff, C. C. Collins, J. H. Trovaskis, A. Ober and H. E. Sweeney.

Over 200 people attended the celebration. Freeland being well represented among the number.

Ballots in Bonfire.

All chances of success for the Republican candidates in Schuylkill county were nearly swept away by a curious incident yesterday. The election officers of the Fifth ward of Pottsville, the banner Republican district of the county, made a bonfire of what they thought to be last year's ballots. The ballots destroyed proved to be those intended for yesterday's use.

The incident occurred while the voting was going on, and not a single ballot was available. The printers were unable to furnish any more and the situation looked desperate. The county commissioners finally succeeded in securing small supplies from other districts sufficient to furnish every voter with a ballot.

Farewell Party.

A farewell party was tendered Miss Bella Brogan at her home in Drifton last evening. The following guests were present: Misses Susan and Ellen Bell, Bella and Theresa Brogan, Bridget and Hanna Boyle, Kate and Mary McNellis, Bid Burns, Kate Higgins, Grace Collins, Fanny McCole, Mame McGeehan, Maggie Boyle, Freeda Braun, Mary Davis and Messrs. Dan Gallagher, Joe Hoffmeier, Joe Boyle, John Collins, Francis Gallagher, Daniel McGeehan, Edward McEnroe, Ned Curran, Eugene Bonner, Edward O'Donnell and Pete McTague.

The guests enjoyed themselves dancing and playing games. They then partook of a repast, after which they departed for their homes, wishing Miss Brogan success in her future home at Columbia, Lancaster county.

What Miners Want.

Mitchell Reiterates Demands Made at the Shamokin Convention.

The statement of the anthracite mine workers case, which was filed with the strike commission on Sunday night, has been made public. Copies of the statement have been furnished to the operators, who will reply in three or four days. The miners' statement, signed by President Mitchell, is as follows:

"The mine workers make of the operators the following demands, which were formulated by the Shamokin convention held March 18 to 24, and for the enforcement of which the strike was inaugurated.

"First.—An increase of 20 per cent upon the prices paid during the year 1901 to employes performing contract or piece work.

"Second.—A reduction of 20 per cent in hours of labor without any reduction of earnings for all employes paid by the hour, day or week. The second demand is similar to the first in that it is designed to increase the hourly rate of wages of mine workers employed by the hour, day or week.

"Third.—The adoption of a system by which coal shall be weighed and paid for by weight wherever practicable; the minimum rate per ton to be 60 cents for a legal ton of 2,240 pounds; the differentials now existing at the various mines to be maintained.

"Fourth.—The incorporation in an agreement between the United Mine Workers of America and the anthracite coal companies of the wages which shall be paid and the conditions of employment which shall obtain, together with satisfactory methods for the adjustment of grievances which may arise from time to time to the end that strikes and lockouts may be unnecessary."

Each demand is followed by lengthy reasons supporting the claim.

Although yesterday was election day the strike commissioners continued their investigations so that they could finish their tour of the mining region as soon as possible. The commissioners left Hazleton early in the morning for Shamokin, where John Fahy, president of the United Mine Workers of District 9, boarded the special train and accompanied the arbitrators through that territory. The day was spent in visiting the mines in and about Shamokin.

What Miners Want.

James Boyle, aged 23 years, of Wilkesbarre, was caught by a heavy fall of top coal in a mine in that city Monday night and crushed to death. It took ten men several hours to remove the fall and recover the body. Mr. Boyle had lived in Philadelphia since the strike and Monday night was his first in the mine since early last May.

Vincenzo De Paoto, of Lattimer, an Italian, met death in Lattimer stripping yesterday morning. He was trying to make a coupling between two cars while they were in motion, and in some manner his head got between the bumpers, resulting in it being mashed. He leaves a wife and four children.

Ben Phillips and John Ferdinand were served with notices by Coal and Iron Policeman Eckert yesterday to vacate the houses occupied by them in Drifton within ten days. All the families numbering about a dozen, who were previously notified to vacate, have moved out.

Complete election returns on Page 4.

Attorney R. J. O'Donnell has moved his office across the hall of the Campbell building and now occupies the rooms previously leased by Attorney Kline, who has removed to the P. O. S. of A. building.

Smallpox, which has existed in Scranton for the past year, has been nearly wiped out, so far as the Board of Health knows. There is only one case now in that city and the patient is convalescent.

The troops stationed at Highland and Upper Lehigh voted yesterday for the candidates who ran for office in Philadelphia. All the members of both companies are from that city.

Core Bros. & Co. have awarded the contract for the erection of a cottage at Drifton. It will be occupied by J. W. Pennington after his marriage to Miss Tillie Wetterau, of Hazleton, takes place.

The barber shop on South Centre street, formerly conducted by Emmet Foster, who recently removed to Providence, R. I., has been taken charge of by Alphonse Vietri, of Newark, N. J.

"Minnesota's Best" flour is sold by A. Oswald. There is none better made.

Editor Fowler's condition is not quite as good today as it was in the forepart of the week, but it is confidently felt that he will soon be out of danger.

Miss Mary Davis, who has been employed in a large department store in Philadelphia, is visiting her parents on South street.

Miss Mattie Dreisbach and sister, Mrs. Robert Koehler, of Wilkesbarre, are the guests of Mrs. W. E. Oberender, Front street.

Ice cream—all flavors—at Merkt's.
